

## **Joint Youth Resettlement Inspection**

### **Specific custodial questions**

*(Underpinned by HMI Probation Inspection Standards and HMI Prisons Expectations)*

- 1. Was there a good quality assessment of resettlement needs available to the initial planning meeting?**
  
- 2. Were appropriate plans made for resettlement needs at the initial planning meetings?**
  - 2a Was ROTL discussed at the initial planning meeting?**
  - 2b Was Early Release discussed at the initial planning meeting?**
  - 2c Who attended the initial planning meeting?**
  
- 3. Did custodial interventions meet resettlement needs?**
  - 3a. Was ROTL used appropriately?**
  
- 4. Did YOT interventions, during the custodial period, meet resettlement needs?**
  
- 5. Did the YOT support the young person during the custodial period?**
  
- 6. Did the distance from the yp's home impact on:**
  - YOT work?
  - Parent/carer's ability to visit?
  
- 7. Were the YOT resettlement services provided of a good enough quality?**
  
- 8. Were services in place to meet resettlement needs at an appropriate time prior to release?**

**9. Were the resettlement services provided by the institution of a good enough quality?**

**10. Did children's social care services meet resettlement needs?**

**11. Did other external agencies meet resettlement needs?**

**12. Did *all* agencies work together well enough to meet resettlement needs effectively?**

**13. Did transition to adult services impact on resettlement provision?**
