Appendix E – Recommendations for delivering suggested projects/initiatives

Type 1 – Recommended Next Steps for PSB

These are areas where the PSB could add value through early intervention, focusing on the local dimension, and involving a different set of partners. They also have a community and not organisational focus.

Code	Project	Success Factors	Who can support delivery?
EC02 EC12	Social Prescribing	Individuals reporting better well-being Fewer medical prescriptions for lifestyle-related conditions Lower expenditure (non-medical) on services due to lifestyle-related conditions People staying in their own homes for longer	Housing. Education. Third Sector / CVCs. GPs. Citizens' Advice. Health. Social Care. Police. Family Services. Health to Lead?

EC09 EC10 EC11 EC15	Better support tenants and those at risk of homelessness	Less homelessness Greater stable tenancies Associated health risks mitigated Better quality rented sector	RSLs and private sector landlords; homelessness services; enforcement services; health services; Third Sector (Warm Wales?); CVCs; employability colleagues. LA Housing to lead? (DCC or CCBC)
EC16	Dementia Support Action Plan	Better support carers of dementia sufferers	All PSB members Alzheimer's Society

		Better support dementia sufferers People living independently for longer	(DVSC is the PSB partner leading an ICF funded Dementia Friendly Communities programme) .

Type 2 – Other Ideas of Merit

These are also important areas for PSB partners to consider, but do not necessary require collective PSB leadership. Some of these will have a more inward organisational focus; or may be being addressed by other bodies elsewhere (the PSB may wish to consider if they are satisfied that this is the case).

Code	Project	Where it could be delivered
EC01	Aligning social value/ community benefits to PSB priorities through all partners' procurement strategies, and monitoring delivery effectively	Procurement colleagues from PSB members. DCC to lead?
EC04	Cross-sector Strategic Asset Planning	Strategic Asset officers from PSB members XXX to lead?
ECO3	Strengthen community groups by avoiding duplication	Voluntary Services sector
EC06	Share research, best practise, projects around the employment theme	Economic Development colleagues set up a Conwy/Denbighshire network
EC07	Commitment to Working Denbighshire (one-stop shop for employment advice) model	Colleagues in Employability field to explore
EC08	Understand effective interventions that lead to promotion for residents	Economic Development colleagues to research, perhaps under North Wales Economic Ambition Board

EC13 EC18	Multi-organisational training	Organisation Development colleagues in PSB organisations
EC14 EC17 EC19 EC20	Improved sharing of volunteering resources	Strategic Volunteering colleagues set up a Conwy/Denbighshire network

Type 3 – Projects for consideration under a different PSB priority

One suggestion was offered that may be best considered by the PSB's Environment priority.

Code	Project
EC05	Electric Charging Infrastructure
