**ITEM NO:** 1  
**WARD NO:** Denbigh Upper / Henllan  
**APPLICATION NO:** 01/2005/1509/ PF  
**PROPOSAL:** Erection of single-storey building for use as buggy store  
**LOCATION:** Denbigh Golf Club Coppi Road Denbigh  
**APPLICANT:** Denbigh Golf Club  
**CONSTRAINTS:**  
**PUBLICITY UNDERTAKEN:** Site Notice - Yes Press Notice - No Neighbour letters - No

**CONSULTATION RESPONSES:**

1. HENLLAN COMMUNITY COUNCIL  
"No objection to the planning application and plans."
2. DENBIGH TOWN COUNCIL  
"Council does not wish to raise any objections to the application."
3. HEAD OF TRANSPORT AND INFRASTRUCTURE  
No objection.

**RESPONSE TO PUBLICITY:**

Letter of representation was received from:

1. Eifion Jones - Erw Eithin Bach, Rhewl

Summary of planning based representations:

- i) Impact on visual amenity.

**EXPIRY DATE OF APPLICATION: 13/02/2006**

**REASONS FOR DELAY IN DECISION:**

- Timing of receipt of representations

**PLANNING ASSESSMENT:**

**THE PROPOSAL:**

1. The application site is located within open countryside off the B5382 Denbigh to Henllan road. The Golf Club extends across both sides of the B road with the main clubhouse and facilities set back some 40m on the east side.
2. The clubhouse sits at a slightly higher level than the road with a car parking area to its front. To the rear of the clubhouse is a water tank and pumphouse with the main course beyond that to the north and east.
3. Planning permission is sought to erect a detached single storey building to the rear of the clubhouse for use as a buggy store. This building would be located some 7.5m from the rear of the clubhouse building measuring 8.7m x 6.4m to a height of 3.4m. Having a shallow pitched roof the buggy store would be constructed of profiled cladding in a colour to be agreed.

**RELEVANT PLANNING HISTORY:**

4. 01/250/99 – Erection of extension to ladies locker room and installation of new septic tank – GRANTED 6<sup>th</sup> July 1999

**PLANNING POLICIES AND GUIDANCE:**

5. DENBIGHSHIRE UNITARY DEVELOPMENT PLAN (adopted 3<sup>rd</sup> July 2002)  
Policy GEN 6 – Development Control Requirements  
Policy GEN 3 – Development Outside Development Boundaries  
Policy REC 5 – Recreation Facilities Outside Development Boundaries  
Policy REC 7 – Golf Developments

GOVERNMENT GUIDANCE

Planning Policy Wales, March 2002

**MAIN PLANNING CONSIDERATIONS:**

6.
  - i) Principle of development
  - ii) Impact on visual amenity/objection
7. In relation to the points identified in paragraph 6 above:
  - i) Principle of Development  
Unitary Development Plan policy (REC 5) allows for such recreational development providing any new buildings are located close to existing and they blend in with the surrounding landscape. The golf course is not located within an Area of Outstanding Natural Beauty and it is considered that the principle of erecting this buggy store facility is acceptable.
  - ii) Impact on Visual Amenity/Objection  
The building is shown to be sited to the rear of the main clubhouse building amongst other structures related to the facility. The height of the new store would only be 3.4m which would not exceed that of the clubhouse. The objection received makes reference to the previous planning permission in 1999 for the extension to the locker room and erection of greenkeeper's office, garage and workshop. The objector points out that a condition of that permission was that an existing garage, workshop and office should be demolished in the interests of visual amenity. The proposed buggy store would be located close to the site of the demolished buildings. However, it should be noted that those demolished buildings were old corrugated buildings which needed to be removed to enable the extensions to take place. That previously imposed condition could not prejudice any subsequent proposal for buildings at this site. It is considered that, given the size and scale of the building and its location to the rear of the existing clubhouse, there would be no significant impact on the visual amenities of the site or surroundings. Subject to a condition to control the colour finish of the walls and roof the structure should blend into the open countryside location.

**SUMMARY AND CONCLUSIONS:**

8. The proposed building would be sited close to others at the club and subject to controls on the colour finish will not harm the visual amenities of the area thus complying with planning policy.

**RECOMMENDATION: GRANT-** subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.
2. No external wall or roof materials shall be applied until the written approval of the Local Planning Authority has been obtained to the proposed materials to be used for the external surfaces of the [walls [and roof(s)]] of the development hereby permitted and no materials other than those approved shall be used.

The reason(s) for the condition(s) is(are):-

1. To comply with the provisions of Section 91 of the Town and Country Planning Act 1990.
2. In the interests of visual amenity.

**NOTES TO APPLICANT:**

None

**APPLICANT:** Barnstyle Ltd.

**CONSTRAINTS:** 250m Of Landfill Site  
AONB

**PUBLICITY UNDERTAKEN:** Site Notice - No Press Notice - No Neighbour letters - Yes

#### **CONSULTATION RESPONSES:**

##### **1. LLANBEDR COMMUNITY COUNCIL**

"On behalf of the Community Council I wish to make some observations about the above property. I have had long discussions with Mr. Kenworthy, whose residence Rockfield is situated immediately opposite the new proposed dwelling. I have also been given a copy of his letter to you, so I am aware of his concerns.

I have to say that the council agrees in full with all of these concerns, which primarily dwell on road safety issues. Rather than repeat the whole thrust of Mr. Kenworthy's comprehensive letter I would raise one or two other issues:

- The proposed alignment of the new property does not conform to the original outline plan to which we agreed some months back: it is considerably larger than the outline site and further forward (i.e. closer to the carriageway).
- The style of the new build is not in character with the surrounding area. In an AONB with many ancient buildings we do not believe that concrete curves and circular glass walled verandas are anything but a blot on the landscape.
- When we agreed to the proposed outline plans we did not envisage a 5-bed luxury 2-storey home to be erected on the same alignment as single storey bungalows. We believe the new property will be too dominant in the local area, where there is a need for more affordable housing, not ever more luxurious and larger houses.
- We wish to inform you that any future applications to develop the land to the NE of the new proposed property (i.e. behind it) and the neighbouring Ranch House will be vigorously opposed by this Council. Not only is that land outside the permitted area for development, but the local road infrastructure ca not support more entrances for residences.
- There is more than a suspicion that the Ranch House bungalow itself is being lined up for demolition, to be replaced with plans for perhaps another 5-bed 2-storey house similar in style and size to its proposed neighbour. Any such plans will also be vigorously opposed.

In sum, we are not happy that road safety considerations have been adequately

taken into account, given the change in road priorities and the new detailed building application. Nor are we happy with the size, location, style or character of the proposed build. We wish to register with DCC our concerns over possible future planning issues: we believe there is more to this first development than meets the eye.

We request that you re-visit this whole planning application which has some real safety and planning issues of considerable local concern. We also request that members of the Community Council be invited to attend any future site meetings, especially our County Councillor, Pauline Dobb”.

2. HEAD OF TRANSPORT & INFRASTRUCTURE  
No objection subject to compliance with conditions.
3. JAC AONB  
”The JAC objected to this proposal s the design, scale and mass are inappropriate for the elevated side and surrounding properties”.
4. ENVIRONMENT AGENCY  
No objection.

**RESPONSE TO PUBLICITY:**

Letters of representation were received from:

1. B. Stapleton, The Quentin, Lon Cae Glas, Llanbedr D.C.
2. C.C. Kenworthy, Rockfield, Llanbedr D.C.

Summary of Planning Based Representations:

- i) Concerns over Highway Safety
- ii) Concerns over drainage
- iii) Concerns over size, scale of property

**EXPIRY DATE OF APPLICATION: 31/01/2006**

**REASONS FOR DELAY IN DECISION:**

- protracted negotiations resulting in amended plans

**PLANNING ASSESSMENT:**

**THE PROPOSAL:**

1. The application site is located to the north of the existing dwelling known as The Ranch House off the A494 and along the road leading to Llanbedr Hall. The site lies on a corner plot opposite the dwelling known as Rockfield at the north-east extremity of the settlement boundary of Llanbedr D.C.
2. The site lies at a slightly higher level than the adjacent road within the designated AONB. Outline planning permission was given in October 2004 on this site for the erection of a single dwelling and construction of a means of access.
3. This application represents the reserved matters submission related to the outline consent. The proposal shows the intention to erect a large, detached, two-storey dwelling set back some 8m from the adjacent carriageway. The dwelling is a modern predominantly pitched roof design incorporating an integral double garage closest to the road. Constructed in render under a slate roof the 5 bed. dwelling would be 7m at its highest incorporating rear and side first floor balconies. Whilst the set back of the main dwelling would be some 8m, a single storey double

garage would project closer to within 3m of the realigned carriageway.

4. The application site itself straddles the settlement boundary. However, as set out within the outline consent the proposed dwelling itself would be within the development boundary. The mature trees to the north and east boundaries of the site are shown to be retained with some trees needing to be felled to accommodate the property within the site and to the front visibility splay. New tree planting is proposed between the site and The Ranch House along with a 1.8m fence to denote the new application site boundary.

**RELEVANT PLANNING HISTORY:**

5. **16/2004/0681/PO**  
Development of land by the erection of a dwelling and construction of a new vehicular access (Outline) – GRANTED – 27/10/04

**PLANNING POLICIES AND GUIDANCE:**

6. DENBIGHSHIRE UNITARY DEVELOPMENT PLAN (adopted 3<sup>rd</sup> July 2002)  
Policy HSG 4 - Housing Development in Main Villages  
Policy ENV 2 - Development affecting the AONB  
Policy GEN 6 - Development Control Requirements

GOVERNMENT GUIDANCE

Planning Policy Wales, March 2002

**MAIN PLANNING CONSIDERATIONS:**

7.
  - i) Principle of development
  - ii) Impact on residential amenity/objections
  - iii) Impact on visual amenity/AONB
  - iv) Impact on highway safety
  - v) Drainage issues
8. In relation to the points raised in paragraph 7 above:-
  - i) The site in question has been granted outline consent for the development of the land by the erection of a dwelling with no specific conditions previously imposed restricting the property to single-storey only. As such, the principle of erecting a two-storey dwelling in this location is acceptable.
  - ii) The closest existing dwellings directly affected by the proposal will be the existing Ranch House and the large, detached dwelling opposite, at a lower level, Rockfield. The impact on the existing Ranch House is considered to be minimal with some 16m remaining side to side and proposed new tree planting to the new side boundary forming an additional screen. The size and scale of the new dwelling will have an impact on the dwelling opposite at Rockfield by reason of the site being slightly raised from the road. The issue, however, is whether such an impact will be significant. Some 14m will remain between the front section of Rockfield and the single-storey side wall of the proposed garage of the new dwelling. As such, some 19m will remain between Rockfield and the closest two-storey section of the new dwelling with the closest first floor windows to Rockfield some 23m. Having regard to the fact the principle of a single residential property has been established on this site, I do not consider that the impact of this proposed dwelling on any neighbour amenity would warrant refusal of the application.

- iii) There is a mix of dwelling styles within the village of Llanbedr ranging from 1950's style bungalows to contemporary two-storey dwellings. The proposal has been revised from the original submission with some 18sq.m. taken off the footprint and the dwelling set back some 1.7m from its originally indicated siting. Whilst it is acknowledged that the dwelling is large in terms of scale, the roof design attempts to reduce this impact with existing mature tree screening providing good cover to the north and east sides. The size of the dwelling in relation to the plot matches those dwellings on this side of the road and it is not considered that the proposal represents an overdevelopment. It is acknowledged that the site lies within the designated AONB. However, the policy relating to development in such an area seeks to ensure development should be designed to a high standard but is not prescriptive as to specific designs. Llanbedr has a mix of styles and it is considered that this design when viewed in the context of the landscaping in existence would contribute to the conservation and enhancement of the natural beauty of the area.
- iv) The proposals implications on highway safety has been assessed on the previous outline application and on the current proposal with no objections raised. The access to the site, visibility and on-site parking arrangements meet policy and guidance for such a development.
- v) The Environment Agency has raised no objections to the proposed septic tank arrangement and the surface water arrangement to a soakaway. Whilst the neighbour concerns are noted, all issues of drainage on this site, within a defined settlement, can be dealt with at Building Regulations stage.

**SUMMARY AND CONCLUSIONS:**

- 9. The principle of development at the site including the means of access has been established. Distances between existing and the proposed property along with the orientation of windows and the presence of good tree screening means there would be no significant impact on neighbour amenity. There are a mix of dwelling sizes and styles in the village and it is not considered that the modern design proposed would cause significant detriment to the visual amenities of the site or surrounding AONB.

**RECOMMENDATION: APPROVE-** subject to the following conditions:-

- 1. No development shall commence until details of the design, height and materials proposed for the screen walls and/or fences shown on the layout plan have been submitted to and approved in writing by the Local Planning Authority. Such screen walls and/or fences shall be erected before the dwellings to which they relate are completed or occupied whichever is the earlier.
- 2. The proposed septic tank and ancillary soakaway system shall conform to BS6297 and no part of the system shall be sited within 10 metres of any watercourse.

The reason(s) for the condition(s) is(are):-

- 1. In the interests of residential and visual amenity.
- 2. To ensure the proper drainage of the site and to minimise the risk of pollution.

**NOTES TO APPLICANT:**

The applicant is reminded of the need to comply with the conditions imposed on the governing outline permission Code No. 16/2004/0681/PO.

Your attention is drawn to the attached Highway Supplementary Notes Nos. 1, 3, 4, 5 and 10.

Your attention is drawn to the attached Part N form (New Road and Street Works Act 1991).

**ITEM NO:** 3

**WARD NO:** Llanrhaeadr Yng Nghinmeirch

**APPLICATION NO:** 23/2005/1403/ PC

**PROPOSAL:** Continuation of use of former agricultural building as storage and distribution (retrospective application)

**LOCATION:** Outbuildings At Bryn Eglur Llanrhaeadr Denbigh

**APPLICANT:** Mr R Hughes

**CONSTRAINTS:  
PUBLICITY  
UNDERTAKEN:** Site Notice - No Press Notice - No Neighbour letters - Yes

**CONSULTATION RESPONSES:**

1. LLANRHAEDR COMMUNITY COUNCIL  
"The only observation that the Council has on the planning application and plans is that the highway infrastructure cannot cope with the additional traffic that this application demands."
2. HEAD OF TRANSPORT AND INFRASTRUCTURE  
Recommends refusal due to substandard approach roads to site and the increased volume of traffic from the use.
3. HEALTH AND PRIVATE SECTORE HOUSING MANAGER  
No comment.

**RESPONSE TO PUBLICITY:**

None

**EXPIRY DATE OF APPLICATION: 15/01/2006****REASONS FOR DELAY IN DECISION:**

- delay in receipt of key consultation response(s)

**PLANNING ASSESSMENT:****THE PROPOSAL:**

1. The application site is located within open countryside to the south-east of Llanrhaedr. The site lies to the north-west of a property known as Bryn Eglur and consists of a former agricultural shed of some 800 sq.m. The shed had previously been used for storing chickens as part of the agricultural business at Bryn Eglur.
2. The site is accessed from unclassified roads approximately 1.5 km from the main A525 road.
3. The use of this shed for the storage of chickens ceased in late 2003 and it was then that the applicant began to use the application shed and one to its rear for Class B8 storage and distribution of white goods. An application to continue the use of both sheds for this purpose was refused in July 2005 due to the scale of the

use and its impact on the surrounding highway network.

4. Permission is now sought to continue the use of just the shed closest to the adjacent unclassified road for Class B8 storage and distribution. The applicant has stated that he would accept a temporary permission of 2 years in order for the Local Planning Authority to assess highway implications of the use further.

**RELEVANT PLANNING HISTORY:**

5. 23/2004/940/PF - Change of use of existing agricultural building to storage and distribution (retrospective application) – REFUSED 24/03/05

**PLANNING POLICIES AND GUIDANCE:**

6. DENBIGHSHIRE UNITARY DEVELOPMENT PLAN  
Policy EMP 5 – Small scale employment development outside development boundaries  
Policy GEN 6 – Development Control Requirements

**GOVERNMENT GUIDANCE**

Planning Policy Wales – March 2002

Planning Guidance (Wales) TAN – Agricultural & Rural Development

**MAIN PLANNING CONSIDERATIONS:**

7.
  - i) Principle of use taking into account Policy EMP 5 of the UDP.
  - ii) Impact on the amenities of local residents
  - iii) Highway issues
8. In relation to the considerations as noted in Paragraph 4.
  - i) Policy EMP 5 encourages small scale employment development in locations such as this subject to a number of criteria. The building is not small and its size would result in a large scale warehousing operation in a rural area. The proposal offends criteria (c) of the policy in addition to being unacceptable on visual impact and highway grounds (see below)..
  - ii) The existing building is in a prominent location, particularly the loading area, and screening is poor. The open area around the two sheds is being used for the dumping of a variety of different materials. Much of this is overgrown and untidy. Commercial use with potential external storage and activity would impact adversely on the rural landscape criteria (d) of Policy EMP 5.
  - iii) With regard to highway issues, the scale of the buildings and use would generate vehicle movements that would be inappropriate for the rural highway network. This position is supported by the Head of Transport and infrastructure.
9. The applicant and his agent have held discussions with officers and this has resulted in this application, which is materially different to the previous proposal (see para 4). Whilst these changes need to be given some weight, the Highway Authority still object and the County Council continue to raise concerns. Thus, on balance, the recommendation is to refuse planning permission. The site is already subject to a resolution to take enforcement action, although to date no enforcement notice has been served. Should Members resolve to grant planning permission, this should be on the basis of a temporary permission of 2 years.

**SUMMARY AND CONCLUSIONS:**

10. The development is on balance considered unacceptable due to the nature of the building and use in this rural location which has a substandard road network

**RECOMMENDATION: REFUSE** for the following reasons:

The reason(s) (are):-

1. The proposal, by reason of the scale and nature of the use, impact on local landscape and inadequate surrounding road network would conflict with criteria i), ii) and iv) of Policy GEN 6 and criteria a), d) and g) of Policy EMP 5 and Planning Guidance (Wales) TAN (WALES) - Agricultural Rural Development.
2. The site is approached by means of narrow unclassified roads, that are substandard in width and alignment to serve the use. The proposal would result in a material increase in the volume and type of vehicular traffic using these roads with consequent additional dangers to all highway users.

**NOTES TO APPLICANT:**

None

**ITEM NO:** 4

**WARD NO:** Dyserth

**APPLICATION NO:** 42/2005/1373/ PF

**PROPOSAL:** Conversion of and extension to stable to form 1 dwelling

**LOCATION:** Land at Plas Yn Foel Lower Foel Road Dyserth Rhyl

**APPLICANT:** Mr & Mrs G Davies

**CONSTRAINTS:** Wildlife Site  
Public Footpath / Bridleway  
Previous Mining Area

**PUBLICITY UNDERTAKEN:** Site Notice - No Press Notice - No Neighbour letters - Yes

**CONSULTATION RESPONSES:**

1. DYSERTH COMMUNITY COUNCIL  
"No objection"
2. HEAD OF HIGHWAYS AND TRANSPORTATION  
No objection subject to condition.
3. WELSH WATER  
No objection.

**RESPONSE TO PUBLICITY:**

Letters of representation received from:

1. Mr & Mrs Messham, Edencot, Lower Foel Road, Dyserth.
2. Mr & Mrs Hilton Woosey, Clwyd View, Lower Foel Road, Dyserth.

Summary of planning based representation:

- i) The property would overlook dwellings on Lower Foel Road.

**EXPIRY DATE OF APPLICATION: 29/01/2006**

**REASONS FOR DELAY IN DECISION:**

- additional information required from applicant

**PLANNING ASSESSMENT:****THE PROPOSAL:**

1. The application site comprises a plot of land adjacent to the detached dwelling of Plas Yn Foel. The plot and dwelling are accessed from a narrow steep road located in between 'Cartref' and 'Craigle'. The plot is hardsurfaced with several mature trees to the front of the site with Moel Hrradug to the rear of the site.
2. In the corner of the plot is a detached single storey building formerly in use as stables. This application is for a change of use to a dwelling with a small extension

on the southern side. The dwelling would comprise of 2 bedrooms, lounge/diner, kitchen and shower room. The proposal includes parking spaces for 2 cars, a small terrace to the western side and amenity space in the form of a garden area to the southern side of the stable.

**RELEVANT PLANNING HISTORY:**

3. 42/2003/1103/PO Outline application for the development of 0.07 ha of land. Refused 11/11/03 as land is outside the development boundary new residential development not acceptable.

42/610/99/PF Alterations and renovations to stable to form 1 no. dwelling.  
GRANTED with conditions 28/01/99

**PLANNING POLICIES AND GUIDANCE:**

4. DENBIGHSHIRE UNITARY DEVELOPMENT PLAN (adopted 3<sup>rd</sup> July 2002)  
Policy GEN 6 Development Control Requirements  
Policy HSG 9 Residential Conversions of Rural Buildings to Dwellings

**MAIN PLANNING CONSIDERATIONS:**

5. The main issues are considered to be:
  - i) Principle
  - ii) Visual Appearance
  - iii) Residential Amenity
  - iv) Highways
6. In relation to the main issues raised in paragraph 6 above:
  - i) Principle  
The principle of the proposal is acceptable. In terms of the Policy HSG 9 the agents have submitted a supporting letter which refers to the size and suitability of the building for residential purposes. It is not considered that a full employment test is necessary in this case due to the location of the proposal, the adjoining residential units and the access arrangements. The building is considered to be structurally sound and capable of conversion. The visual appearance is considered acceptable as discussed below. The conversion will not impact on the character and appearance of the area. It is located to the rear of the existing dwellings on Lower Foel Road and has a small curtilage with suitable boundary treatments.
  - ii) Visual Appearance  
The alterations have been designed to blend in with the existing stonework and masonry; the materials are also in keeping with the existing. The agent has also stated that the alterations to the fenestration and roofline have been designed to reflect the existing dwelling at Plas Yn Foel.
  - iii) Residential Amenity  
The proposal will not impact on the privacy and amenity of nearby occupiers. The proposal will not overlook the properties to the west on Lower Foel Road or cause a loss of amenity as it is located at a distance of 23 metres at an angle from the dwellings and the site is elevated well above the properties. There is adequate amenity space proposed for the dwelling.
  - iv) Highways  
The proposal will not impact on highway safety. There is adequate parking and turning space for two vehicles.

**SUMMARY AND CONCLUSIONS:**

7. The proposal is acceptable and is recommended for approval.

**RECOMMENDATION: GRANT-** subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of five years from the date of this permission.
2. No external wall or roof materials shall be applied until the written approval of the Local Planning Authority has been obtained to the proposed materials to be used for the external surfaces of the [walls [and roof(s)]] of the development hereby permitted and no materials other than those approved shall be used.
3. Notwithstanding the provisions of Class(es) A, B, D, E of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) Order 1995 (or any order revoking and re-enacting that Order with or without modification) no development permitted by the said Classes shall be carried out without approval in writing of the Local Planning Authority.
4. Space for the parking and turning within the site shall be provided in accordance with the approved scheme; such works shall be completed before the building is first brought into use and shall thereafter be retained solely for those purposes.
5. All planting, seeding, turfing, fencing, walling or other treatment comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupation of the dwelling and any trees or plants which, within a period of five years of the development, die, are removed or become seriously damaged or diseased shall be replaced in the next planting season with others of similar size and species.

The reason(s) for the condition(s) is(are):-

1. To comply with the provisions of Section 91 of the Town and Country Planning Act 1990.
2. In the interests of visual amenity.
3. In the interests of residential and/or visual amenity.
4. In the interests of highway safety.
5. To ensure a satisfactory standard of development, in the interests of visual amenity.

**NOTES TO APPLICANT:**

Your attention is drawn to the attached Highway Supplementary Notes Nos. 1, 3, 4, 5 and 10.

You are advised that a public right of way lies adjacent to the development. The right of way must not be disrupted during the duration of building works.

Area Of High. Arch. Interest

**PUBLICITY UNDERTAKEN:** Site Notice - Yes Press Notice - Yes Neighbour letters - Yes

**CONSULTATION RESPONSES:**

1. PRESTATYN TOWN COUNCIL  
"No objection. External appearance should include slated roof finish."
2. LANDSCAPE ARCHITECT  
Proposals acceptable.
3. CONSERVATION ARCHITECT  
Comments awaited on revised plans.
4. ENVIRONMENT AGENCY  
Recommendations in relation to finished floor levels and flood proof construction techniques. Surface water regulation will be required.
5. HEAD OF TRANSPORT AND INFRASTRUCTURE  
Require further details which are being dealt with as part of Section 278 Highways Agreement.
6. WELSH WATER  
Draw attention to the location of apparatus and need for drainage details.
7. PRESTATYN AND DISTRICT BUSINESS ASSOCIATION  
Fully approve of the proposals and hope that they proceed to improve Prestatyn and bring it into the 21<sup>st</sup> century.

**RESPONSE TO PUBLICITY:**

Letters of representation were received from:

1. Mostyn Rees and Sons, Central Garage, Nant Hall Road, Prestatyn.

2. Mrs Nancy Longley, 79 Garnett Drive, Prestatyn.
3. Mrs E Lewis, 245 Victoria Road, Prestatyn.
4. Mr D T Noone, 22 Aber Court, Prestatyn.

Summary of planning based representations

- i) Letter 1 refers to previous subsidence problems and need for ground conditions to be properly taken into account.
- ii) Potential congestion caused by new foodstore e.g. Abergele. (letters 2 & 3)
- iii) Potential impact on existing small businesses. (letters 2 & 3)
- iv) Letter 4 totally supports application.

**EXPIRY DATE OF APPLICATION: 11/01/2004**

**REASONS FOR DELAY IN DECISION:**

- Awaiting additional information from applicant.
- Submission and consultation on revised plans

**PLANNING ASSESSMENT:**

**THE PROPOSAL:**

1. The proposal seeks reserved matters approval for the design, external appearance and landscaping of a food store and petrol filling station granted outline planning permission in November 2000. The site is an irregularly shaped 2 ha area of land on the east side of High Street, containing a mix of commercial uses, vacant land and buildings, and adjacent highway land.
2. The outline application proposed the erection of a food store with cafeteria, petrol filling station and associated access, parking and servicing. Although in outline, siting and means of access were considered as part of the outline submission.
3. In granting outline planning permission, 12 no. conditions were imposed. The permission is subject to a Section 106 obligation requiring improvements to Church Lane and Gas Works Lane, provision and contributions to CCTV, provision of TIC, restoration of the listed station buildings, provision of car parking to allow linked town centre trips, tourism signage, and use of alternative access.
4. This reserved matters application seeks approval for a food store of modern design and materials comprising glazing and powder coated white cladding. The frontage to the High Street would be formed with a boundary wall in red brick and sandstone, incorporating a covered taxi rank. Behind the frontage wall would be a four island petrol filling station with kiosk in facing brick. Hard and soft landscaping will be provided to the site frontage and within the car park and to the site boundary. The application has been accompanied by a design statement.
5. The application includes for a landscaped pedestrian link to the south of the store to provide a connection to the land to the east which has the benefit of planning permission for retail development (see below)

**RELEVANT PLANNING HISTORY:**

6. 43/1997/0910/PO – Development of 2 hectares of land by erection of food store with cafeteria, petrol filling station, taxi kiosk and canopy, associated parking and servicing and access improvements – GRANTED 30<sup>th</sup> November 2000

43/2003/0341/PO – Development of 4.1 ha of land for food and non-food units, post office sorting office and business centre – GRANTED 19<sup>th</sup> May 2005

43/2005/1033/PF – Proposed commercial development for retailing and business.  
Resolution to GRANT planning permission on 23<sup>rd</sup> November 2005/

43/2005/0876/PS – Variation of condition 3 of planning permission reference  
43/1997/0910/PO seeking further extension of period within which development  
can commence – GRANTED 23<sup>rd</sup> November 2005 subject to development being  
begun before 30<sup>th</sup> November 2006 or before expiration of two years from the date  
of approval of the last of the reserved matters.

**PLANNING POLICIES AND GUIDANCE:**

7. DENBIGHSHIRE UNITARY DEVELOPMENT PLAN (adopted 3<sup>rd</sup> July 2002)
- Policy STRAT 5 – Design
  - Policy GEN 6 – Development Control Requirements
  - Policy CON 1 – Setting of Listed Buildings
  - Policy CON 5 – Development with Conservation Areas
  - Policy CON 6 – Development Adjacent to Conservation Areas
  - SPG 2 – Landscaping in New Developments
  - SPG 8 – Access for All
  - SPG 13 – Conservation Areas
  - SPG 14 – Listed Buildings

**GOVERNMENT GUIDANCE**

Planning Policy Wales (March 2002)

Technical Advice Note (Wales) 12 – Design (2002)

**MAIN PLANNING CONSIDERATIONS:**

- 8.
- i) Acceptability of design and external appearance
  - ii) Acceptability of landscaping
  - iii) Links to land to east
9. In relation to the main considerations in paragraph 7:
- i) Design and external appearance  
The store itself will be set back some 95 metres from the High Street frontage and some 50 metres to the east of the Conservation Area boundary. As such, whilst it would be visible from parts of the Conservation Area, the railway line and other vantage points, it would not be seen in the context of the High Street Conservation Area. Therefore, the use of a modern design and materials is considered acceptable and would comply with the relevant UDP policies and Government Guidance.

The design and materials to be used on the site frontage have been subject to discussions and the solution now offered of a hard landscape frontage with red brick boundary wall and sandstone detailing, combined with hard and soft landscaping, would provide an appropriate hard edge to the site and frontage. The design of the petrol filling station kiosk and canopy is low key and set behind the frontage wall. Whilst this would result in a new frontage to the High Street, it would lead to an overall enhancement in the Conservation Area and in the setting for the adjacent listed station building. As such it would comply with the relevant UDP policies and Government Guidance.

- ii) Landscaping  
A fully detailed landscaping scheme has now been submitted, following

discussions between officers and the applicant. This will result in an acceptable landscape treatment for the site and in the context of the surroundings.

iii) Links for land to east

Members will be aware that the Council has granted outline planning permission for retail development on land to the east and there is also a full planning application with a resolution to grant (see para 6). This reserved matters application has been amended to allow for a landscaped pedestrian link between the retail development. In addition, the elevations of the foodstore have been altered to provide a glazed aspect onto the land to the east. Both these elements will allow integration of the 2 schemes.

**OTHER MATTERS**

10. This application deals solely with the design, external appearance and landscaping of the development. Other matters such as drainage, ground conditions, and off site highway works are controlled by the outline planning permission and associated Section 106 obligation and proposed Section 278 Highways Agreement.
11. Members will be aware that the Compulsory Purchase Order is currently subject to a Public Inquiry which commenced on 14<sup>th</sup> March 2006. This will facilitate the assembly of the site to allow the planning permission and the details subject to this reserved matters application to be implemented.

**SUMMARY AND CONCLUSIONS:**

12. The details of design, external appearance and landscaping are acceptable in the context of the site, part of which lies within a conservation area, the adjacent listed buildings, and the surrounding area.

**RECOMMENDATION: APPROVE-** No conditions imposed

**NOTES TO APPLICANT:**

None

<b>ITEM NO:</b>	6
<b>WARD NO:</b>	Rhyl South
<b>APPLICATION NO:</b>	45/2006/0021/ PF
<b>PROPOSAL:</b>	Erection of restaurant incorporating ancillary takeaway and associated works
<b>LOCATION:</b>	Land at Clwyd Retail Park Rhyl Road Rhuddlan Rhyl
<b>APPLICANT:</b>	Pizza Hut (UK) Ltd.
<b>CONSTRAINTS:</b>	Tidal Floodplain C1 Flood Zone 250m Of Landfill Site
<b>PUBLICITY UNDERTAKEN:</b>	Site Notice - No Press Notice - No Neighbour letters - Yes

**CONSULTATION RESPONSES:**

1. RHYL TOWN COUNCIL  
"No objection subject to the following condition:-

The proposed use is likely to attract customers from events being held on the Brookes Showfield located in the vicinity of the site but separated by the A525 dual carriageway. The A525 has a maximum speed limit of 70mph. At least 2 events are held at the Showfield each week between Easter and September. Experience has shown that despite the presence of a designated crossing point, pedestrians seek to cross the A525 in the vicinity of the application site. The development of this site is likely to increase the number of persons crossing at this point. As such it is requested that a condition be attached to the application requiring permanent pedestrian barriers (or appropriate alternative) to be installed to ensure that pedestrians are directed to the designated A525 crossing point and are unable to cross the A525 at the application site. This is considered essential on the grounds of highway safety".

2. PUBLIC PROTECTION  
Advise that there are no comments to make.
3. HEAD OF TRANSPORT AND INFRASTRUCTURE  
Given the observations of both the Rhyl Town Council and response to publicity (see next paragraph) discussions have been undertaken with the Highways Officer and additional investigations undertaken. At the time of writing this report, a formal response was awaited, and will be reported at Planning Committee.
4. WELSH WATER  
Awaiting response.

**RESPONSE TO PUBLICITY:**

Letter of representation received from:

1. J. Banham, B & Q, Portswood House, 1 Hampshire Corporate Park

Summary of planning based representations:-

- i) Overintensification of site – junction to the Park currently suffering from peak period congestion.

**EXPIRY DATE OF APPLICATION: 20/03/2006**

**REASONS FOR DELAY IN DECISION:**

- timing of receipt of representations

**PLANNING ASSESSMENT:**

**THE PROPOSAL:**

1. This submission involves a relatively small scale, single storey building (floorspace approx. 400<sup>2</sup>), situated on the eastern boundary of the Clwyd Retail Park, and centrally positioned between the A525 Rhyl carriageway and the petrol filling station.
2. The square plot identified currently includes 11 tarmacadam car spaces of the existing 422 space car parking area, and an area of landscaping between the A525 and the Petrol Station. Vehicular access to the plot is intended via the existing Retail Park car parking area. The site is on a lower site level than the adjacent A525.
3. The adjacent A525 proposed use involves a restaurant (Class A3) use and an ancillary takeaway use intended for Pizza Hut with employment for 35-45 full time equivalent. A floorspace of approximately 130 is proposed. A detailed bin and bicycle storey area is also indicated.
4. The applicant has also submitted the following information in support of the application:-
  - Planning Statement
  - Car Parking Capacity report
  - Sequential Approach Statement
5. The proposal although in accordance with the company's profile, has incorporated design elements to blend with the existing retail park.

**RELEVANT PLANNING HISTORY:**

6. In terms of the present retail use of the site (prior to this use the site has a lengthy planning history involving caravans and tenting) the following are relevant:-

**RHU/157/90**

Class A1 non food retail, garden centre and Class A3 fast food restaurant, associated parking and service facilities – Appeal Upheld 29/01/91

**RHU/479/91**

Class A1 shop with Class A3 coffee shop and petrol station, parking and access – GRANTED 30/09/92

**RHU/495/91**

Retail park with superstore – Class A1 and A3 coffee shop, petrol filling station – GRANTED 30/09/92

**RHU/339/92**

Foodstore and sub-let shop unit with petrol filling station, car parking and access

and roundabout – APPROVED 10/11/92

**RHU/438/93**

Reserved matters application – Class A1 retail, garden centre plus parking –  
APPROVED 22/2/94

**PLANNING POLICIES AND GUIDANCE:**

7. DENBIGHSHIRE UNITARY DEVELOPMENT PLAN (adopted 3<sup>rd</sup> July 2002)
- Policy GEN 1 - Development within Development Boundaries
  - Policy GEN 6 - Development of un-annotated land
  - Policy GEN 10 - Development control requirements
  - Policy RET 7 - Fringe areas adjacent to Town & District Centres
  - Policy RET 16 - Food & Drink – Hot Food Takeaways
  - Policy REC 1 - Protection of existing open space
  - Policy REC 2 - Amenity and recreational open space requirements in new developments

Supplementary Planning Guidance

SPG 11 - Hot Food Takaways

SPG 21 - Parking Requirements in new developments

GOVERNMENT GUIDANCE

TAN 4 - Retailing and Town Centres together with Ministerial Interim Planning Policy Statement 02/2005 ' Planning For Retailing and Town Centres' November 2005

TAN 15 - Development and Flood Risk

**MAIN PLANNING CONSIDERATIONS:**

- 8.
- i) Flooding Implications
  - ii) Impact on town centre
  - iii) Highway – sustainability and accessibility implications
  - iv) Loss of landscape area
9. In relation to the considerations as noted in paragraph 8 above:-

- i) Flooding implications  
The site proposal is located within the fringe of the C1 Flood Risk Zone area, as outlined in the accompanying report location plan.

In relation to the Environment Agency observations and the guidance outlined in TAN 15; development can take place in C1 Zone areas subject to a justification test and acceptability of consequences. In this context, commercial and retail developments are classified as 'less vulnerable development', as opposed to the 'highly vulnerable' category involving residential development proposals.

Consideration should firstly be given to the implications of the type and scale of the development proposed and its acceptability and effect on existing development.

The Flood Consequence Assessment submitted by the applicant and presented to the Environment Agency highlights the following:

- The site forms part of an existing larger retail park, and forms part of its car park
- The floodplain extends from the River Clwyd to the west of the application site and beyond its flood defence banks

Given this situation, and the type and small scale floor area involved it would be difficult to substantiate that the proposal would adversely affect and increase the level of flooding and vulnerability of this specific retail park and locality, subject to controls on floor levels.

ii) Impact on town centre

The Planning and Sequential Statement submitted by the applicant highlights:-

- It is acknowledged that the proposal is not located within a town/district centre as defined in the current UDP, and consequently not strictly in accordance with criteria i) of Policy RET 116, which highlights a sequential approach. However, the proposal would serve the existing Park users, not new users as such;
- It represents the first of its type in the town and the nearest comparable one at Llandudno;
- It will form an integral part of the Retail Park facilities;
- Will meet the needs of the existing customer base;
- Class A3 uses are extremely common features at Retail Parks across the UK;
- Evidence demonstrates a quantitative and qualitative need, with no adverse impact on the existing centre vitality and viability;

Having regard to Policy RET 16 and the accompanying Supplementary Planning Guidance Note 11 Hot Food and Takeaways, the proposal has to be considered in the light of complying with the Council's twin objectives:-

- (a) retaining the retail character and vitality of commercial centres
- (b) safeguarding the character and amenity of the locality.

The proposal aims to ensure the visitor catchments of the existing retail park, emphasising a complementary role to the area as opposed to attracting new, additional customers who would otherwise visit the Town Centre. The applicant highlights that restaurants at retail parks do not act as a destination by their own. Given this context, it would be unrealistic to conclude that the proposal, particularly given the floorspace involved, would significantly override objective (a) highlighted above, and contrary to the aims of TAN 4 and criterion (i) of UDP RET 16. The primary function of the Park would remain retail.

In relation to the second objective, the proposal is compatible with the surrounding, neighbouring premises on the retail park, with the position/distance of residential properties some distance away from the proposal, to the north (see map with report).

iii) Highway – sustainability and accessibility implications

The primary aims of Planning Policy Wales and the Unitary Development Plan is to reduce/minimise the need to travel by the motor vehicle, through appropriate land use locations and providing a range of non-car mode of transport.

The Park is served by a bus service, with an adjacent cycle route running alongside the Park boundary on the A525.

The application also indicates an on-site provision for a 4 bike store facility. At the time of writing the report, the case officer has requested clarification on the design details and use of the facility. An update on this will be provided at Planning Committee.

The issue of pedestrian safety is also linked to the site's sustainability implications. Rhyl Town Council comments highlight an important consideration. Given that the location of the designated pedestrian crossing point (see report map) this is a relevant issue for the whole Retail Park, and not specifically to one restricted to this particular proposal. Having discussed the issues with the County Highway Officer, I consider that the existing highway safety issues can be remedied through appropriate/additional pedestrian control measures e.g. barriers on the A525. The Highway Officer is investigating the relevant means by which this could be undertaken. Given that pedestrians are also likely to utilize the shortest route to their destination, the case officer has also requested the applicant to liaise with the Highway Officer.

In terms of accessibility, and in relation to the objections submitted by B & Q involving intensification, the car parking report submitted by the applicant concludes that:-

- the proposed Pizza Hut use would increase car parking demand by a maximum of 30 spaces;
- taking this additional demand, the car park would be a maximum of 59.6% full, involving a Saturday lunchtime peak period. There would therefore be spare car parking capacity available.

Additionally, two (2 no.) disabled car parking spaces have also been indicated within the application site.

Given this context, the Highways Officer has indicated that there is no basis to object to the proposal, based on car parking intensification or safety issues.

- (iv) Loss of landscape area  
With an element of the existing landscaped area being retained between the proposed building and the main Park access road, the area to be removed is minimal and will not cause a significant amenity issue for the setting of the overall Retail Park area.

#### **SUMMARY AND CONCLUSIONS:**

10. The principle of the scale, type and use involved with the proposal is appropriate, given the location and surrounding land uses and in this case is considered not to compromise current UDP policies
11. There are further specific and detailed considerations which need to be confirmed, as outlined in the report, namely pedestrian safety; drainage implications; design/detail of waste and cycle storage.

12. Having regard to the above, I consider that subject to suitable conditions, the proposal has the potential to enhance the viability and vitality of the Retail Park, and as such, complying with the Council's land use objectives in this particular case.

**RECOMMENDATION: GRANT-** subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
2. No development shall take place until a scheme of foul drainage and surface water drainage has been submitted to, and approved by, the Local Planning Authority and the approved scheme shall be completed before the building(s) is(are) first occupied.
3. No development shall commence until details of the design, height and materials proposed for the screen wall(s) and/or fence(s) shown on the layout plan have been submitted to, and approved in writing by, the Local Planning Authority. Such screen wall(s) and/or fence(s) shall be erected before the building is completed or occupied whichever is the earlier.
4. No trees, hedges or shrubbery within the area hatched on the attached plan shall be felled, lopped or topped without the prior written consent of the Local Planning Authority. Any trees, hedgerow or shrubbery plants which die or are severely damaged or become seriously diseased within five years of the completion of the development shall be replaced with trees, hedgerow or shrubbery plants of such size and species to be agreed in writing by the Local Planning Authority.
5. All trees, hedges and shrubbery to be retained as part of the development hereby permitted shall be protected during site clearance and construction work by 1 metre high fencing erected 1 metre outside the outermost limits of the branch spread, or in accordance with an alternative scheme agreed in writing by the Local Planning Authority; no construction materials or articles of any description shall be burnt or placed on the ground that lies between a tree trunk or hedgerow and such fencing, nor within these areas shall the existing ground level be raised or lowered, or any trenches or pipe runs excavated, without prior written consent of the Local Planning Authority.
6. No external wall or roof materials shall be applied until the written approval of the Local Planning Authority has been obtained to the proposed materials to be used for the external surfaces of the [walls [and roof(s)]] of the development hereby permitted and no materials other than those approved shall be used.
7. The disabled parking spaces and bicycle storage area indicated on the approved layout shall be completed prior to the commencement of the use of the building hereby permitted.

The reason(s) for the condition(s) is(are):-

1. To comply with the provisions of Section 91 of the Town and Country Planning Act 1990.
2. To ensure satisfactory drainage of the site and to avoid flooding.
3. In the interests of residential and visual amenity.
4. To safeguard the existing trees and hedges on the site, in the interests of the visual amenities of the locality.
5. In order to ensure that trees and hedges to be retained are not damaged by building or engineering works.
6. In the interests of visual amenity.
7. In the interests of ensuring the completion of the bicycle storage area.

**NOTES TO APPLICANT:**

You are advised that a separate application for Advertisement Consent is necessary for the display of Advertisements on the site.

Additionally, you should liaise with the County Council's Highways Department with regard to the repositioning of the Clwyd Retail Car Park main site access advertisement display. Separate consent may also be required for this element of work.

**ADRODDIAD GAN BENNAETH CYNLLUNIO A GWARCHOD Y CYHOEDD**  
**DATBLYGIAD TAI YNG NGHEFN Y GWRYCH, GALLTMELYD**

**1. PWRPAS YR ADRODDIAD**

1.1 Ymateb i gais i roi'r adroddiad diweddaraf i'r Pwyllgor Cynllunio ynglŷn â'r datblygiad uchod.

**2. CEFNDIR**

- 2.1 Rhoddwyd caniatâd cynllunio amlinellol ar gyfer datblygiad preswyl o 18 anheddau ar safle 0.7 hectar ar apêl yn Nhachwedd 1997. Mae cynllun lleoliad yn dynodi maint y safle ynghlwm fel **Atodiad A** i'r adroddiad hwn. Adnewyddwyd caniatâd cynllunio yn Nhachwedd 2000. Rhoddwyd cymeradwyaeth materion ar gadw ar gyfer y cynllunio, ymddangosiad allanol a thirlunio'r datblygiad. Rhoddwyd amodau amrywiol yn ystod y cyfnod Tachwedd 2005 i Ionawr 2006 fel a ganlyn - amod 4 (deunyddiau), amod 5 (tirlunio), amod 7 (draeniad), amod 10 (ffordd stad), ac amod 11 (lleihau nifer moch daear). Yn hyn o beth, cyfarfuwyd â phob amod cyn-dechrau, ac eithrio materion yn ymwneud ag amod 8 (gweler isod).
- 2.2 Mae'r caniatâd cynllunio'n cynnwys amod (amod rhif 8) sy'n gofyn bod Cefn y Gwrych yn gaeedig neu fod traffig cerbydau yn cael eu hatal cyn bod unrhyw ddatblygiad yn cymryd lle, ac eithrio'r drafndiaeth sydd ei angen i sicrhau bod Cefn y Gwrych yn cael ei gau. Roedd geiriad yr amod wedi ei orfodi gan yr Arolygwr yn y penderfyniad apêl gwreiddiol yn 1997, ac mae wedi ei atgynhyrchu fwy neu lai fel rhan o'r penderfyniad i adnewyddu'r caniatâd cynllunio yn 2000. Mae'r amod erbyn hyn, fodd bynnag, yn golygu bod angen llwybr troed a chyswllt cerbyd argyfwng.
- 2.3 Yn ystod y cyfnod 20<sup>fed</sup> i 29<sup>ain</sup> Ionawr 2006, gwnaed ychydig o waith gan y datblygwr mewn perthynas â gwneud man troi ar ddiwedd Cefn y Gwrych. Daeth y Cyngor i'r casgliad, gan gymryd i ystyriaeth cyngor cyfreithiol, bod y gwaith hwn yn ddechreuad cyfreithlon i'r datblygiad. Felly, mae'r caniatâd cynllunio a ganiatawyd yn 2000 yn dal yn ddilys. Fodd bynnag, mae'r datblygwr yn analluog i ddechrau'r datblygiad preswyl ei hun hyd nes bod amod 8 wedi ei ddatrys.
- 2.4 Yn ystod y cyfnod ddiwedd Ionawr 2006, gwnaeth y swyddogion nifer o ymweliadau â'r safle datblygu i gofnodi'r gweithgarwch ac i gysylltu gyda'r datblygwr, preswylwyr lleol, a'r Aelod Lleol. Roedd hyn yn cynnwys nifer o

ymweliadau a thrafodaethau dros ben wythnos 28<sup>ain</sup> a 29<sup>ain</sup> o Ionawr.

- 2.5 Yn dilyn y cyfnod hwn o weithgaredd rhyddhawyd datganiad safle i'r preswylwyr lleol a phartïon eraill â diddordeb (gweler **Atodiad B** ymglymedig).
- 2.6 Yn Rhagfyr 2005 gwnaed cais gan y datblygwr i amrywio amod rhif 8 o'r caniatâd cynllunio, oedd yn ceisio, ym marn y Swyddogion, cael caniatâd am rywbeth llai na'r hyn ragwelwyd gan yr Arolygwr pan oedd yn gosod gorchymyn amod 8. Cafodd y cais hwnnw ei dynnu'n ôl cyn cael ei ystyried gan y Pwyllgor Cynllunio ar 22<sup>ain</sup> Chwefror 2006. Argymhellwyd bod y cais yn cael ei wrthod. Os bydd cais tebyg yn cael ei wneud bydd yn cael ei adrodd i'r Pwyllgor Cynllunio i'w benderfynu.
- 2.7 Gwnaeth y datblygwr gais hefyd i amrywio amod rhif 3 y caniatâd cynllunio, oedd yn ymwneud â'r dyddiad dechrau, yn Rhagfyr 2005. Mae'r cais hwnnw yn dal o dan ystyriaeth ond nid oes ei angen bellach gan fod y datblygiad wedi dechrau'n gyfreithlon.

### **3. CASGLIAD**

- 3.1 Bod y datblygiad wedi dechrau'n gyfreithlon.

It does not form any part of the application documents, and should not be taken as representative of the proposals to be considered, which are available for inspection prior to the meeting.

**APPENDIX A**

## APPENDIX B

### POSITION STATEMENT – HOUSING DEVELOPMENT AT CEFN Y GWRYCH MELIDEN

1. Outline planning permission was renewed by the Council in November 2000. This followed a grant of planning permission on appeal in November 1997. A reserved matters application was approved on 29 January 2004. Various conditions on the permission were discharged during the period November 2005 to January 2006.
2. The Council consider that the development permitted by the 2000 application has been lawfully commenced by operations carried out during the period 25 to 29 January 2006. This means that the permission is kept alive. The works comprise the provision of a turning head at the end of Cefn y Gwrych under the terms of Condition 8, and are considered necessary to secure the stopping up or closure to through vehicular traffic
3. Condition No. 8 can only be fully satisfied by stopping up of Cefn y Gwrych or prevention of use by vehicular traffic (other than emergency vehicles). The options would need to be facilitated by Stopping Up Order dealt with by the National Assembly for Wales or a Traffic Order dealt with by the Council as Local Highway Authority. With either Order there would be an opportunity to comment and/or object.  
**The housing development itself cannot be carried out until this matter has been resolved.**
4. Condition No. 9 of the planning permission states that “there should be no vehicular access to the site from Pwll y Bont, or from Cefn y Gwrych east of the proposed new estate road”. However, in imposing this condition on the original planning permission, the Inspector stated that “that the Council suggested a condition purporting to restrict routes used by construction traffic and building workers, but I do not consider this passed the tests of necessity or enforceability”. Thus, the condition cannot prevent access by construction vehicles and workers but only prevents access to the development once completed.
5. The developer has made an application to vary Condition No. 8 of the planning permission and this is likely to be considered by the Planning Committee of the Council on 22 February 2006.
6. The application to vary Condition No. 3 of the outline planning permission, relating to the period of commencement, is likely to be withdrawn in that the application is no longer necessary as the development has been lawfully commenced within the time limits set by condition no. 3.

ENF/006/97/S P13/8	Lleweni Coach House & Stables, Lleweni Park, Denbigh	27/10/99	Neglect of listed building	No unauthorised development. Site has been sold.	PPPS to monitor situation and liaise with developer.  Proactively monitoring site in liaison with Conservation and new owner.  NFA – Monitor until completion.
ENF/001/99/N P13/5	Elwy Bank, High Street, St. Asaph	09/05/00	Neglect of listed building	No unauthorised development simply a case of neglect of a listed building. Owner has completed interim works to improve the stability of the structure in accordance with Building Regulations.  Scaffolding now removed. Owner wants to retain the murals.  All existing openings boarded and painting black.  Planning application and application for listed building consent submitted April 2005 both of which were invalid due insufficient detail.	PPPS now awaiting required details to validate and process application, having met with owner to give advice.  Owner in contact with Officers with agreement reached for structural and painting works to be carried out.  Scaffolding now erected. Works in relation to above on-going.
ENF/133/00/S P7/560	Llyn Cyfynwy, Lake Hill Farm, Llandegla	25/07/01	Residential twin unit caravan	Notice served, no appeal submitted. Compliance date: 31/10/02. Caravan not removed as required by the Enf notice and there are allegations that owner has returned to reside in the caravan.  Therefore in breach of Notice.	PPPS to monitor site.  Notice no longer valid due to recent permission to retain on site.  NFA

REF. NO.	ADDRESS	COM'TTE	BREACH	NOTES	ACTION
				Planning permission granted for retention of caravan for office use for period of 18 months. Planning permission granted also for permanent office building.	Existing mobile office to go by April 2005 but possible breach of Condition 2 17/2004/791.  Monitoring in progress. Site visit required. Invalid application submitted.
ENF/2003/0016 P7/601	208 High Street, Prestatyn	23/04/03	Unauthorised stall riser to shop front in Conservation Area.	Enforcement Notice re-served 16 December 2004.  Owner has already complied with other breach at this property with the removal of unauthorised signage and roller shutters.  Owner in breach of Notice relating to the unauthorised stall riser.	<b>Meeting with the owner to be arranged to progress compliance and give advice on alternative details for the stall riser.</b>  Owner to remove stallriser and reinstate. Works to be done in next month.  Chase up or further prosecution.
ENF/2001/005 P7/565	'Patina', 204 High Street, Prestatyn	25/07/01	Installation of roller shutter in Conservation Area	Trial held on 13/02/04 and defendant found not guilty on basis of technicality relating to serving of notice. Notice re-served 16 December 2004. Appeal lodged – written representations.  Appeal dismissed April 2005. Have agreed with owner of business that the time period for compliance be extended to end of September 2005 (to cover peak season) after which roller shutters will be removed.	PPPS to monitor compliance.  <b>Write to owner mid September to advise of need to take the shutters down after the end of September. If the occupier of the shop leaves then chase S. Aslam for their removal – he will remove given that he removed shutters from 208.</b>  As above. Mr. Aslam willing to co-operate.
