

**Agreed Syllabus Conference Recommendation**

In response to the request from the Wales Association of SACREs, Denbighshire SACRE and LEA agreed to request the Agreed Syllabus Conference for Denbighshire to formally resolve that the Review of the Agreed Syllabus for Denbighshire, required by statute to take place during 2007, be postponed pending the outcomes of the National Curriculum Review currently underway by ACCAC.

Review of the Denbighshire Agreed Syllabus for Religious Education can then be undertaken at a later date, in the full knowledge of the National Curriculum Review Recommendations, and in tandem with other LEAs, SACREs, and advice and support that may be offered from ACCAC and WASACRE.

This resolution, if adopted, would mean that Agreed Syllabuses in Wales would be working to the same time scale for subsequent Reviews, and will enable ACCAC to offer appropriate and timely guidance and direction.
