A strategic or service plan

2. What is the purpose of this proposal / decision, and what change (to staff or the community) will occur as a result of its implementation?

<p>The proposal is for Council to formally adopt the Denbighshire Local Development (LDP).</p>
--

<p>The LDP is a statutory plan and sets out locations and policies directing future development and land use in the county until 2021. It therefore has an important role in meeting the needs of the County's population and protecting or enhancing the environment.</p>
--

<p>Preparation on the LDP began in 2006 and there has been extensive public consultation and evidence gathering throughout. A comprehensive Equality Impact Assessment was carried out on the content of the LDP and reported to a meeting of full Council in May 2011. The current proposal relates solely to the requirement for the Council to formally adopt the LDP for use in determining planning applications.</p>
--

3. Does this proposal / decision require an equality impact assessment? If no, please explain why.

*Please note: if the proposal will have an impact on people (staff or the community) then an equality impact assessment **must** be undertaken*
