
RECORD OF DECISION BY CABINET MEMBER

Decision taken by:

Lead Member for Environment and Transport

Date of Decision:

22 September 2022

Date of publication of decision:

22 September 2022

Decision:

CONTAINER PROCUREMENT FOR WASTE REMODELLING PROJECT

Agreed to award direct award of contract for the delivery of dry recycling containers to support the new waste model and that the decision is implemented immediately due to the risk of cost increase or delay to the delivery due to uncertain market factors.

Purpose of Decision:

The decision relates to the procurement of dry recycling containers (Trollibocs) to support the new waste model (kerbside sort). The decision enables a direct award of contract to the supplier following a PIN Notice exercise in March 2022.

Reasons for Decision:

To approve a direct award of contract to enable an order to be placed for the new dry recycling containers and supplementary items as detailed in Appendix 1 (Part 2 Item).

Interests Declared:

No interest to declare

Consultation:

The Project Board, chaired by the Corporate Director – Environment and Economy (who acts as the Project Executive) meets approximately monthly and at each Project Board updates on risk and the latest position costs are presented for review and action as required.

The overall principle of moving to a new waste delivery model, inclusive of delivery of new kerbside sort recycling containers, was originally approved at SIG and Cabinet in December 2018 and subsequent updates have been presented at Communities Scrutiny in October 2019 and May 20221 and

Cabinet Briefing in March 2021.

Authority for delegation of the decision to the Cabinet Member:

See Scheme of Delegation.
