Decision:

ADFERIAD LAKE AVENUE CONTRACT EXTENSION- HSG FUNDED

To approve the extension of the Adferiad Lake Avenue supported housing project funded by the Housing Support Grant (HSG).

Purpose of Decision:

The approval to extend the Adferiad Lake Avenue project further to allow us to consider opportunities of remodelling the mental health services funded by HSG. This includes exploring the option of merging a number of mental health contracts into one, to allow for a more flexible and needs-led service offer.

Reasons for Decision:

Due to the change in landscape we are taking the opportunity to review this, and the other mental health contracts holistically to improve the citizen journey in line with our Strategic Vision and Rapid Rehousing.

Interests Declared:

No interest to declare.

Consultation:

The request to extend this contract has been made by the Head of Service and Service Manager. The decision was taken after an internal team meeting where a review of current job roles, responsibilities and provision took place. It was concluded that further work is to take place to identify any gaps in provision and look at remodelling all 5 HSG mental health projects to ensure a more streamlined, accessible service.
