7 NOTICE OF MOTION

Councillor Arwel Roberts put forward the following Notice of Motion for consideration by full Council.

"It has been brought to my notice that there is prevalence of flying drones around Rhuddlan and Rhyl at present. Technology is a marvellous thing but it seems that these flying machines hover over people's houses and gardens. The law states that they cannot be flown over built up areas or within 50 metres of people you don't have control over.

These drones can be bought quite cheaply with cameras fitted on them, they are affordable and therefore accessible to anyone.

I believe that they have been banned in London's Royal Parks and there should be an exclusion zone over all parks and beaches in Denbighshire.

A trip to the local park or beach could result in some angry parents and if you send these remote control drones over people's property it will not go down very well.

These drones should be banned over all Denbighshire's public places."

8 COUNTY COUNCIL FORWARD WORK PROGRAMME (Pages 31 - 34)

To consider the Council's forward work programme (copy attached).
