8 **WASTE TRANSFER STATION NETWORK**

9 **ANY OTHER BUSINESS**

NORTH WALES RESIDUAL WASTE JOINT COMMITTEE

Monday 27th June, 2016 at 10.00am
Optic Glyndwr, St. Asaph

PRESENT:

Councillor Eryl Williams	Denbighshire County Council
Councillor Cllr Richard Dew	Isle of Anglesey County Council
Councillor Goronwy Edwards	Conwy County Borough Council
Councillor Kevin Jones	Flintshire County Council
Councillor John Wynn Jones	Gwynedd County Council
Councillor J. Arwel Roberts	Isle of Anglesey County Council
Councillor David Smith	Denbighshire County Council

ALSO PRESENT:

Flintshire County Council

Colin Everett (Lead Chief Executive), Gareth Owens (Monitoring Officer), Gary Ferguson (Corporate Finance Manager)

Denbighshire County Council

Meirion Edwards

Conwy County Borough Council

Geraint Edwards

Gwynedd Council

Medwyn Williams (Senior Manager – Waste Treatment)

Isle of Anglesey County Council

Dewi Williams (Head of Service – Highways and Waste Management)

North Wales Residual Waste Treatment Project

Steffan Owen (Project Manager)

1. APOLOGIES

Apologies for absence were received from Councillors Dave Cowans (Conwy County Borough Council) and Aaron Shotton (Flintshire County Council)

2. DECLARATIONS OF INTEREST

No declarations of interest were made.

3. ELECTION OF CHAIRMAN AND VICE-CHAIRMAN TO THE JOINT COMMITTEE

Nomination put forward, Councillor Eryl Williams, Denbighshire County Council, to be voted in as Chair.

Nomination put forward, Councillor Kevin Jones, Flintshire County Council, to be voted in as Vice-Chairman.

RESOLVED:

*That Councillor Eryl Williams be elected as the Chair; and
That Councillor Kevin Jones be elected as the Vice-Chairman.*

4. **APPROVAL OF PREVIOUS MINUTES**

The minutes of the meeting of the North Wales Residual Waste Joint Committee held on the 7 December 2015 were submitted for approval.

RESOLVED: *that the minutes of the meeting of the North Wales Residual Waste Joint Committee held on 7 December 2015 be approved as a correct record.*

4. **MATTERS ARISING FROM PREVIOUS MINUTES**

There were no matters arising.

5. **ANNUAL ACCOUNTS**

Gary Ferguson, Corporate Finance Manager (Flintshire County Council), introduced the Annual Return Year ended 31st March 2016. The Annual Return must be signed off by the Responsible Finance Officer and approved by the Joint Committee before the deadline of 30th June. The audit commences after the Joint Committee has approved the Annual Return.

Reference was made to the statement of income and expenditure/receipts and payments, which was attached at appendix 1 of the report. The appendix provided details of staff costs and total other payments including the funding received from Welsh Government for each year.

Gary Ferguson referred to the figure under the heading 'Total other receipts; shown on page 10 of the agenda and explained that this figure should be corrected from 267,950 to 287,950. This had been amended in the final copy to be signed by the Chair.

RESOLVED: *That the Annual Return for the year ended 31st March 2016 be approved.*

6. **PROGRESS REPORT**

Colin Everett, Lead Chief Executive (Flintshire County Council) provided a detailed progress report, with specific reference to notification being received from the Welsh Government (WG) on the award of the grant which was valued at £5.62m annually over the contract's 25 year operational term.

Steffan Owen, Project Manager outlined the draft budget for 2016/17 as detailed in Appendix 1 of the report. The draft budget had been split into two to reflect the project moving towards Financial Close.

All other issues would be covered within the remaining agenda items.

RESOLVED: *That the progress report be noted.*

7. WASTE TRANSFER STATION NETWORK

Steffan Owen, Project Manager, introduced an update on progress towards securing a site(s) for a Waste Transfer Station(s) (WTS) in Conwy and/or Denbighshire. At the outset of the procurement process it was recognised that all authorities would need to transport their residual waste from their own authorities to wherever the treatment site was located. Conwy County Borough Council were the only partnership authority to not have their own waste transfer station within their boundary, therefore conducted a site search process to identify a site for a waste transfer station to be funded by the partnership.

Following extensive discussions at the Project Board, it was agreed that the most efficient solution was for Conwy and Denbighshire to both develop their own WTS. The Project Board have received regular updates from both Conwy and Denbighshire on progress of developing their own WTS's and a detailed update was provided within the report.

Councillor Kevin Jones asked whether additional transport costs would be incurred with having 2 separate WTS. Steffan Owen confirmed that there would be no financial impact to the partner authorities.

Steffan Owen reported that the technical officers would determine the method for cost apportionment, be that through tonnages (e.g. residual waste tonnage as a proportion of the total waste/recyclate dealt with at the site), or some other method such as an independent expert's determination if a tonnage calculation was not deemed suitable.

Councillor Kevin Jones asked how the proposals were fit in with the Welsh Government's collaborative working agenda. Colin Everett, Chief Executive (Flintshire County Council) advised that the proposals did not have a negative impact on the grant offer from the WG who were supportive with finding a logistical solution.

RESOLVED: *That the report be noted.*

8. SECOND INTER AUTHORITY AGREEMENT

Gareth Owens, Monitoring Officer (Flintshire County Council) introduced an update on progress on discussions on finalising the second Inter-Authority Agreement (IAA2). A summary of all considerations and areas of discussion were detailed within the report. As a result of the discussion, a small number of amendments were agreed to the document which were

highlighted in the Lead Legal Officer's report attached at Appendix 2 of the report.

Councillor Kevin Jones asked for clarification on the reduction in types of materials in years ahead and asked whether this would have a knock on effect to the gate fee and percentage of material diverted. Gareth Owens explained that WTI have allowed authorities 5,000 tonnes of waste to be pre-sorted before it gets to WTI. The IAA2 makes arrangements on how that would be split between authorities.

RESOLVED:

(a) *That the report be noted; and*

(b) *That the amendments to the IAA2 documents as outlined in the report be approved.*

9. **EXEMPT ITEMS: LOCAL GOVERNMENT ACT 1972, SECTION 100A AND SCHEDULE 12A (ACCESS TO INFORMATION)**

RESOLVED *that the Public and Press be excluded from the meeting under the provisions of Section 100A of the above Act during consideration of the following item as it involves the likely disclosure of exempt information as defined in paragraph 14 of Part 4 of Schedule 12A to the Act and that in all the relevant circumstances, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.*

10. **PROCUREMENT UPDATE**

Colin Everett, Chief Executive (Flintshire County Council) gave a detailed update on progress with WTI in reaching Financial Close. The report provided details on the key areas of discussion which were outstanding in December 2015.

A number of questions were raised around the timetable, 3rd party waste, cost implications and implications of the Environment Act. Colin Everett and Steffan Owen provided detailed responses to the questions.

Members were assured that all previous technical, financial and legal-commercial issues had been closed without any concerns.

RESOLVED-

(a) *That the report be noted; and*

(b) *That delegated authority be given to the Lead Chief Executive to proceed to Financial Close and sign the contract on behalf of the authorities subject to the conditions set out in 3.6 of the report being fully met; and*

(c) *That a meeting of the Joint Committee be arranged prior to Financial Close.*

7. **ANY OTHER BUSINESS**

The Chairman expressed their thanks to Steve Parker (Denbighshire County Council) and Councillor Mike Priestley (Conwy County Borough Council) and suggested that a letter be written to them wishing them well and thanking them for their input.

(The meeting ended at 11.20 am)

NORTH WALES RESIDUAL WASTE TREATMENT PROJECT PROGRESS REPORT

PROJECT BOARD

Date : 24th November 2016

Period: 20 June 2016 to 24 November 2016

PROJECT SUMMARY

To procure a sustainable waste management solution for the 5 local authorities in North Wales (Conwy, Denbighshire, Flintshire, Gwynedd and Isle of Anglesey) that will assist with the reduction in greenhouse gas emissions from landfill and will minimise the tonnage of waste residue sent to landfill thus ensuring that the authorities avoid Landfill Allowance Scheme (LAS) infraction penalties and meet National Waste Strategy targets.

PROJECT STATUS

Overall Project Status	
Green	<p>The procurement is now in its final phase, with all commercial discussions closed. Financial Close and contract awarded are targeted for early December.</p> <p>Final iteration of the Inter Authority Agreement is to be distributed to partner authority imminently (prior to Joint Committee meeting).</p> <p>Full update is in agenda item 8.</p>

Budget status	
Green	Budget v expenditure for financial year to date will be provided at the meeting.

Status	Meaning
Green	There are no problems; all is progressing well and to plan
Amber	There are some minor/ less significant problems. Action is needed in some areas but other parts are progressing satisfactory

Red	There are significant problems and urgent and decisive action is needed.
