	title)			
Information Report	Glyndŵr University	To consider current and future developments for the college locally and the educational services delivered for Denbighshire students (including data on student enrolment/qualifications; progression e.g. apprenticeships, employment or FE; how the College works with Denbighshire schools and further education establishments which educate Denbighshire residents; financial information i.e. funding and spending; other partnership arrangements). The report also to include details of the College's vision and ambitions for the future. Consideration of the requested information will assist members to determine whether the College is delivering a high quality of education which meets the needs of Denbighshire students and contributes to the County's economic development ambition.	Professor Michael Scott	September 2013
Information (January/February 2014 – follow-up to the information report produced in September 2013)	Regional Emergency Planning Service	To report the progress to date with the establishment of a regional service and the transitional arrangements from the present service to the new regional service, the development of a partnership Service Level Agreement (SLA), along with details of the appointment of a Manager and Deputy Manager. Consideration of this information will ensure the provision of a resilient and robust Emergency Planning Service that will meet the needs of local residents when emergency situations occur	Rebecca Maxwell/Mike Hitchings	September 2013
