## **Progress with Committee Resolutions**

Date of Meeting	Item number and title	Resolution	Progress
6 February 2014	5. Regional School Effectiveness and Improvement Service (GwE)	Resolved: -  (i) to note the progress achieved to date following the establishment of GwE with respect to its effectiveness in delivering economies of scale and specialist support to complement the County's Education Service;  (ii) that GwE attend future scrutiny committee meetings upon receipt of teacher assessment and external examination results for the 2013/14 academic year to enable members to identify any slippages, risks, service gaps or future pressures with a view to recommending mitigating actions; and  (iii) that the Scrutiny Chairs and Vice-Chairs Group determine which scrutiny committee should receive future GwE reports	Will be scheduled into future work programmes once the Scrutiny Chairs and Vice-Chairs Group decide on the most appropriate committee.  The Group discussed this matter at its meeting on 11 March and decided that Performance Scrutiny Committee should consider any future reports from GwE.
	8. Second Inter- Authority Agreement for the North Wales Residual Waste Project (NWRWTP)	Resolved: - to recommend to Cabinet that it:  (a) support the selection of the preferred bidder; and (b) support the principles outlined in the draft IAA2	Scrutiny's recommendations were relayed to Cabinet and Council. Cabinet on 18 February approved the award of the preferred bidder and the principles of

	the draft IAA 2. Both of these were endorsed by
	County Council on 25
