

**Denbighshire County Council
Standing Advisory Council for Religious Education
(SACRE)**

Date of Meeting:

16 June 2014

Agenda Item:

7

**WORKING WITH RELIGIOUS
COMMUNITIES**

Background

The capacity of SACRE to monitor and support schools has been discussed at previous meetings.

Purpose

To create a resource to help inform churches (religious denominations and groups) on how they can work with their local schools and in turn to explore how schools can make the most of links with the local religious communities.

Recommendations:

- To discuss the requirements of a potential resource
- To plan the possibility of a 'break out group' to develop this resource.
