# Corporate Debt Policy

## 1. What type of proposal / decision is being assessed?

A new or revised policy

## 2. What is the purpose of this proposal / decision, and what change (to staff or the community) will occur as a result of its implementation?

To deal with customer indebtedness to Denbighshire County Council in a holistic, fair and sensitive manner. The change to the customer / community is to try to resolve payment indebtedness to individual services from one central point, rather than at present and also to signpost cases to the third sector for specialised support.

## 3. Does this proposal / decision require an equality impact assessment? If no, please explain why.

**Please note:** if the proposal will have an impact on people (staff or the community) then an equality impact assessment **must** be undertaken

No	This policy will benefit all customers within DCC regardless upon age, gender, ethnicity, religion, belief, sexual orientation etc. because it is treating the customer as a single entity, rather than a debtor of multiple departments, as such it simplifies and assists in the resolution of debts owed to the Council
