

Progress with Committee Resolutions

Date of Meeting	Item number and title	Resolution	Progress
23 April 2015	5. Rationalisation of Precautionary Gritting Routes	<i>RESOLVED – that, subject to the above and the distribution of the proposals to Member Area Groups for information, Communities Scrutiny Committee endorse the route changes for precautionary gritting.</i>	Lead Member and Officers informed of the Committee's recommendation
	6. Better Regulation of Caravan Sites	<i>RESOLVED – that subject to the above observations:- (a) the Committee support the direction of the project to date and acknowledge the potential extent of the work in hand; and (b) the results of the scoping work and the draft strategy options for more effective regulation of caravan sites be presented to the committee in the summer of 2015.</i>	(b) report scheduled for presentation to the Committee at its next meeting on 9 July 2015
