PLANNING ASSESSMENT:

1. THE PROPOSAL:

1.1 Summary of proposals

- 1.1.1 Planning permission is sought for the erection of a covered smoking area to the front of Apollo Bingo Hall, High Street Rhyl.
- 1.1.2 The covered area would be created by erecting a mono-pitch roof with parapet fascia between the entrance foyer, and adjacent retail unit. The external finish would match the existing fascia of the entrance foyer.
- 1.1.3 The proposed roof area would be 3.1 metres above street level, and project 2.1 metres from the front elevation of the building.
- 1.1.4 The other alterations proposed are either cosmetic or internal. These details are considered in the accompanying Listed Building application.

1.2 Description of site and surroundings

- 1.2.1 The building is a grade II listed building, and occupies a prominent location on one of the main routes into Rhyl.
- 1.2.2 The building is a former Odeon cinema constructed in 1937. It is constructed of red brick, and is detailed in an 'Art Deco' style, with tiled façade to the entrance. There are 4 vacant retail units adjacent to the proposed site of the covered smoking shelter.
- 1.2.3 The surrounding uses are predominantly commercial and retail.

1.3 Relevant planning constraints/considerations

- 1.3.1 The building is a Grade II listed building, located in the Rhyl Conservation Area

1.4 Relevant planning history

- 1.4.1 Planning permission was granted in 2012 for a similar scheme, however, given the minor changes to the external finishes and the buildings listed status, it was considered that a fresh planning application and listed building consent application were required.
- 1.4.2 An application for listed building consent has been submitted along side this current application.
- 1.4.3 There has also been an application for advertisement consent submitted which deals with the new signage and lighting.

1.5 Developments/changes since the original submission

- 1.5.1 None

1.6 Other relevant background information

- 1.6.1 None

2. DETAILS OF PLANNING HISTORY:

45/2012/0893.LB - Listed Building Application for replacement external signs and external refurbishment to existing entrance to 133 High Street and replacement of shopfronts to 135, 137, 139 and 141 High Street, and internal alterations GRANTED – 24/10/2012

45/2012/0762/PF - Alterations to existing façade, erection of canopy/shelter to High Street elevation and replacement shop fronts to 135, 137, 139 & 141 High Street GRANTED 24/10/2012

45/2012/0763 - Alterations to existing façade including display of externally-illuminated fascia sign, internally-illuminated hanging sign and internally-illuminated letters sign GRANTED 24/10/2012

3. RELEVANT POLICIES AND GUIDANCE:

The main planning policies and guidance are considered to be:
Denbighshire Local Development Plan (adopted 4th June 2013)
Policy RD1 – Sustainable development and good standard design
Policy PSE8 – Development within town centres
Policy VOE1 - Key areas of importance

3.1 Supplementary Planning Guidance

Listed buildings
Conservation Areas

3.2 Government Policy / Guidance

Planning Policy Wales Edition 7 July 2014
Technical Advice Notes
WO Circular 61/96

4. MAIN PLANNING CONSIDERATIONS:

In terms of general guidance on matters relevant to the consideration of a planning application, Planning Policy Wales Edition 7, July 2014 (PPW) confirms the requirement that planning applications 'should be determined in accordance with the approved or adopted development plan for the area, unless material considerations indicate otherwise' (Section 3.1.2). PPW advises that material considerations must be relevant to the regulation of the development and use of land in the public interest, and fairly and reasonably relate to the development concerned., and that these can include the number, size, layout, design and appearance of buildings, the means of access, landscaping, service availability and the impact on the neighbourhood and on the environment (Sections 3.1.3 and 3.1.4).

The following paragraphs in Section 4 of the report therefore refer to the policies of the Denbighshire Local Development Plan, and to the material planning considerations which are considered to be of relevance to the proposal.

4.1 The main land use planning issues in relation to the application are considered to be:

4.1.1 Principle

4.1.2 Visual amenity (including impact on Listed building and conservation area)

4.2 In relation to the main planning considerations:

4.2.1 Principle

The proposal is for the erection of extension to an entrance canopy. The site is located within the development boundary. It is considered that the general principle of development is acceptable in such instances subject to an assessment of the detailed impacts of the proposal.

4.2.2 Visual amenity (including impact on Listed building and conservation area)

Local Development Plan Policy RD 1 test (i) requires due regard to issues of siting, layout, form, character, design, materials, aspect, microclimate and intensity of use of land / buildings and spaces between buildings, which are matters relevant to the visual impact of development; test (vi) requires that development does not unacceptably affect prominent public views into, out of, or across any settlement or area of open countryside; test (vi) requires the incorporation of existing landscape or other features, takes account of site contours, and changes in levels and prominent skylines; and test (xiii) requires the incorporation of suitable landscaping measures to protect and enhance development in its local context.

Policy VOE 1 looks to protect sites of built heritage and conservation areas from development that would adversely affect them. Development proposals should maintain and wherever possible, enhance these areas for their characteristics, local distinctiveness and value to local communities.

The proposed external alterations would include repair work and extension to the existing canopy. The proposed extension would mirror the form of the existing canopy and extend it by 5 metres in width, and 2.1 metres in depth. The fascia would be in the corporate colours of Apollo bingo's. The Council's Conservation Architect has not raised an objection to the proposal.

It is considered that the additional canopy is designed to reflect the art deco origins of the building, and given the scale of the building, would appear as a low key addition. With respect to the Town Council's comments, it is not considered that the proposal would have an adverse impact upon the character and appearance of the building and surrounding conservation area.

5. SUMMARY AND CONCLUSIONS:

5.1 It is considered that the proposal would not be unacceptable in terms of its impact upon the character of the listed building or surrounding conservation area. The proposal is therefore considered to comply with adopted planning policy.

RECOMMENDATION: GRANT- subject to the following conditions:-

1. The development to which this permission relates shall be begun no later than the expiration of five years beginning with the date of this permission.

The reason for the condition is :-

1. To comply with the provisions of Section 91 of the Town and Country Planning Act 1990.
