# Consultation Draft Site Development Brief – Land adjoining former HM Stanley Hospital, St. Asaph

**Contact:** Angela Loftus, Planning & Public Protection Service  
**Updated:** 16/09/15

## 1. What type of proposal / decision is being assessed?

A new or revised policy
-------------------------

## 2. What is the purpose of this proposal / decision, and what change (to staff or the community) will occur as a result of its implementation?

The proposal is to seek approval from Planning Committee to carry out public consultation on a draft Site Development Brief for two housing allocations adjoining the former HM Stanley Hospital in St Asaph. If adopted, following public consultation, this will have the status of Supplementary Planning Guidance and will be used in the determination of planning applications on these allocations.
--

## 3. Does this proposal / decision require an equality impact assessment? If no, please explain why.

*Please note: if the proposal will have an impact on people (staff or the community) then an equality impact assessment **must** be undertaken*

No	The proposal is to to carry out public consultation on planning guidance relating to development of two allocated housing sites. The sites were allocated in the Denbighshire Local Development Plan. The content of the Site Development Brief therefore does not set policy but merely provides additional explanation and guidance for Members, Officers and developers regarding site constraints and the principles of development for the site. The LDP underwent a full EqlA prior to adoption in 2013.
