3. Does this proposal / decision require an equality impact assessment? If no, please explain why.

*Please note: if the proposal will have an impact on people (staff or the community) then an equality impact assessment **must** be undertaken*

NO!

Supplementary Planning Guidance (SPGs) notes amplify Denbighshire Local Development Plan 2006 - 2021 (LDP) policies in a clear and concise format with the aim of improving the process, design, and quality of new development. They do not set out any new policies or prescribe action programme.

This draft SPG is linked to LDP Policy VOE5 'Conservation of natural resources', which was assessed as part of the LDP document production - see Denbighshire LDP 'Equality Impact Assessment Report (May 2011)'. It was concluded in table2: 'Screening of the Denbighshire Local Development Plan policies' that this policy is likely to 'Promote equality

	of opportunity by increasing people’s opportunity to enjoy and experience nature.’; and no EqIA is required because ‘this policy is considered to have positive impacts on all groups’.
