Appendix 4 - Major Capital Projects Update March 2016

Rhyl Harbour Development

Total Budget	£10.784m
Expenditure to date	£10.731m
Estimated remaining spend in 2015/16	£ 0.040m
Future Years estimated spend	£ 0.013m
Funding	WG £2.755m; WEFO £5.950m; Sustrans £0.700m:
	RWE £155k; WREN £83k and DCC £1.141m
Comments	Programme
	Work is on-going to rectify any remaining defects
	associated with works undertaken at the harbour, which
	includes a review of the current maintenance schedule
	for the bridge.
	The works to protect the base of the new quay wall are
	estimated to be complete by the end of April; the work
	was delayed due to the flood water in the harbour.
Forecast In Year Expenditure 15/16	£0.335m
i orccast iii rear Experialtare 15/10	20.000111

21st Century Schools Programme – Bodnant Community School Extension and Refurbishment

Total Budget	£3.581m
Expenditure to date	£2.400m
Estimated remaining spend in 15/16	£0.400m
Future Years estimated spend	£0.781m
Funding	WG £1.687m, DCC £1.894m
Comments	Bodnant Community School
	This scheme is one of five projects within the Band
	A proposals for 21st Century Schools
	Programme.
	The project will build 7 classrooms, a new school
	hall and supporting facilities on the current
	Juniors site. This will allow the Infants pupils to
	move to the Juniors site and the school to
	operate on a single site. The Infants site will then
	become surplus to requirements.
	become surplus to requirements.
	Further external works are being progressed and
	the installation of the internal provision is
	continuing.
	Continuing.
	The project is on schedule to be handed over to the
	client in advance of the new school year in
Fare and In Very Fun and there 45/40	September 2016.
Forecast In Year Expenditure 15/16	£2.307m

21st Century Schools Programme - Rhyl New School

Total Budget	£24.586m
Expenditure to date	£20.335m
Estimated remaining spend in 15/16	£ 0.974m
Future Years estimated spend	£ 3.277m
Funding	DCC £12.293m; WG £12.293m
Comments	The project will provide a new school building for
	Rhyl High School to serve up to 1,200 pupils in
	mainstream education whilst also housing
	approximately 45 pupils from Ysgol Tir Morfa, the
	community special school in Rhyl.
	The school building and hard external spaces for the
	pupils were handed over on 14 th March 2016, and
	following snagging works and the final installation
	of the ICT the pupils moved into the building as
	scheduled on 13 th April.
	The elevated link to the Leisure Centre is completed
	and will be handed back at the beginning of May
	when the new pupil entrance to the Leisure Centre
	is complete and ready for use.
	The PE block is making good progress and is
	scheduled for handover in June. The external
	cladding works to the Leisure Centre continue to
	make progress.
	make progress.
	The old school building has been cleared and was
	handed over to the Contractor on 5 th April for the
	second phase of the works. Asbestos surveys and
	removal will take place before the buildings are
	demolished and the new playing fields created in
	their place. Works will also be undertaken to the
	main entrance road and to the car parking on this
	site; there will inevitably be disruption to users on
	the site during this next phase, and arrangements
	have been made to minimise disruption and to keep
	the Leisure Centre customers and the school
	informed. The anticipated completion date of the
	project is August 2016. There is ongoing
	consultation with key stakeholders.
Forecast In Year Expenditure 15/16	£15.539m

21st Century Schools Programme – Ysgol Glan Clwyd

Estimated remaining spend in 15/16 £	2.144m
	0.400
	0.400m
	13.356m
Ŭ	OCC £8.410m; WG £7.490m
Comments Th	his scheme is one of five projects within the Band
A	proposals for 21st Century Schools Programme.
Th	he project will deliver an extended and
re	efurbished Ysgol Glan Clwyd to accommodate a
lo	ong term capacity of up to 1250 pupils via a new
th	hree storey extension, partial demolition of
	xisting buildings and refurbishment of the retained uildings.
	he project will also see extensive landscaping, with
	reation of new outdoor hard & soft landscaped
	reas including a new sports field, extended and
	•
	ationalised car park and coach parking.
In	n association with Phase 1, work on the bulk muck
	hift is now complete. The pad foundations are in
	nd the steel frame is now well underway including
	nstallation of the first precast concrete stairs. The
	ontractor is hoping to commence installation of
	he metal deck flooring shortly.
	,
	xternal drainage works are underway including
re	eplacement of drainage runs to the rear of the
sc	chool. Further statutory connections have now
al	lso been undertaken.
l w	Vorks on the new visitor car park are now
cc	omplete as planned up to the intermediate course
	f tarmac – final completion of this area will be in
	hase 2 of the project in 2017 as planned; however
	the interim this area will be opened up to site
	sers to assist with onsite parking.
	sers to assist that offsite parking.
Pł	hase 1, the new build three storey extension is
dı	ue for completion in December 2016 with Phase 2,
	he demolition and refurbishment of the retained
bu	uildings, being delivered in a number of stages
fr	rom January 2017, with final completion by the
er	nd of September 2017.
	here is ongoing consultation with all key
st	takeholders including all users of the site. In

	addition, regular updates via newsletters are distributed locally.
	The project team are working with the school and wider community to engage with them to develop and deliver a number of community benefits. Most recently this includes Willmott Dixon sponsoring the St Asaph Mayoral Awards, donation of plumbing materials to Ysgol Esgob Morgan, taking on year 11 & 12 Ysgol Glan Clwyd pupils for work experience, and running a Women in Construction Event.
Forecast In Year Expenditure 15/16	£2.137m

21st Century Schools Programme – Ruthin Primary Schools

Total Budget	£1.585m (Feasibility/Design)
Expenditure to date	£0.324m
Estimated remaining spend in 15/16	£0.142m
Future Years estimated spend	£1.119m (Feasibility/Design)
Funding	DCC £1.585m
Comments	Denbighshire received permission to extend the scope
	of the 21 st Century Schools Programme to include the
	three Ruthin primary school projects in September 2015.
	In January 2016, the Strategic Outline Case for the three
	projects was approved by the Welsh Government. The
	next stage in the Welsh Government approval process
	will be submitted in the coming months. On-going work
	has enabled firm project costs, including contingency
	funding, to be established for the new Rhos
	street/Penbarras schools and Carreg Emlyn. Subject to
	the necessary approvals, this will enable both schemes
	to proceed and to be operational from September 2017.
	A review is also taking place of the new school building
	for the new area school for Llanfair/Pentrecelyn. When
	the costs associated with a preferred site are confirmed,
	the proposal will be reviewed by the Strategic
	Investment Group.
	Rhos Street School and Ysgol Penbarras
	This project will deliver a new shared school building site
	for Rhos Street School and Ysgol Penbarras at Glasdir, Ruthin.
	A series of design consultation meetings have been

facilitated by Wynne Construction to develop the concept design. Meetings have been held with the school staff working groups, pupils and a Ruthin members workshop. A community event is scheduled for mid-April.

Following completion of the design consultation, it is expected that a planning application will be submitted in early May 2016.

Ysgol Carreg Emlyn

This project will deliver a new school building comprising 4 classrooms, a new school hall and supporting facilities. This will allow pupils to move from the two existing sites onto a single site. Both existing sites will then become surplus to requirements.

Following a number of meetings with staff, governors and the community to inform and guide the design team, a planning application for the proposed scheme was submitted on 1st April 2016 for consideration.

The target completion date for the new building is September 2017.

Llanfair and Pentrecelyn

A preferred site has now been identified. Negotiations are ongoing regarding the acquisition. The first design meeting with both schools was scheduled to take place in mid April with the design team.

Forecast In Year Expenditure 15/16 £0.360m

West Rhyl Coastal Development Phase 3

Total Budget	£5.658m
Expenditure to date	£5.454m
Estimated remaining spend in 15/16	£0.192m
Future Years estimated spend	£0.012m
Funding	DCC £0.560m;WG/WEFO £4.648m; WG £0.198m; Town Plans/Town Council £0.217m; Other £0.035
Comments	This coastal defence scheme is the final phase of works designed to protect 2,700 properties from coastal flooding.
	The coastal defence works are now operationally complete.
	The final account has been agreed with the main

	contractor.
	Anti-skid surfacing is 95% complete and snagging is currently taking place.
	Benches will be placed following the snagging of anti- skid surfacing.
	3 coastal protection shelters are currently being produced and lighting design finalised. The shelters will be installed within the scheme on the upper promenade.
	The Welsh Government have agreed to the additional funding requested for the scheme.
	The West Rhyl Coastal Defence Scheme has been shortlisted for an Institution of Civil Engineers Project Award in Wales for projects over £3m.
Forecast In Year Expenditure 15/16	£2.626m
