

Appendix 1 - Part 9 Partnership Arrangements:

The rationale for this structure is that the Board will play a key role in ensuring the development of regional partnership arrangements and meet the requirements of the Act best through: -

- Overseeing the progress of area arrangements
- Commissioning and overseeing the regional work streams
- Enabling Citizen Feedback and Providers to influence the direction of the Board and thereby the area arrangements.
- Managing grant monies routed through the RPB

The Social Services and Well Being Leadership Group as an officer group will provide strategic advice to the Board and help manage the detail of the Board's Programmes, including acting as a forum to exchange best practice from the areas within the region.

The Board will be accountable to the seven key statutory partners and have a loose reporting arrangement to the North Wales Regional Leadership Board which is made up of representatives of the 6 LAs, the BCUHB, the PCC, the North Wales Police and the Fire and Rescue Service.

There will be statutory reporting arrangements to the Minister.
