1. What type of proposal / decision is being assessed?

Other

2. What is the purpose of this proposal / decision, and what change (to staff or the community) will occur as a result of its implementation?

The draft Supplementary Planning Guidance (SPG) provides guidance to those involved in the submission and determination of applications for planning permission, around how to ensure crime prevention and community safety issues are addressed through good design. Public consultation will be carried out on the draft SPG.

3. Does this proposal / decision require an equality impact assessment? If no, please explain why.

*Please note: if the proposal will have an impact on people (staff or the community) then an equality impact assessment **must** be undertaken*

No	SPG notes amplify Denbighshire Local Development Plan (LDP) policies with the aim of improving the process, design and quality of new development. SPGs provide guidance and do not set policy or prescribe actions. This draft SPG supports LDP policy RD 1 'Sustainable development and good standard design', which underwent an EqlA in 2010. This concluded that policy RD 1 did not require further EqlA as it was considered to have positive impacts on all groups, particularly those who are, or feel, more vulnerable to crime.
