

Corporate Plan Review Period 2015/16

General Information

Description	Denbighshire County Council Corporate Plan 2012-17
Rationale	<p>The purpose of our Corporate Plan is to describe the main priorities for the council during the next five years, and to explain what that will mean in terms of benefits to our communities. It is important to note that our Corporate Plan does not cover everything that the council will do. We provide a wide range of services for our communities, and each of our eleven council services has a separate plan that says what it aims to deliver, and how it will be done. The Corporate Plan identifies the main priorities for the council as a whole during the next five years. This means that these areas will receive additional focus and resources in order to ensure they are delivered successfully. They have been identified as priorities for the council because our research and engagement work tells us that they are important to our communities, and that we need to do more in these areas to meet the needs and expectations of those communities.</p>
