1.0 SETTING THE COUNCIL TAX FOR 2017/18

1.1 Background.

At the Council meeting on the 31 January 2017 members considered and approved Cabinet's budget proposals and resulting impact on Council Tax for next financial year.

The main features of the proposal included:

- A cash increase in the Council's Local Government revenue settlement from Welsh Government of 0.6%.
- A reduction in Welsh Government general capital funding of -0.12%.
- The provision of additional resources for the impact of some inflationary pressures.
- An increase in funding to schools of £1.9m.
- The provision of £0.750m in recognition of the continuing financial pressures facing social care.
- Inflationary pressures met by service efficiency savings of £0.902m, PFI/Capital Financing savings of £1.355m, use of balances and increased Council Tax funding.
- Investment of £0.2m in priority areas.
- Use of £2.122m reserves (£1.5m Budget Mitigation Reserve) and general balances (£0.622m)

1.2 Section 151 Officer's statement

In accordance with the requirements of the Local Government Act 2003 the observations of the Section 151 Officer on the budget for 2017/18 are required to be presented to members.

a) Robustness of Budget Estimates

The budget proposals for 2017/18 contain a level of financial estimates. This is due to the uncertainty around the future impact upon the Council of current economic events. A considered view has been taken on the level of funding that services require and on the amount and timing of efficiency savings.

I consider the budget proposals for 2017/18 to be sensible and robust.

b) Adequacy of Reserves

The level of general balances is stable and I consider they are broadly appropriate given the financial risks that the council faces. Adequate general balances are vital to protect the Council from unforeseen problems or in-year emergencies. The 2017/18 budget has been set using £0.622m

of general balances and £1.5m of specific reserves, if required, with agreement to use £1.378m for the following year (of which £1.0m has already been identified through the early achievement of the PFI and Capital Financing efficiency savings and placed in the Budget Mitigation Reserve). This is sustainable as a medium term measure but is not a permanent solution to funding a gap in the budget.

In adopting the resolutions of the Council meeting of the 31 January 2017 it will be necessary for the Council to pass certain further resolutions in a particular form so as to ensure that the Council Tax and its associated matters are legally valid. I attach a copy of the required resolutions and request that these be approved.

6.0 AGGREGATE COUNCIL TAX – 2017/18 (including Police & Crime Commissioner for North Wales)

Having calculated the aggregates in each case of the amounts at 4.0 and 5.0 above in accordance with Section 30 (2) of the Local Government Finance Act 1992, it is

RECOMMENDED

That the amounts of Council Tax for the 2017/18 financial year for each of the categories of dwellings be as shown in Appendix C.

7.0 PRESCRIBED CLASS OF DWELLINGS - THE COUNCIL TAX (PRESCRIBED CLASS OF DWELLINGS) (WALES) REGULATIONS 1998 - SI 1998/105 AS AMENDED BY PRESCRIBED CLASS OF DWELLINGS - THE COUNCIL TAX (PRESCRIBED CLASS OF DWELLINGS) (WALES) (AMENDMENT) REGULATIONS 2004

7.1 In Wales, Section 12 of the Local Government Finance Act 1992 creates a special class of property (prescribed class of dwellings) which allows a local billing authority to use its discretion in determining the level of discount to be awarded. If a dwelling meets certain criteria, then a billing authority can set the level of discount at either 25% or zero (i.e. no discount) for classes A & B, 50% or zero for class C.

7.2 The Council Tax (Prescribed Class of Dwellings)(Wales) Regulations 1998 as amended 2004, has with effect from 1st April, 2004 designated three classes of prescribed dwellings.

The classes are:-

Class A.

- a. A dwelling which is not the sole or main residence of an individual.
- b. Dwelling which is furnished.
- c. Occupation of the dwelling is prohibited by law for a continuous period of at least 28 days in the relevant year.
- d. Dwelling is not a mooring occupied by a boat or pitch occupied by a caravan.
- e. Dwelling is unoccupied and is managed by a personal representative in relation to the administration of a deceased person.

Class B

- a. A dwelling which is not the sole or main residence of an individual.
- b. Dwelling which is furnished.
- c. Occupation of the dwelling is not prohibited by law for a continuous period of at least 28 days in the relevant year.
- d. Dwelling is not a mooring occupied by a boat or pitch occupied by a caravan.
- e. Dwelling is unoccupied and is managed by a personal representative in relation to the administration of a deceased person.

Class C

- a. A dwelling which is unoccupied.
- b. A dwelling which is substantially unfurnished.

7.3 The difference between the classes A and B is the fact Class B has unrestricted occupation throughout 365 days a year whereas Class A is restricted to a maximum of 11 months occupation in a year. E.g. planning restriction as commonly applied to holiday chalets.

7.4 The main type of property covered by these regulations relate to furnished dwellings and not someone's sole or main residence e.g. second homes.

7.5 Class C was introduced to end the Council Tax discount for chargeable dwellings which are unoccupied and substantially unfurnished for periods greater than 6 months.

This allows the Authority to levy a full charge once the initial 6 month exemption period expires; this benefits Denbighshire residents in that

- a. The property owner would be contributing a full charge
- b. There is a financial incentive to the owner to occupy the property leading to.
 - o The potential of increasing accommodation availability
 - o The reduction in the number of empty properties in communities

7.6 In the year 2009/2010 the Council resolved not to award a discount to Class A, B or C for the remaining term of the Council with the caveat that this was dependant on, no changes to Legislation or local conditions. The purpose of this resolution enabled consistency in the calculation of the Tax Base, a shorter report and the reduction in the volumes of paper produced.

7.7 **IT IS RECOMMENDED**

That the level of discount for Class A, B, and C as prescribed under the Council Tax (Prescribed Class of Dwellings) (Wales) Regulations 2004 be set at zero for the financial year 2017/18 being the term of this Council with the caveat that this is dependent on, no changes to Legislation or local conditions.
