

Report to: Communities Scrutiny Committee

Date of Meeting: 15 June 2017

Lead Officer: Scrutiny Co-ordinator

Report Author: Scrutiny Co-ordinator

Title: Scrutiny Work Programme

1. What is the report about?

The report presents Communities Scrutiny Committee with its draft forward work programme for members' consideration.

2. What is the reason for making this report?

To seek the Committee to review and agree on its programme of future work, and to update members on relevant issues.

3. What are the Recommendations?

That the Committee:

- 3.1 considers the information provided and approves, revises or amends its forward work programme as it deems appropriate; and
- 3.2 appoints representatives to serve on the nine Service Challenge Groups and the Strategic Investment Group.

4. Report details

- 4.1 Section 7 of Denbighshire County Council's Constitution sets out each Scrutiny Committee's terms of reference, functions and membership, as well as the rules of procedure and debate.
- 4.2 The Constitution stipulates that the Council's scrutiny committees must set, and regularly review, a programme for their future work. By reviewing and prioritising issues, members are able to ensure that the work programme delivers a member-led agenda.
- 4.3 For a number of years it has been an adopted practice in Denbighshire for scrutiny committees to limit the number of reports considered at any one meeting to a maximum of four plus the Committee's own work programme report. The aim of this approach is to facilitate detailed and effective debate on each topic.
- 4.4 In recent years the Welsh Government (WG) and the Wales Audit Office (WAO) have highlighted the need to strengthen scrutiny's role across local government and public services in Wales, including utilising scrutiny as a means of engaging with residents

and service-users. From now on scrutiny will be expected to engage better and more frequently with the public with a view to securing better decisions which ultimately lead to better outcomes for citizens. The WAO will measure scrutiny's effectiveness in fulfilling these expectations.

- 4.5 Having regard to the national vision for scrutiny whilst at the same time focussing on local priorities, the Scrutiny Chairs and Vice-Chairs Group (SCVCG) recommended that the Council's scrutiny committees should, when deciding on their work programmes, focus on the following key areas:
- budget savings;
 - achievement of the Corporate Plan objectives (with particular emphasis on the their deliverability during a period of financial austerity);
 - any other items agreed by the Scrutiny Committee (or the SCVCG) as high priority (based on the PAPER test criteria – see reverse side of the 'Member Proposal Form' at Appendix 2) and;
 - Urgent, unforeseen or high priority issues

4.6 Scrutiny Proposal Forms

As mentioned in paragraph 4.2 above the Council's Constitution requires scrutiny committees to prepare and keep under review a programme for their future work. To assist the process of prioritising reports, if officers are of the view that a subject merits time for discussion on the Committee's business agenda they have to formally request the Committee to consider receiving a report on that topic. This is done via the submission of a 'proposal form' which clarifies the purpose, importance and potential outcomes of suggested subjects. No officer proposal forms have been received for consideration at the current meeting.

- 4.7 With a view to making better use of scrutiny's time by focussing committees' resources on detailed examination of subjects, adding value through the decision-making process and securing better outcomes for residents, the SCVCG decided that members, as well as officers, should complete 'scrutiny proposal forms' outlining the reasons why they think a particular subject would benefit from scrutiny's input. A copy of the 'member's proposal form' can be seen at Appendix 2. The reverse side of this form contains a flowchart listing questions which members should consider when proposing an item for scrutiny, and which committees should ask when determining a topic's suitability for inclusion on a scrutiny forward work programme. If, having followed this process, a topic is not deemed suitable for formal examination by a scrutiny committee, alternative channels for sharing the information or examining the matter can be considered e.g. the provision of an 'information report', or if the matter is of a very local nature examination by the relevant Member Area Group (MAG). No items should be included on a forward work programme without a 'scrutiny proposal form' being completed and accepted for inclusion by the Committee or the SCVCG. Assistance with their completion is available from the Scrutiny Co-ordinator.

Cabinet Forward Work Programme

- 4.8 When determining their programme of future work it is useful for scrutiny committees to have regard to Cabinet's scheduled programme of work. For this purpose a copy of the Cabinet's forward work programme is attached at Appendix 3.

5. Appointments to Council Boards and Groups

- 5.1 The Council operates various Boards and Groups to oversee specific areas of work or services' performance. Membership of these boards/groups include both councillors and officers. Councillor representatives on them are either by virtue of their Cabinet position or by appointment by the committees on which they serve. As we are now in a new Council term appointments need to be made to a number of boards/groups.
- 5.2 At this point in time Communities Scrutiny Committee is asked to appoint representatives to serve on the Council's:
- **Service Challenge Groups:** the Council has nine services, therefore the Committee is asked to appoint a representative to serve on the Service Challenge Group for each one of these services. Information on the Service Challenge Group process along with a schedule of the Groups' meeting dates can be found at Appendix 4a to this report:
 - **Strategic Investment Group (SIG):** this group examines applications for financial resources for major capital investment projects. It meets on a monthly basis, usually during the afternoon of Cabinet meeting days. More information on this Group's Terms of Reference can be found at Appendix 4b to this report. The Committee is asked to appoint one representative to service on the SIG.

6. How does the decision contribute to the Corporate Priorities?

Effective scrutiny will assist the Council to deliver its corporate priorities in line with community needs and residents' wishes. Continual development and review of a coordinated work programme will assist the Council to deliver its corporate priorities, improve outcomes for residents whilst also managing austere budget cuts.

7. What will it cost and how will it affect other services?

Services may need to allocate officer time to assist the Committee with the activities identified in the forward work programme, and with any actions that may result following consideration of those items.

8. What are the main conclusions of the Well-being Impact Assessment? The completed Well-being Impact Assessment report can be downloaded from the [website](#) and should be attached as an appendix to the report

A Well-being Impact Assessment has not been undertaken in relation to the purpose or contents of this report. However, Scrutiny's through its work in examining service delivery, policies, procedures and proposals will consider their impact or potential impact on the sustainable development principle and the well-being goals stipulated in the Well-being of Future Generations (Wales) Act 2015.

9. What consultations have been carried out with Scrutiny and others?

None required for this report. However, the report itself and the consideration of the forward work programme represent a consultation process with the Committee with respect to its programme of future work.

10. What risks are there and is there anything we can do to reduce them?

No risks have been identified with respect to the consideration of the Committee's forward work programme. However, by regularly reviewing its forward work programme the Committee can ensure that areas of risk are considered and examined as and when they are identified, and recommendations are made with a view to addressing those risks.

11. Power to make the decision

Section 7.11 of the Council's Constitution stipulates that scrutiny committees and/or the Scrutiny Chairs and Vice-Chairs Group will be responsible for setting their own work programmes, taking into account the wishes of Members of the Committee who are not members of the largest political group on the Council.
