## Summary of impact

Wellbeing Goals

A prosperous Denbighshire	Neutral
A resilient Denbighshire	Positive
A healthier Denbighshire	Neutral
A more equal Denbighshire	Neutral
A Denbighshire of cohesive communities	Positive
A Denbighshire of vibrant culture and thriving Welsh language	Neutral
A globally responsible Denbighshire	Neutral

## Main conclusions

The impacts are broadly neutral. This is because the Council Tax rise proposed supports a budget that protects existing service levels and increases investment in social care, schools and in new priorities. Clearly the impact is the increased tax paid by residents. The main mitigation is that around 25% of tax payers receive financial support through the Council Tax Reduction Scheme. However, it is recognised that for some taxpayers, the proposed rise will create an additional financial burden, particularly for those with relatively fixed incomes or little disposable income.
