Main conclusions

THE LIKELY IMPACT ON DENBIGHSHIRE, WALES AND THE WORLD

A prosperous Denbighshire

Overall Impact	Positive
Justification for impact	The impact will be positive since the necessary investment in the house and the health and safety work will result in work in the local community and maintain the values of Denbighshire's assets. It will provide better and more energy efficient homes and workplaces for tenants.

Positive consequences identified:

Improving the general fabric of farmhouses will create better energy efficient houses. Opportunities will exist for local contractors to benefit from additional contracts for building work. Investment in the houses will also maintain the market values of the houses for the long term benefit of the Authority's assets. This will lead to better job security for employees in the contracting firms. This can also lead to improved training opportunities and up skilling

Unintended negative consequences identified:

Mitigating actions:

A resilient Denbighshire

Overall Impact	Positive
Justification for impact	The impact will be positive since it will; provide information to the Authority on implication of possible changes to NVZ regulations, safeguard buildings and improve the energy efficiency in more farmhouses.

Positive consequences identified:

The availability of funds to review new possible NVZ regulations will place the Authority in an advantageous position with regard to knowledge of possible consequences. Wherever possible and without creating any detriment to the quality of the work, slates are reused where possible in any farmhouse roof repair/replacement works. Energy efficiency of farmhouses being improved.

Unintended negative consequences identified:

Mitigating actions:

A healthier Denbighshire

Overall Impact	Positive
----------------	----------

Justification for impact	Complying with statutory and legal obligations is a positive effect for the Council and improves people's general well-being.
--------------------------	---

Positive consequences identified:

Improving the fabric of some farmhouses and carrying out health and safety work will ensure that the Council meets its statutory responsibilities as a Landlord

Unintended negative consequences identified:

Mitigating actions:

A more equal Denbighshire

Overall Impact	Positive
Justification for impact	Investment in the agricultural estate will be a positive contribution to rural areas of the County.

Positive consequences identified:

Investment in properties located in more rural areas of the County.
Positive impact on housing quality and the effect of reduced requirement for fuel.

Unintended negative consequences identified:

Mitigating actions:

A Denbighshire of cohesive communities

Overall Impact	Positive
Justification for impact	Farms and holdings in rural areas that are well looked after contribute positively to rural communities and can improve general quality of life, community participation to reduce crime and also the tourism experience.

Positive consequences identified:

Training and employment opportunities available for local contractors.
Well maintained and looked after properties will have a positive effect on the physical appearance of rural areas.

Unintended negative consequences identified:

Mitigating actions:

A Denbighshire of vibrant culture and thriving Welsh language

Overall Impact	Positive
----------------	----------

Justification for impact	The majority of the agricultural estate is located in rural areas where there are traditionally a higher number of Welsh speaking communities. Investment in these areas is essential to safeguard the culture and the language in these areas for future generations.
--------------------------	--

Positive consequences identified:

Rural areas often have a higher percentage of Welsh speaking communities. Being able to maintain families in rural areas and provide opportunities for local contractors will have the effect of keeping people/ children in local communities.

Contractors will be encouraged to use bilingual signs.

Maintaining numbers of Welsh speakers in rural communities has a positive effect on cultural events such as Eisteddfodau held in the locality.

Unintended negative consequences identified:

Mitigating actions:

A globally responsible Denbighshire

Overall Impact	Positive
Justification for impact	Local contractors will be able to benefit from employment opportunities. Contribution to agricultural holdings helps the activities and sustainability of rural communities. Improved information on the effect of possible new NVZ regulations will assist the Council to plan for the future.

Positive consequences identified:

Further contracting opportunities may be provided by the current proposals.

Unintended negative consequences identified:
