Dear Iwan,

Further to our discussions/previous correspondence regarding attendance at the Public Service Boards, I would be very keen to enhance the contribution and presence of the Heath Board. As such, and following our discussion, I'd like to suggest that going forward that I attend and that the Chairman continues to delegate his place to Bethan our Area Director.

I look forward to attending future meetings.

Yours sincerely

**Gary Doherty**  
**Prif Weithredwr**  
**Chief Executive**
