<b>Title:</b>	<b>Scrutiny Work Programme</b>

---

**1. What is the report about?**

The report presents Performance Scrutiny Committee with its draft forward work programme for members' consideration.

**2. What is the reason for making this report?**

To seek the Committee to review and agree on its programme of future work, and to update members on relevant issues.

**3. What are the Recommendations?**

That the Committee considers the information provided and approves, revises or amends its forward work programme as it deems appropriate.

**4. Report details**

- 4.1 Section 7 of Denbighshire County Council's Constitution sets out each Scrutiny Committee's terms of reference, functions and membership, as well as the rules of procedure and debate.
- 4.2 The Constitution stipulates that the Council's scrutiny committees must set, and regularly review, a programme for their future work. By reviewing and prioritising issues, members are able to ensure that the work programme delivers a member-led agenda.
- 4.3 For a number of years it has been an adopted practice in Denbighshire for scrutiny committees to limit the number of reports considered at any one meeting to a maximum of four plus the Committee's own work programme report. The aim of this approach is to facilitate detailed and effective debate on each topic.
- 4.4 In recent years the Welsh Government (WG) and the Wales Audit Office (WAO) have highlighted the need to strengthen scrutiny's role across local government and public services in Wales, including utilising scrutiny as a means of engaging with residents and service-users. From now on scrutiny will be expected to engage better and more frequently with the public with a view to securing better decisions which ultimately lead to better outcomes for citizens. The WAO will measure scrutiny's effectiveness in fulfilling these expectations.

- 4.5 Having regard to the national vision for scrutiny whilst at the same time focussing on local priorities, the Scrutiny Chairs and Vice-Chairs Group (SCVCG) recommended that the Council's scrutiny committees should, when deciding on their work programmes, focus on the following key areas:
- budget savings;
  - achievement of the Corporate Plan objectives (with particular emphasis on the their deliverability during a period of financial austerity);
  - any other items agreed by the Scrutiny Committee (or the SCVCG) as high priority (based on the PAPER test criteria – see reverse side of the 'Member Proposal Form' at Appendix 2) and;
  - Urgent, unforeseen or high priority issues

#### 4.6 Scrutiny Proposal Forms

As mentioned in paragraph 4.2 above the Council's Constitution requires scrutiny committees to prepare and keep under review a programme for their future work. To assist the process of prioritising reports, if officers are of the view that a subject merits time for discussion on the Committee's business agenda they have to formally request the Committee to consider receiving a report on that topic. This is done via the submission of a 'proposal form' which clarifies the purpose, importance and potential outcomes of suggested subjects. No officer proposal forms have been received for consideration at the current meeting.

- 4.7 With a view to making better use of scrutiny's time by focussing committees' resources on detailed examination of subjects, adding value through the decision-making process and securing better outcomes for residents, the SCVCG decided that members, as well as officers, should complete 'scrutiny proposal forms' outlining the reasons why they think a particular subject would benefit from scrutiny's input. A copy of the 'member's proposal form' can be seen at Appendix 2. The reverse side of this form contains a flowchart listing questions which members should consider when proposing an item for scrutiny, and which committees should ask when determining a topic's suitability for inclusion on a scrutiny forward work programme. If, having followed this process, a topic is not deemed suitable for formal examination by a scrutiny committee, alternative channels for sharing the information or examining the matter can be considered e.g. the provision of an 'information report', or if the matter is of a very local nature examination by the relevant Member Area Group (MAG). No items should be included on a forward work programme without a 'scrutiny proposal form' being completed and accepted for inclusion by the Committee or the SCVCG. Assistance with their completion is available from the Scrutiny Co-ordinator.

#### Cabinet Forward Work Programme

- 4.8 When determining their programme of future work it is useful for scrutiny committees to have regard to Cabinet's scheduled programme of work. For this purpose a copy of the Cabinet's forward work programme is attached at Appendix 3.

#### Progress on Committee Resolutions

- 4.9 A table summarising recent Committee resolutions and advising members on progress with their implementation is attached at Appendix 4 to this report.

## **5. Scrutiny Chairs and Vice-Chairs Group**

Under the Council's scrutiny arrangements the Scrutiny Chairs and Vice-Chairs Group (SCVCG) performs the role of a coordinating committee. The Group met on 28 June 2018. Having considered a number of requests for items to be referred to Scrutiny for detailed examination the Group has asked this Committee to examine the following matters:

- The Effectiveness of Well-being Assessments – scheduled for January 2019
- Draft Fleet Management Strategy – provisionally scheduled for January 2019
- Draft Sustainable Travel Plan – provisionally scheduled for March 2019

See Appendix 1 for further details. Both latter items stem from a request for Scrutiny to consider how prepared the Council is for the need in future, by the Council itself and by residents, to reduce fossil fuel usage. As both draft plans are currently being developed they have provisionally been scheduled into the Committee's forward work programme for its meetings in January and March 2019. The date for their presentation may be subject to change dependent upon the progress made with their development.

## **6. How does the decision contribute to the Corporate Priorities?**

Effective scrutiny will assist the Council to deliver its corporate priorities in line with community needs and residents' wishes. Continual development and review of a coordinated work programme will assist the Council to deliver its corporate priorities, improve outcomes for residents whilst also managing austere budget cuts.

## **7. What will it cost and how will it affect other services?**

Services may need to allocate officer time to assist the Committee with the activities identified in the forward work programme, and with any actions that may result following consideration of those items.

## **8. What are the main conclusions of the Well-being Impact Assessment? The completed Well-being Impact Assessment report can be downloaded from the [website](#) and should be attached as an appendix to the report**

A Well-being Impact Assessment has not been undertaken in relation to the purpose or contents of this report. However, Scrutiny's through it work in examining service delivery, policies, procedures and proposals will consider their impact or potential impact on the sustainable development principle and the well-being goals stipulated in the Well-being of Future Generations (Wales) Act 2015.

## **9. What consultations have been carried out with Scrutiny and others?**

None required for this report. However, the report itself and the consideration of the forward work programme represent a consultation process with the Committee with respect to its programme of future work.

**10. What risks are there and is there anything we can do to reduce them?**

No risks have been identified with respect to the consideration of the Committee's forward work programme. However, by regularly reviewing its forward work programme the Committee can ensure that areas of risk are considered and examined as and when they are identified, and recommendations are made with a view to addressing those risks.

**11. Power to make the decision**

Section 7.11 of the Council's Constitution stipulates that scrutiny committees and/or the Scrutiny Chairs and Vice-Chairs Group will be responsible for setting their own work programmes, taking into account the wishes of Members of the Committee who are not members of the largest political group on the Council.
