2. What is the reason for making this report?

- 2.1 A decision is required to approve the draft 2017/18 Annual Performance Review, attached at Appendix I and Appendix II to this report.
- 2.2 Appendix I contains narrative on the progress in delivering our corporate priorities, including the current status and programme progress. Included in each corporate priority subsection there are also case studies, sustainable development, and diversity and equalities information included.
- 2.3 Appendix II is an extract from the Verto Performance Management System, featuring graphs to illustrate performance data in relation to the Corporate Plan

3. What are the Recommendations?

It is recommended that, subject to any agreed changes, Members approve the draft 2017/18 Annual Performance Review to enable publication before 31 October 2018.

4. Report details

- 4.1 The Council's Corporate Plan 2017-2022 sets the strategic direction for the council and its priorities for the five-year period. The detail about what the council intends to do each year to help deliver these priorities is set out in annual service plans and the Corporate Plan Annual Delivery Document.
- 4.2 This annual performance report provides a retrospective evaluation of the Council's success in delivering against these plans during 2017-18, and whether the Council has successfully fulfilled its obligation to make arrangements to secure continuous improvement.

5. How does the decision contribute to the Corporate Priorities?

The Annual Performance Review includes an evaluation of the Council's success in delivering against its corporate priorities.

6. What will it cost and how will it affect other services?

There is no cost associated with this decision. Upon agreement of the recommendation, the document will be made available online and a press release will be issued informing people of the document's publication and its location.

7. What are the main conclusions of the Well-being Impact Assessment?

A Well-being Impact Assessment (WIA) is not required for this report. This report provides a retrospective evaluation of the council's performance, and the decision to approve the report has no potential impact on people sharing protected characteristics. A WIA was undertaken on the Corporate Plan itself, and was presented to County Council when the plan was approved in October 2017.

The report has been developed by the Strategic Planning Team, in consultation with other council services. The performance information contained within the document has been provided by services, and has been drawn from the Verto performance management system. Consultation will take place at Cabinet Briefing and the Senior Leadership Team (SLT) prior to being submitted to County Council for approval.

There are no significant financial implications arising from the report.

10. What risks are there and is there anything we can do to reduce them?

Failure to publish the Annual Review by the 31 October deadline would be likely to result in statutory recommendations from the Wales Audit Office, with significant implications for the reputation of the Council.

11. Power to make the Decision

The Corporate Plan and the Annual Performance Review are key elements of the Wales Programme for Improvement (2010), which is underpinned by the statutory requirements of the Local Government Act 1999 and Local Government (Wales) Measure 2009.
