

Conwy & Denbighshire PSB – Cross-referencing from draft well-being plan to approved version

Period	Areas identified in the Well-being Plan for further exploration	Linkages to the original 6 priorities	Actions been progressed
1. People – Supporting good mental well-being for all ages (absorbed original priorities of 1st 1000 days, supporting the ageing population and raising resilient and aspirational young people)			
Short Term (1 - 5 years)	Coordinate support for unpaid carers	4. Older People <ul style="list-style-type: none"> Provision of care in people’s homes responds to personal choice and circumstances. 	
	Coordinate support for parents to give their children the best start in life	1. 1st 1000 days	
		<ul style="list-style-type: none"> The best possible outcome for every pregnancy (from a psycho-social perspective) 	
		<ul style="list-style-type: none"> Children across Conwy & Denbighshire achieve their developmental milestones at two years of age (cognitive, emotional, social and language) 	
		<ul style="list-style-type: none"> Children across Conwy & Denbighshire are not exposed to or harmed by multiple adverse childhood experiences (ACEs) in the first 1000 days 	
	2. Community Hubs <ul style="list-style-type: none"> Make well-being information accessible to all, ensuring that services and information are easy to access (including healthy lifestyles, parenting, etc.). 		
	Encourage PSB organisations to roll out mental well-being training to their workforce (such as dementia friends and mental health First Aid).	3. Mental well-being <ul style="list-style-type: none"> Carried over. 	
Investigate intergenerational activities	4. Older people		
	<ul style="list-style-type: none"> Continuing engagement to maintain involvement and ownership of all partners and individuals in developing personal resilience. 		
Boosting volunteer services utilising people with capacity	6. Young people		
	Help young people to develop practical life skills and behaviours that contribute to good health and well-being.	6. Young people <ul style="list-style-type: none"> Carried over 	

Medium Term (1 – 15 years)		<ul style="list-style-type: none"> Explore innovative solutions and good practice from elsewhere to support ambition & resilience in young people 	
	Maximising the use of the environment to encourage positive mental well-being	NEW	
	Maximise the opportunities for social prescribing	3. Mental well-being <ul style="list-style-type: none"> Providing non-medical support for mental well-being. Develop more peer support for mental well-being (lived experience). 	
Long Term (1 – 20 years)	Develop new models to promote health & well-being so that people of all ages are less reliant on health and social care.	3. Mental well-being <ul style="list-style-type: none"> Providing non-medical support for mental well-being. Develop more peer support for mental well-being (lived experience). 	
		<ul style="list-style-type: none"> Providing non-medical support for mental well-being. Develop more peer support for mental well-being (lived experience). 	
Potential missing themes / actions from original priorities...			
1. 1st 1000 days	There are actions in the interim priority which have not been included in the well-being plan. E.g. enable professionals to come together on an informal basis to share information as a multidisciplinary team, support a clearer and more consistent approach to sharing data between services and		
2. Community Hubs	n/a		
3. Mental well-being	<ul style="list-style-type: none"> Support campaigns around what is mental health and well-being. Improve signposting of mental well-being services, such as extension of the fire service card calling bundle. 		
4. Older people	<ul style="list-style-type: none"> Develop and improve communications between partner organisations including data sharing agreements and protocols. Programme of engagement to define what makes a resilient person and what's needed to achieve long term resilience in the ageing population. Develop cross sector, multi-agency social care policies that work with people to enable longer term independence. 		

5. Environment	n/a		
6. Young People	n/a		
2. Community – Supporting community empowerment			
Short Term (1 - 5 years)	<ul style="list-style-type: none"> Support people to plan and shape their communities. 	2. community hubs <ul style="list-style-type: none"> Involve and support people in shaping their community area and improving services. Each community in Conwy and Denbighshire has their own community plan, encompassing elements of climate change risk, health and well-being, social and economic factors. 	
	<ul style="list-style-type: none"> Target those most likely to be digitally excluded so that they have the skills and means to use digital services. 	NEW	
	<ul style="list-style-type: none"> Provide young people with effective career advice and mentoring. 	6. Young people <ul style="list-style-type: none"> Explore innovative solutions and good practice from elsewhere to support ambition & resilience in young people Explore ways young people can benefit from meaningful work experience 	
	<ul style="list-style-type: none"> Offer young people the opportunity to develop skills for life and work through volunteering opportunities and meaningful work experience. 	6. Young people Carried over	
Medium Term (1 – 15 years)	<ul style="list-style-type: none"> Better enable people to travel to work, education and services. 	NEW	
	<ul style="list-style-type: none"> Make superfast broadband and mobile networks available to everyone. 	NEW	
		4. Older people	

	<ul style="list-style-type: none"> Support young and old people to access appropriate accommodation that they can afford. 	<ul style="list-style-type: none"> Provision of care in people's homes responds to personal choice and circumstances. Improved housing choices and options for home improvements. 	
	<ul style="list-style-type: none"> Support people to prepare for their later years. 	4. Older people <ul style="list-style-type: none"> People are better equipped to anticipate and address their needs in older age. 	
Long Term (1 – 20 years)	Deliver extra homes across Conwy & Denbighshire.	New	
Potential missing themes / actions from original priorities...			
1. 1st 1000 days	n/a		
2. Community Hubs	<ul style="list-style-type: none"> Identify community assets that are not being used to their full potential (e.g. schools, community centres, leisure facilities etc.) to use as local hubs. Explore options for delivering multi-agency services in a community hub setting. Explore ways that the PSB can support / facilitate good local democracy with town and community councils. 		
3. Mental well-being	n/a		
4. Older people	<ul style="list-style-type: none"> - Explore the implications of a joint multi-agency housing strategy that recognises identified need and looks ahead to provide for future housing needs. 		
5. Environment	n/a		
6. Young People	<ul style="list-style-type: none"> Investigate the links between our public sector partners and universities / higher education facilities to strengthen opportunities Grow employment opportunities and business start-ups for young people Promote the work offer and industries that we have with young people in both the public and private sectors (i.e. food and farming, outdoor / adrenaline sports, leisure offer, hospitality, etc.). 		

	- Train young people to match the skills needs by our existing industries.		
3. Place – Supporting Environmental Resilience			
Short Term (1 - 5 years)	<ul style="list-style-type: none"> Ensure we have communities that understand the value of the natural environment & how they can positively contribute. 	5. Environment	Community Green Pledges
		<ul style="list-style-type: none"> Work with communities to plan ahead and take steps to become better prepared for flooding and drought; and scope the potential for catchment scale ‘natural’ solutions to water management. 	
	<ul style="list-style-type: none"> Focus on sustainable procurement and local produce. 	2. Community Hubs	Community Green Pledges
		<ul style="list-style-type: none"> Improve awareness and understanding around the impacts of climate change. 	
	<ul style="list-style-type: none"> Promote the importance of addressing environmental issues e.g. recycling, energy efficiency, carbon emissions. 	NEW	Community Green Pledges & Common Environmental Framework
		2. Community Hubs	
	<ul style="list-style-type: none"> Improve the energy efficiency of our buildings. 	<ul style="list-style-type: none"> Improve awareness and understanding around the impacts of climate change. 	Common Environmental Framework
Medium Term (1 – 15 years)	<ul style="list-style-type: none"> Have communities which are better prepared for weather extremes. 	5. Environment	
		<ul style="list-style-type: none"> Explore the potential to cut direct and indirect energy consumption and carbon emissions 	
	<ul style="list-style-type: none"> Produce less waste. 	2. Community Hubs	
<ul style="list-style-type: none"> Work at a community level to better green infrastructure that can improve both the natural environment and community well-being. 	<ul style="list-style-type: none"> Improve awareness and understanding around the impacts of climate change. 		
	NEW		
		2. Community Hub	
		<ul style="list-style-type: none"> A community led approach to planning developments, encouraging positive green infrastructure that improves their environment and health and well-being. 	

	<ul style="list-style-type: none"> • Be seen as leaders for sustainability such as supporting the development of community lead renewable energy schemes. 	NEW	Common Environmental Framework
Long Term (1 – 20 years)	<ul style="list-style-type: none"> • Encourage a thriving and resilient natural environment where wildlife flourishes. 		Community Green Pledges
Potential missing themes / actions from original priorities...			
1. 1st 1000 days	n/a		
2. Community Hubs	<ul style="list-style-type: none"> - Map out assets relative to the environment, and existing action that is being undertaken by residents, community groups or other relevant groups in the two counties in relation to the natural environment. - Link community plans with emergency response plans for environmental disasters e.g. flooding. 		
3. Mental well-being	n/a		
4. Older people	n/a		
5. Environment	<ul style="list-style-type: none"> - Explore the potential to enhance sequestration and protection of carbon stores (e.g. peatlands, woodlands, soil). 		
6. Young People	n/a
