6. Gypsy and
Traveller Site
Provision – Update
following the PrePlanning
Consultation
Process

RESOLVED - that the Committee, having considered the analysis of the pre-planning consultation exercise undertaken in respect of the proposed transit and residential Gypsy and Traveller sites on Green-gates Farm (East) site in St. Asaph, recommends to Cabinet –

- (i) that the residential and transit Gypsy & Traveller sites are not developed close to each other, wherever they are located: and
- (ii) that the location of the residential and transit Gypsy and Traveller sites are determined through the ongoing Local Development Plan process

Cabinet at its meeting on 26 March 2019 considered the Gypsy and Traveller Site Provision report. Cabinet noted this Committee's recommendations and:

RESOLVED -

- in response to concerns raised during the pre-planning consultation regarding proximity of the sites to each other. lack of meaningful consultation with the Travelling Community and in recognition of the priority need for the residential family, not to progress the Gypsy and Traveller transit site at Greengates Farm (East) via a formal planning application, and that the location of this proposed development site is determined through the formal site allocation process as part of the adoption of a new Local Development Plan:
- (ii) following consideration of the options for the Gypsy and Traveller residential site agreed to progress the development of the Gypsy and Traveller residential site at Greengates Farm (East) through the formal planning application process and that the formal
