Estyn Report

Background to the Report:

This report is written in response to a request for advice from the Welsh Government in the Minister's annual remit letter to Estyn for 2017-2018.

Purpose of the Report:

The report evaluates standards, provision and leadership in religious education at key stage 2 and key stage 3. It does not cover religious education in denominational, independent or special schools.

Recommendations:

- To consider the recommendations from the Estyn report
- How will SACRE monitor schools progress against the Estyn recommendations.
