2. What is the reason for making this report?

- 2.1 To provide information regarding the council's progress as at the end of quarter 2, 2019 to 20, in delivering the Corporate Plan outcomes.
- 2.2 Regular reporting is an essential monitoring requirement of the Corporate Plan to ensure that the council exercises its duty to improve. Quarterly performance reports are routinely shared with the Senior Leadership Team (SLT), Cabinet and Performance Scrutiny Committee.

3. What are the Recommendations?

4. Report details

- 4.1 The council's Corporate Plan 2017-2022 sets the strategic direction for the council and its priorities for the five-year period. The detail about what the council intends to do each year to help deliver these priorities is set out in annual service plans. The projects originate from Service and Programme Plans. Progress is reported to SLT, Performance Scrutiny Committee and Cabinet through our Quarterly Performance Reports.
- 4.2 Within this quarter 2 report, a summary of data and project updates is provided, together with data tables outlining our current position in full. The report also outlines how projects identified in support of each priority are developing.

5. How does the decision contribute to the Corporate Priorities?

- 5.1 This report is about our progress in delivering the Corporate Plan. Any decisions made should contribute to the successful delivery of our Corporate Priorities.
