BACKGROUND

- (A) By way of background the North Wales Regional Partnership Board (“the Regional Partnership Board”) comprising of CCBC, DCC, FCC, GC, IOACC, WCBC and the Health Board was established pursuant to statutory regulations made under Sections 166-169 of the Social Services and Well-being (Wales) Act 2014 (“the SSWB Act”). These constitute the ‘Partnership Bodies’ as defined in Regulation 1 of Partnership Arrangements (Wales) Regulations 2015 (as amended) (“the Partnership Regulations”) made under the SSWB Act and they are also the Parties to this Agreement.
- (B) Pursuant to Regulation 10(c) of the Partnership Regulations the Regional Partnership Board has as one of its objectives the need to ‘promote the establishment of pooled funds where appropriate’. Pursuant to Regulation 19(1)(a), the Partnership Bodies are under a statutory requirement to establish and maintain a pooled fund in relation to the exercise of their care home accommodation functions. This statutory requirement came into force on 6 April 2018.
- (C) Accordingly, in furtherance of its obligations under Regulation 19(1)(a) of the Partnership Regulations, the Partners wish to establish a pooled fund as detailed in this Agreement. For the purposes of this Agreement, DCC has agreed to act as the Host Authority on behalf of itself, CCBC, FCC, GC, IOACC, WCBC and the Health Board.
- (D) The Partners are committed to better integration of services, as enshrined in their umbrella Integration Agreement which includes the development of a pooled fund for care home commissioning and accommodation (residential and nursing) as one of the identified projects, and wish to enter into the arrangements under this Agreement.

- (E)** This Agreement is made under the powers conferred below and all other enabling powers now vested in the Partners:-

Section 162 of the SSWB Act provides that a local authority must make arrangements to promote cooperation between the local authority and the authority's relevant partners, such arrangements to be made with a view to improving the well-being of adults with needs for care and support and their carers.

Sections 166-169 of the SSWB Act makes provision for partnership arrangements between local authorities and Local Health Boards.

Regulation 19(1) of the Partnership Arrangements (Wales) Regulations 2015 (as amended) – requires the Regional Partnership Board to establish and maintain pooled funds in relation to the exercise of their care home accommodation functions.

Regulation 19(2) of the said regulations defines “care home accommodation functions” and it includes:-

- (a) where it has been decided to meet the adult's needs by providing or arranging to provide accommodation in a care home under sections 35 and 36 of the SSWB Act;
- (b) the functions of a Local Health Board under section 3 of the National Health Service (Wales) Act 2006 in relation to an adult, in cases where
 - (i) the adult has a primary need for health care and it has been decided to meet the needs of the adult by arranging the provision of accommodation in a care home ('NHS continuing healthcare'), or
 - (ii) the adult's needs can only be met by the local authority arranging for the provision of accommodation, together with nursing care ('Funded Nursing Care').

Section 2 of the Local Government Act 2000 contains powers to do anything which it considers is likely to achieve one or more of the following benefits: the promotion or improvement of the economic, social or environmental wellbeing of the area.

Section 111 of the Local Government Act 1972 provides for a local authority to have the power to do anything which is calculated to facilitate, or is conducive or incidental to, the discharge of their functions.

Section 1 Local Authority (Goods and Services) Act 1970 contains the power to enter into an agreement for all or any of the following purposes, namely, supply by a local authority of goods and materials, administrative, professional or technical services, use of vehicles, plant or apparatus or works of maintenance in connection with land or buildings.

- (F)** Each of the Partners retain their statutory responsibilities in relation to their care home accommodation functions.
