Report Details

*Background to the Report:*

In 2015 Welsh Government published a report on the future of initial teacher education (ITE) in Wales. As a result of the 'Furlong Report' the experience and training of future teachers has changed.

*Purpose of the Report:*

Graham French - Lecturer in Education and Post Graduate Lead for the School of Education and Human Development at Bangor University will inform members on how CaBAN trains the teachers of tomorrow with a focus on Religious Education.

*Recommendations:*

- Receive the report.
