Report Details

Background to the Report:

Denbighshire SACRE has already agreed to send schools a questionnaire about the provision and quality of RE. Due to the lock down and ongoing COVID restrictions schools are under a great deal pressure. This may not be the best time to a) send the questionnaire and b) for schools to fill it in.

Purpose of the Report:

To discuss deferring sending out the questionnaire and agree an appropriate time to send the questionnaire to schools.

Recommendations:

- The questionnaire be deferred until the summer term at the earliest.
