

**KEY**

- |                            |   |   |   |
|----------------------------|---|---|---|
| Application Site           | Substation (comprising transformers and switchgear) | Public Right of Way   | Cable Route   |
| Existing Vegetation        | Weld Wire Mesh Fence (around transformers)          | Public Right of Way Diversion                                 | Grid Connection Corridor  |
| Wooden Post and Wire Fence | Acoustic Fence                                      | Temporary Construction Phase Diversion of Public Right of Way | Non-intrusive Works Areas (ballast framework panels due to archaeological interest) |
| Solar Panels               | Proposed Gress/Flower                               | Customer Switchgear Building at POC                           |   |
| Site Compound Area         | Grazed Grass/Flower Mix                             | Possible Pond Location  |   |
| Temporary Compound Area    | Wildflower Grass Mix                                | Attenuation Basin   |   |
| Battery Storage Compound   | Area for Grazing                                    | Swale   |   |
| Access Track               | Proposed Tree Planting                              | Existing Ditch  |   |
| Temporary Access Track     |   |   |   |

**NOTE:**  
The site is crossed by numerous underground or overhead utilities which have not been illustrated in the interest of clarity.

- Revisions:  
 First Issue - 14/02/2020 JS  
 A - (15/05/2020 JS) Revised layout  
 B - (12/06/2020 JS) Revised layout  
 C - (22/07/2020 JS) Revised inline with Client's comments  
 D - (07/12/2020 JS) Revised layout and drainage  
 E - (18/12/2020 JS) Revised layout  
 F - (16/03/2021 JS) Layout and boundary amendments  
 G - (08/04/2021 JS) Amendments in line with Inspector's comments  
 H - (10/04/2021 AD) Non-intrusive works areas amended  
 J - (10/05/2021 JS) PRoW diversion location and layout amended

**Proposed Development**  
**Elwy Solar Energy Farm**
