Report Details

Background to the Report:

Denbighshire SACRE members have previously discussed the increased academic expectations of the short course GCSE and that some schools do not feel it is suitable to support all pupils in the delivery of statutory RE at KS4.

Purpose of the Report:

Agored Cymru has developed a level 1 and 2 qualification that meets the requirements of statutory KS4 RE whilst providing schools and pupils with a formal qualification.

Recommendations:

- To receive a presentation from Libby Jones about the new qualification that will meet Agreed Syllabus expectations at KS4.
- To consider how best to promote the qualification to local Secondary Schools.
