1. What is the report about?

- 1.1 This report presents an update on the delivery of the Corporate Plan in 2021 to 2022 as at the end of quarter 2 (July to September 2021).

2. What is the reason for making this report?

- 2.1 To provide information regarding the council's progress as at the end of quarter 2, 2021 to 2022, in delivering the Corporate Plan outcomes.
- 2.2 Regular reporting is an essential monitoring requirement of the Corporate Plan to ensure that the council exercises its duty to improve. Quarterly performance reports are routinely shared with the Senior Leadership Team (SLT), Cabinet and Performance Scrutiny.

3. What are the Recommendations?

- 3.1 It is recommended that Cabinet considers the report, and agrees any further actions required to respond to any performance related issues highlighted within the report.

4. Report details

- 4.1 The council's Corporate Plan 2017 to 2022 sets the strategic direction for the council and its priorities for the five-year period. The detail about what the council intends to do each year to help deliver these priorities is set out in annual service plans. The projects originate from Service and Programme Plans. Progress is reported to SLT, Cabinet and Performance Scrutiny through our quarterly reports.
- 4.2 Within this report, a summary of data and project updates is provided, together with data tables outlining our current position in full. Recent council activities are also presented that demonstrate our support of the Well-being of Future Generations Act, the Equality Act, and the Socio-Economic Duty.

5. How does the decision contribute to the Corporate Priorities?

- 5.1 This report is about our progress in delivering the Corporate Plan. Any decisions made should contribute to the successful delivery of our Corporate Priorities.

6. What will it cost and how will it affect other services?

- 6.1 There is no additional cost associated with this report.

7. What are the main conclusions of the Well-being Impact Assessment?

- 7.1 A Well-being Impact Assessment (WIA) is not required for this report. This report provides a retrospective evaluation of the council's performance and has no potential impact on people sharing protected characteristics. A WIA was undertaken on the Corporate Plan itself, and was presented to County Council when the plan was approved in October 2017.

8. What consultations have been carried out with Scrutiny and others?

- 8.1 The report has been compiled by the Strategic Planning Team, in consultation with other council services. The performance information contained within the document has been provided by services, and has been drawn from the Verto performance management system. The report was considered by SLT on November 18 prior to coming for Cabinet approval. The report will next go to Performance Scrutiny on November 25.

11. Power to make the decision

- 11.1 The performance management of council objectives is a key element of the Equality Act 2010 (and associated Equality Act (Wales) Regulations 2011), the Well-being of Future Generations (Wales) Act 2015, and the Local Government and Elections (Wales) Act 2021.
