

Notice of Motion put forward by Councillor Brian Jones on behalf of the Welsh Conservative Group for consideration by Full Council:

That Denbighshire County Council acknowledge that proposals for a large scale tidal project off the coast of Denbighshire are being developed by the private sector.

That significant work is required to bring mature proposals before the council and that the council would consider these detailed proposals in due course.

That the Council is supportive in principle to the development of a tidal energy project off the Denbighshire Coastline.

Accordingly, Denbighshire County Council resolve to:

- 1) Support in principle to the development of a large scale tidal energy project off the Denbighshire Coast line.
- 2) Call for the DCC Cabinet to lobby both the UK and Welsh Government to progress the Tidal Lagoon agenda.
- 3) That a Group of DCC elected members be set up to lobby both the UK and Welsh Government to progress the project and that this group of elected members include the Leader or a nominated deputy along with one representative from each MAG.

The motion will be moved by Cllr Brian Jones.
