The plan is developed in conjunction with Denbighshire County Council and is focused on high risk areas. The plan was recently discussed with SLT. Estyn and Care Inspectorate Wales were also present at that meeting.

4.2. The attached Audit Plan sets out the audit areas, namely:

- Financial Statements (a statutory function of Audit Wales). Details of the scope of this area of work can be found on pages 6-7 of the attached.
- Performance Audit, to include focus on Unscheduled Care; Arrangements for

the Council's Support Functions, and one other to be determined. See p9 for more detail.

- 4.3. The in-year timing detail has yet to be worked out, but Audit Wales will inform Denbighshire County Council of it plans through regular meetings with the Acting Head of Business Improvement & Modernisation. It should be noted that the plan is flexible, acknowledging that it is subject to the risk of Covid-19 impacting on timescales.
- 4.4. All reports on the above topics will be shared with Corporate Governance & Audit Committee as they are available.

5. How does the decision contribute to the Corporate Priorities?
