Draft Statement of Licensing Policy – Licensing Act 2003

1. Introduction

1.1 Background

- 1.1.1 Under the provisions of the Licensing Act 2003, Denbighshire Council is the Licensing Authority (and is referred to in this document as “the licensing authority”) responsible for granting Premises Licences, Club Premises Certificates, and Personal Licences in the county of Denbighshire .
- 1.1.2 The Licensing Act 2003 (“the Act”) requires a licensing authority to determine and publish a statement of licensing policy (“the policy”) at least every five years. This policy is made under Section 5 of the Act and in accordance with the guidance issued by the Secretary of State, under Section 182 of the Act (“the Guidance”), to licensing authorities on the discharge of their functions under the Act.
- 1.1.3 The licensing authority is bound by the Act and any regulations made under the Act. The licensing authority must ‘have regard to’ the Guidance issued by the Secretary of State. If it considers it appropriate, the licensing authority may depart from the Guidance if they have good reason to do so and can provide full reasons.
- 1.1.4 As required by the Act, the draft Licensing Policy was subject to formal consultation with North Wales Police, North Wales Fire & Rescue Service, Betsi Cadwaladr University Health Board, Persons/bodies representative of businesses and residents in the county and Persons/bodies representative of current licence/certificate holders.

Draft Statement of Licensing Policy – Licensing Act 2003

- 1.1.5 In adopting this policy, the licensing authority recognises both the needs of residents for a safe, healthy and sustainable environment in which to live and work and the importance of well-run entertainment and leisure premises to the economy and tourism industry in Denbighshire.
- 1.1.6 The policy was adopted by Denbighshire Council on having considered the comments received from those consulted. The policy becomes effective from this date and will remain in force until a statutory or other review and consultation process is deemed necessary. The licensing authority will keep the policy under review, making any amendments it considers appropriate to support the licensing objectives. Any amendments will be published in the form of a new policy statement or, if appropriate, by publishing the amendment.
- 1.1.7 The policy will normally apply to any licence application determined after the date that the licensing authority resolved to make these policies operational, irrespective of the date on which the application was made.

1.2 Authority Profile

- 1.2.1 Denbighshire covers an area of 844 km² and has a population of around 94,000
- 1.2.2 The economy of Denbighshire is diverse. In the more urban north of the county, the seaside towns of Rhyl and Prestatyn dominate and the retail, leisure and tourism sectors remain major employers as Denbighshire is one of the most popular destinations for tourists. The late night economy is

Draft Statement of Licensing Policy – Licensing Act 2003

mainly focused along the coastal strip at the towns of Rhyl and Prestatyn with all the other main towns – St Asaph, Denbigh, Ruthin, Corwen and Llangollen – having similar share of licensed premises.

- 1.2.3 Denbighshire has around 2000 premises licensed under the Licensing Act 2003 including those licensed for the supply alcohol for consumption on and/or off the premises and those licensed for the provision of late night refreshment. The authority receives over 300 temporary event notices each year to hold temporary events for regulated entertainment and/or sale of alcohol.

2. Scope and Extent

- 2.1 The purpose of this statement of licensing policy is to set out the policies the licensing authority will apply when carrying out its licensing function, i.e. when regulating the licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Act. Reference will be made to the Act for ease of understanding however it is not intended to be a simplified summary of the law. A glossary of the terms used in the Act and in this policy can be found in Appendix 1.
- 2.2 The Act defines **licensable activities** as:-
- 2.3 **Sale by retail of alcohol** - The “sale by retail” of alcohol is defined in Section 192 of the Act. Alcohol means spirits, wine, beer, cider or any fermented, distilled spirituous liquor. A sale by retail is any sale of alcohol except those made to a business or club to be sold on to customers, i.e. wholesale of alcohol.

Draft Statement of Licensing Policy – Licensing Act 2003

- 2.4 **The supply of alcohol by or on behalf of a club, or to the order of, a member of the club** - A club's supply of alcohol is the property of all of the members and a supply to a member is therefore a separate licensable activity.
- 2.5 **The provision of regulated entertainment** - Schedule 1 of the Act sets out what activities are to be regarded as the provision of regulated entertainment and those that are not and are therefore exempt from the regulated entertainment aspects of the licensing regime.
- 2.6 The descriptions of entertainment activities licensable under the Act are:
- i. A performance of a play;
 - ii. An exhibition of a film
 - iii. An indoor sporting event;
 - iv. A boxing or wrestling entertainment;
 - v. A performance of live music;
 - vi. Any playing of recorded music
 - vii. A performance of dance; and
 - viii. Entertainment of a similar description to a performance of live music, any playing of recorded music or a performance of dance.
- 2.7 To be licensable, one or more of these activities needs to be provided for the purpose (at least partly) of entertaining an audience; has to be held on premises made available for the purpose of enabling that activity; and must either
- i. take place in the presence of a public audience, or
 - ii. where the activity takes place in private, be the subject of a charge made with a view to profit.
- 2.8 The Deregulation Act 2015 made considerable changes to the definition of regulated entertainment. Further information regarding these changes along with the changes made following the Live Music Act 2012 can be found in Appendix 2.

Draft Statement of Licensing Policy – Licensing Act 2003

- 2.9 **The provision of late night refreshment** - Schedule 2 of the Act sets out what activities are to be treated as the provision of late night refreshment and those that are not. The Deregulation Act 2015 provides a licensing authority may exempt the supply of hot food or hot drink if it takes place in a designated area, on or from designated premises and during designated times.
- 2.10 The licensing authority has NOT designated an area within the county of Denbighshire for the exempt supply of late night refreshment.
- 2.11 It is a criminal offence under Section 136 of the Act to carry on any of the above licensable activities other than in accordance with a licence or other authorisation under the Act.
- 2.12 The **types of authorisation or permission** the Act requires the licensing authority to regulate are:-
- i. Premises licence – to use premises for licensable activities.
 - ii. Club premises certificate – to allow a qualifying club to engage in qualifying club activities.
 - iii. Temporary event notice – to carry out licensable activities at a temporary event.
 - iv. Personal licence – to sell or authorise the sale of alcohol from premises which has a premises licence.
- 2.13 When carrying out its functions under the Act the licensing authority must seek to promote, with equal importance, the four **licensing objectives** contained in the Act. The four objectives are:
- i. The prevention of crime and disorder
 - ii. Public safety
 - iii. The prevention of public nuisance
 - iv. The protection of children from harm
- 2.14 The licensing authority will carry out its licensing functions in a way that

Draft Statement of Licensing Policy – Licensing Act 2003

- i. ensures public safety,
- ii. supports well managed premises where licence holders show sensitivity to the potential impact of licensable activities on local residents and other businesses,
- iii. supports premises that promote healthier lifestyles and responsible alcohol consumption, and
- iv. protects residents from detrimental effects.

2.15 The licensing process can only seek to control those measures within the control of the licensee and 'in the vicinity' of a premises. The conditions attached to various authorisations will, therefore, focus on:-

- i. Matters within the control of individual licensees and others who are granted any relevant authorisations.
- ii. The premises and places being used for licensable activities and their vicinity.
- iii. The direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned.

2.16 Every application considered by the licensing authority under this policy will be considered on its individual merits. Nothing in the policy will undermine the rights of any individual to apply for a variety of permissions under the Act and to have any such application considered on its individual merits.

2.17 Nothing in this policy shall override the right of any person to make representations on any application or seek a review of a licence or certificate where they are permitted to do so under the Act. However, this will not include applications or representations which are considered to be frivolous, vexatious or repetitious.

Draft Statement of Licensing Policy – Licensing Act 2003

2.18 If it considers it appropriate, the licensing authority may depart from its statement of licensing policy if the individual circumstances of the case merit such a decision in the interests of the promotion of the licensing objectives.

3. Licensing Objectives

3.0.1 When carrying out its functions under the Act the licensing authority must seek to promote, with equal importance, the four **licensing objectives** contained in the Act. The four objectives are:

- i. The prevention of crime and disorder
- ii. Public safety
- iii. The prevention of public nuisance
- iv. The protection of children from harm

3.0.2 The licensing objectives are paramount considerations to be taken into account by the licensing authority in determining an application made under the Act, and any conditions attached will be ones appropriate and proportionate to achieve the licensing objectives.

3.0.3 **Each objective is of equal importance.** They will be considered in relation to matters centred on the premises or within the control of the licensee and the effect which the carrying on of that business has on the vicinity.

3.0.4 In undertaking its licensing functions, the licensing authority will use a full range of measures including its planning controls, transport control and be mindful of legislation, strategies and policies which may impact on the promotion of the licensing objectives. These include:-

Draft Statement of Licensing Policy – Licensing Act 2003

- i. Anti-Social Behaviour, Crime and Policing Act 2014
- ii. Equality Act 2010
- iii. Crime and Security Act 2010
- iv. Policing and Crime Act 2009
- v. Health Act 2006
- vi. Violent Crime Reduction Act 2006
- vii. Gambling Act 2005
- viii. The Environmental Protection Act 1990
- ix. The Noise Act 1996
- x. The Health and Safety at Work etc Act 1974
- xi. European Union Services Directive
- xii. The Regulators' Compliance code
- xiii. Denbighshire Council's Planning & Public Protection Service Enforcement Policy
- xiv. Denbighshire Council's Strategic Equality Scheme

Note: - Where existing law already places statutory obligations on applicants the Council will not impose the same or similar duties by way of condition on the premises licence, holder or club.

- 3.0.5 The licensing authority will continue to work in partnership with the police and fire authorities, local businesses, pub watch schemes, community representatives and local people, in meeting these objectives.
- 3.0.6 The licensing authority recognises that the entertainment industry in Denbighshire is a contributor to the local economy. It attracts tourists and visitors, makes for vibrant towns and communities and is a major employer. Commercial occupiers of premises also have a legitimate expectation of an environment that is attractive and sustainable for their businesses. But there must be a balance with the needs of the residential population, whose amenity the licensing authority has a duty to protect.
- 3.0.7 The Council will also have regard to wider considerations affecting the amenity of any area. These include littering and fouling, noise, street crime

Draft Statement of Licensing Policy – Licensing Act 2003

and the capacity of the county's infrastructure, resources and police resources to cope with the influx of visitors, particularly at night.

- 3.0.8 Within the context of promoting the four licensing objectives, the Licensing Authority expects applicants to propose licensing conditions to mitigate the impact their premises may have on the health and well-being of their customers, the neighbourhood and the wider community.

3.1 The Prevention of Crime and Disorder

- 3.1.1 The prevention of crime and disorder is both an objective of the Licensing Act 2003 and an important responsibility of Denbighshire Council under the Crime and Disorder Act 1998.
- 3.1.2 The promotion of the licensing objective to prevent crime and disorder places a responsibility on licence holders to become key partners in achieving this objective. It is therefore important that an applicant for a premises licence or club premises certificate is able to demonstrate to the licensing authority the practical steps which will be taken to promote this objective.
- 3.1.3 The licensing authority will have regard to the Crime and Disorder Act 1998 under which it has a duty to prevent/reduce crime and disorder in the area.
- 3.1.4 The licensing authority will consider the representations of North Wales Police Service as the main source of advice on crime and disorder.

Draft Statement of Licensing Policy – Licensing Act 2003

3.1.5 This Licensing Authority expects all premises to adopt an age verification policy such as Challenge 25.

Drugs

3.1.6 Applicants should consider that special conditions may need to be imposed for certain types of venues to reduce the possibility of sale and consumption of drugs.

3.1.7 Drugs alter the way people behave, so their distribution and possession is controlled by the law. Controlled drugs are usually manufactured and supplied illegally, which attracts criminal involvement in their distribution. Drugs manufactured illegally often vary in quality and strength. This puts people taking such drugs in danger.

3.1.8 The licensing authority recognises that drug use by people in a club environment is not something that is relevant to all licensed premises. However, many entertainment venues such as night clubs and dance venues can be popular both with drug users and suppliers.

3.1.9 The licensing authority will expect licensees to take all reasonable steps to:

- i. prevent the entry of drugs into licensed premises
- ii. prevent the misuse of drugs within the premises
- iii. take practical measures to prevent tragedies as a result of drug misuse.
- iv. Train staff to recognise and understand the signs of drug misuse in people so that practical steps can be taken to deal with instances that occur
- v. Display appropriate drug safety awareness information to customers

Draft Statement of Licensing Policy – Licensing Act 2003

- vi. Provide a first aid room and first aid equipment, including a defibrillator in larger venues
- vii. Deploy staff trained to assist with medical incidents
- viii. Implement an appropriate banning policy

3.1.10 The licensing authority will require the applicant to identify any particular issues (having regard to the particular type of premises and/or activities) relating to the entry of and use of drugs on their premises, and set out in their operating schedule how such issues will be dealt with.

Door Supervisors (Licensed Security Personnel)

3.1.11 The licensing authority considers that certain premises may require supervision for the purpose of promoting the reduction of crime and disorder, and to generally provide a safer operation of the premises.

3.1.12 The licensing authority may impose a condition, if relevant representations are received, that door supervisors (approved by the Security Industry Authority) be employed at the premises either at all times or at such times as certain licensable activities are being carried out, and at a number and ratio to be determined by the licensing authority.

Public Space Protection Orders

3.1.13 The authority supports the use public space protection order (PSPO) as a tool to prevent alcohol related crime and disorder in the streets.

3.1.14 The authority expects premises that operate in areas where DPPO's/PSPO's have been implemented to have measures in place to ensure that their customers do not contribute to drink related anti-social behaviour.

Draft Statement of Licensing Policy – Licensing Act 2003

Industry Partnership Schemes

3.1.15 The licensing authority would encourage active participation in schemes such as Pub Watch, Off-Watch, Best Bar None (if available in the area) as contributing to the prevention of crime and disorder licensing objective

Irresponsible promotions

3.1.16 Banning the irresponsible promotion of alcohol in on-licensed premises was one of five measures brought in by Government in 2010. The others were banning the dispensing of alcohol directly into the mouths of customers; making free tap water available; ensuring age verification policies are in place and offering smaller servings of beer, wine and spirits.

In Denbighshire, the decision on what is and is not an irresponsible promotion will be made on a case by case basis taking all the circumstances into account and with reference to other Responsible Authorities when necessary

Personal Licences

3.1.17 The licensing authority recognises it has very little discretion regarding the granting of personal licences. In general, provided an applicant has a qualification approved by Department for Culture Media and Sport (DCMS) and does not have certain serious criminal convictions; the application has to be granted.

3.1.18 If an applicant has a relevant conviction, North Wales Police can oppose the application. If the police lodge an objection, a hearing at the licensing authority's Licensing Sub-committee will be held.

Draft Statement of Licensing Policy – Licensing Act 2003

3.1.19 At any hearing, members will consider carefully whether the grant of the licence will be in the interests of the crime and disorder objective. It will consider the seriousness and relevance of the conviction(s), the period that has elapsed since the offence(s) were committed and any mitigating circumstances. The sub-committee will only grant the application if it is satisfied that doing so will promote this objective

3.2 Public Safety

3.2.1 The public safety licensing objective is concerned with the physical safety of the people using the relevant premises. Physical safety includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption. For further information regarding effects of alcohol on health in Wales, see Appendix 3.

3.2.2 Licence holders have a responsibility to ensure the safety of those using their premises as part of their duties under the Act. These include but are not restricted to fire safety, access for emergency services, appropriate and frequent waste disposal, use of CCTV etc.

3.2.3 The licensing authority is committed to ensuring that the safety of any person visiting or working in licensed premises is not compromised.

3.2.4 The licensing authority will expect premises to be constructed, maintained and managed to recognised standards of safety, and will expect the applicant to have addressed the requirements of health and safety at work and fire safety legislation.

Draft Statement of Licensing Policy – Licensing Act 2003

- 3.2.5 The licensing authority will have particular regard to representations from North Wales Fire and Rescue Service, North Wales Police and Denbighshire Council’s Environmental Health team, to determine whether measures proposed are suitable to ensure the safety of the public.
- 3.2.6 Where the licensing authority considers that general health and safety duties do not adequately cover licensable activities, it may attach conditions to promote public safety if it is appropriate to do so following representations.
- 3.2.7 Where activities are organised by volunteers or by a committee of a club or society the licensing authority considers it good practice that the same level of health and safety protection is provided as if an employer/employee relationship existed.
- 3.2.8 The licensing authority expects the organisers of any large scale event, where licensable activities are to take place, to prepare an event management plan incorporating appropriate risk assessments. Organisers of large scale events where licensable activities are to take place are advised to contact the Denbighshire Events team at the initial planning stage for the event. A Safety Advisory Group meeting might be appropriate in some circumstances.
- 3.2.9 The licensing authority will include in a Premises Licence/Club Premises Certificate an occupant capacity, where necessary for public safety. This figure will be arrived at in consultation with North Wales Fire and Rescue Service following representations from them.

Draft Statement of Licensing Policy – Licensing Act 2003

3.3 The Prevention of Public Nuisance

- 3.3.1 Public nuisance is given a statutory meaning in many pieces of legislation however it is narrowly defined in the Act and retains its broad common law meaning.
- 3.3.2 Public nuisance may include, in appropriate circumstances, the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises.
- 3.3.3 Public nuisance concerns include:
- i. Noise from premises
 - ii. Litter
 - iii. Car Parking
 - iv. Light pollution
 - v. Noxious odours
 - vi. Behaviour/Disorder
- 3.3.4 The licensing authority is committed to ensuring that the living and working amenity and environment of other persons living and working in the area of the licensed premises is not compromised.
- 3.3.5 When considering the potential impact of licensed premises on the surrounding locality, the licensing authority will consider
- i. the licensable activities applied for
 - ii. the hours of operation applied for
 - iii. the capacity of the premises
 - iv. the character of the area, and
 - v. proximity to local residents.

Draft Statement of Licensing Policy – Licensing Act 2003

- 3.3.6 The licensing authority will not impose conditions on licensed premises that the licence holder cannot directly control, or on matters not related to the immediate vicinity of the premises.
- 3.3.7 North Wales Police have powers under the Act to control noise from premises. In the event that they have to invoke these powers they shall liaise, where practicable, with the licensing authority in accordance with the protocol regarding shared enforcement attached as Appendix 4.
- 3.3.8 Noise and disturbance arising from the behaviour of patrons entering or leaving the premises are matters for personal responsibility and are subject to Police enforcement of the legislation concerning disorder and anti-social behaviour.
- 3.3.9 The licensing authority will balance the potential for limited disturbance in neighbourhoods with the need to encourage and promote live music, dancing and theatre.

3.4 The Protection of Children From Harm

- 3.4.1 The protection of children from harm objective is concerned with the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also protecting children from sexual exploitation and wider harms such as exposure to strong language and exposure to adult entertainment.

Draft Statement of Licensing Policy – Licensing Act 2003

- 3.4.2 The licensing authority recognises that the Act allows for the free access of children to all licensed premises, subject to the licensee's discretion and any conditions applied to the licence.
- 3.4.3 Access by children to all types of premises will not be restricted unless it is considered necessary to do so in order to protect them from harm.
- 3.4.4 The licensing authority will not wish to impose conditions positively requiring the admission of children to licensed premises, which should remain a matter of discretion for the licensee of those premises, subject to there being no conflict with the licensing objective of protecting children from harm.
- 3.4.5 When considering applications for premises licences, the licensing authority will take into account the history of a particular premises, and the nature of activities proposed to be provided, for example:-
- i. Where there have been convictions for serving alcohol to minors or premises with a reputation for underage drinking;
 - ii. Where premises have a known association with drug dealing or taking;
 - iii. Where there is a strong element of gambling on the premises; (this does not include premises which only contain a small number of cash prize gaming machines);
 - iv. Where entertainment of an adult or sexual nature is provided.
- 3.4.6 In such instances, the licensing authority may attach conditions to any licence to:-
- i. Limit the hours when children may be present
 - ii. Restrict the age of persons allowed on the premises
 - iii. Require an accompanying adult
 - iv. Limiting or prohibiting access when certain activities are taking place

Draft Statement of Licensing Policy – Licensing Act 2003

- 3.4.7 Where equal chance gaming or gaming machines are present at a licensed premises the presence of children will have to be monitored by the licensing authority and the Designated Premises Supervisor (DPS).
- 3.4.8 Where large numbers of children are likely to be present on any licensed premises or where child performers are present in licensed premises, the licensing authority may require the presence of an appropriate number of responsible adults (who will have provided a satisfactory Disclosure and Barring Service certificate) to ensure their safety and protection from harm.
- 3.4.9 Where the exhibition of films is permitted, the licence or certificate must include a condition which will restrict access only to those who meet the required age limit in accordance with any certificate granted by the British Board of Film Classification or in specific cases by the local authority.
- 3.4.10 No film shall be exhibited in licensed premises which is likely to:
- i. Lead to disorder;
 - ii. Stir up hatred or incite violence towards any section of the public on grounds of colour, race or ethnic or national origin, disability, religious beliefs, sexual orientation or gender.
- 3.4.11 Applicants seeking a licence to supply alcohol as part of an alcohol delivery service should include in their operating schedule the procedures they intend to operate to ensure that:
- i. The person they are selling alcohol to is over 18;
 - ii. That alcohol is only delivered to a person over 18; and
 - iii. That a clear document trail of the order process from order to delivery is maintained (with times and signatures) and available for inspection by an authorised officer.

Draft Statement of Licensing Policy – Licensing Act 2003

Adult Entertainment

- 3.4.12 Where the activities proposed under the licence include those of a sex related nature (e.g. striptease, topless waitresses, and table dancing) the licensing authority will take into account the potential for an increased risk to the licensing objectives.
- 3.4.13 The licensing authority will not normally grant licences which involve a sex related element near schools, nurseries, places of worship, hospitals, youth clubs or other sensitive premises where significant numbers of children are likely to attend.
- 3.4.14 Where such licences are granted, conditions will be imposed if necessary which are designed to ensure that children are not admitted to and cannot witness either these activities or advertisements for them, as well as those conditions necessary to prevent crime and disorder problems.
- 3.4.15 If a premises licence or club certificate application does not specifically refer to adult entertainment of any kind, the licence or certificate will specify that adult entertainment is not authorised.
- 3.4.16 Any premises used for more than 12 occasions within a 12 month period for any relevant sexual entertainment, must also be licensed as a Sexual Entertainment Venue. Relevant sexual entertainment includes: lap dancing, pole dancing, table dancing, strip shows, peep shows and live sex shows.

Draft Statement of Licensing Policy – Licensing Act 2003

3.5 Public Health

3.5.1 The Local Health Board is responsible for making representations and observations on licence applications. The Health Board will also use information provided by Public Health Wales in order to inform their decision making. Public Health is not yet a licensing objective by the licensing authority believes that public health has much to add to licensing in relation to the local populations' alcohol related health needs. Health bodies such as Public Health have unique access to data not available to other responsible authorities which ay inform licensing decisions. Public Health is useful in providing evidence of alcohol related harm particularly in relation to cumulative impact policies.

3.5.2 Public Health data reveals that :

14 Percent of adults in Denbighshire drink above the recommended average weekly consumption of alcohol (National Survey for Wales, 2019)

In 2019-2020 there were 394.3 alcohol-specific hospital admissions and 1919.2 alcohol attributable hospital admissions (European Age Standardise Rate per 100,000 population) for individuals resident in Denbighshire (Public Health Wales 2020)

4. Cumulative Impact, Early Morning Alcohol Restriction Orders and Late Night Levy

4.1 Cumulative Impact

4.1.1 The concentration of licensed premises by number, type or density in a particular area and the cumulative impact it has on the promotion of the

Draft Statement of Licensing Policy – Licensing Act 2003

licensing objectives is a matter that the licensing authority will consider when carrying out its licensing function.

- 4.1.2 Where there is evidence that a particular area of the county is already suffering adverse effects arising from the concentration of late night premises, or those residential areas are under stress, consideration will be given to adopting a ‘Saturation Policy’.
- 4.1.3 The effect of such a policy is that the licensing authority could refuse applications for a new Premises Licence or Club Premises Certificate, or variation of an existing licence or certificate, whenever it received relevant representation, unless an applicant could demonstrate why the operation of the premises involved would not add to the cumulative impact already being experienced.
- 4.1.4 The ‘Saturation Policy’ would not be absolute however, and any application would be considered on its own merits and would be given proper consideration. In addition, the policy will not seek to limit the number of licensed premises which will be permitted, simply because the licensing authority considers that there are already enough licensed premises to satisfy the demand.
- 4.1.5 In determining whether to adopt a ‘Saturation Policy’ for a particular area the licensing authority may, among other things-
- i. Gather evidence or identification of serious and chronic concern from a responsible authorities and interested parties about nuisance and disorder.
 - ii. Identify the area from which problems are arising and the boundaries of that area.
 - iii. Make an assessment of the causes.
 - iv. Conduct a consultation exercise

Draft Statement of Licensing Policy – Licensing Act 2003

4.1.6 If a ‘Saturation Policy’ is adopted, it will be reviewed regularly to assess if it is necessary and proportionate.

4.1.7 Before establishing a ‘Saturation Policy’ the licensing authority will consider the number of existing measures available relevant to tackling unlawful and antisocial behaviour associated with licensed premises:

- i. Powers of local authorities to designate parts of the local authority area as places where alcohol may not be consumed publicly and confiscation of alcohol in these areas.
- ii. Police powers to close down premises or temporary events for up to 24 hours on the grounds of disorder, the likelihood of disorder or excessive noise.
- iii. Powers of the police, responsible authorities, local residents or businesses, or councillors to seek a review of a premises licence or club certificate.
- iv. Prosecution of personal licence holders or members of staff who sell alcohol to people who are drunk.
- v. Police enforcement of the general law concerning disorder and antisocial behaviour.
- vi. Participation in local trade liaison schemes e.g. Pub watch.
- vii. Planning controls.
- viii. Provision of CCTV.
- ix. Use of trained security and other staff.
- x. Drug control policies.

4.2 Early Morning Alcohol Restriction Order

4.2.1 The licensing authority has the power under section 119 of the Police Reform and Social Responsibility Act 2011 to prohibit sales of alcohol for a specific time period between the hours of 12am and 6am, if it is deemed appropriate for the promotion of the licensing objectives.

4.2.2 Early Morning Alcohol Restriction Orders (EMROs) are designed to address recurring problems with licensed premises, serious public

Draft Statement of Licensing Policy – Licensing Act 2003

nuisance and other instances of alcohol-related anti-social behaviour which is not directly attributable to specific premises.

4.2.3 An EMRO must specify:

- i. the days on which it is to apply and the time period of those days,
- ii. the area in relation to which it is to apply,
- iii. if it is to apply for a limited or unlimited period, and
- iv. the date from which it is to apply

4.2.4 The effect of an EMRO is that Premises Licences or Club Premises Certificate granted by the licensing authority, and Temporary Event Notices given to the licensing authority do not have effect in the area specified and during the period specified in the order.

4.2.5 Where there is evidence that there are recurring problems with licensed premises, serious public nuisance and other instances of alcohol-related anti-social behaviour which is not directly attributable to specific premises, consideration will be given to making an EMRO.

4.2.6 Before making an EMRO the licensing authority will consider the number of existing measures available to tackling public nuisance and anti-social behaviour which is not directly attributable to specific premises.

- i. Introducing or widening a Cumulative Impact Policy
- ii. Reviewing the licenses of specific problem premises
- iii. Police enforcement of the law concerning disorder and anti-social behaviour
- iv. Power to designate an area where alcohol may not be consumed publicly (Designated Public Places Order)
- v. Planning controls
- vi. Positive measures to create safe and clean town centres by working in partnership with others

Draft Statement of Licensing Policy – Licensing Act 2003

4.2.7 If the licensing authority proposes to make an EMRO it will follow the procedural requirements specified in the Police Reform and Social Responsibility Act 2011.

4.3 **Late Night Levy**

4.3.1 The licensing authority has the power under section 125 of the Police Reform and Social Responsibility Act 2011 to introduce a levy payable by the holders of premises licences and club premises certificates that supply alcohol between the hours of 12am and 6am, in order to cover the additional costs associated with late night alcohol trading.

4.3.2 The holders of premises licences and club premises certificates that supply alcohol between the hours of 12am and 6am benefit from the existence of a late night economy. However, alcohol-related crime and disorder in that night time economy give rise to costs for the police, local authorities and other bodies.

4.3.3 Where the licensing authority decides under section 125 that the late night levy requirement is to apply in its area, it must also decide—

- i. the date on which the late night levy requirement is first to apply, and
- ii. for the first levy year and each subsequent levy year—
 - the late night supply period;
 - the permitted exemption categories (if any) that are to apply in its area;
 - the permitted reduction categories (if any) that are to apply in its area;
 - the proportion of the net amount of levy payments that is to be paid to the North Wales Police

Draft Statement of Licensing Policy – Licensing Act 2003

- 4.3.4 Any income raised by the levy must be split between the licensing authority and North Wales Police. The police will receive at least 70% of the net levy revenue and the licensing authority will receive up to 30% of the net levy revenue.

- 4.3.5 Where there is evidence that alcohol-related crime and disorder in that night time economy give rise to costs for the police, local authorities and other bodies; the licensing authority will consider whether the late night levy requirement is a desirable means of raising revenue in relation to these costs.

- 4.3.6 If the licensing authority proposes to introduce a late night levy it will follow the procedural requirements specified in the Police Reform and Social Responsibility Act 2011.

Draft Statement of Licensing Policy – Licensing Act 2003

5. Planning and Building Control

- 5.1 Planning, building control and licensing regimes are properly separated to avoid duplication and inefficiency. They involve consideration of different, although related matters.
- 5.2 The Local Planning Authority with statutory planning responsibilities within the county of Denbighshire is Denbighshire Council
- 5.3 Denbighshire Council's planning policies are set out in the Local Development Plan' and 'Supplementary Planning Guidance'.
- 5.4 The Planning Authority works to:
- i. develop complementary and compatible policies,
 - ii. ensure effective and sustainable long term planning, and
 - iii. optimise economic, social and environmental benefits.
- 5.5 In general, planning permissions authorise a broad type of use of a premises, whereas licences are granted for a particular type of activity. A planning permission for an entertainment use, for example may cover activities that can have a wide range of different impacts in the locality. The precise nature of the impacts of the specified activities proposed by an applicant for a premises licence need to be considered when the application is made.
- 5.6 The licensing authority will normally expect that prior to the submission of a licensing application, the appropriate planning permission will have been granted in respect of any premises. However, applications for licences

Draft Statement of Licensing Policy – Licensing Act 2003

may be made before any relevant planning permission has been sought or granted.

- 5.7 The authority will also normally expect the activity to be authorised by the licence to be a lawful planning use and that any operating hours sought do not exceed those, if any, authorised by the planning permission.
- 5.8 Operating hours granted within the licensing process do not replace any restrictions imposed as a planning condition. Planning conditions will be addressed through the planning process.
- 5.9 It is recognised that in certain circumstances, a provisional statement may be sought alongside planning permission.
- 5.10 The licensing authority will encourage licence holders to provide facilities enabling the admission of people with disabilities, having due regard to the Equality Act 2010. No conditions will be applied which could be used to justify exclusion on the grounds of public safety.

Draft Statement of Licensing Policy – Licensing Act 2003

6. Applications

6.0.1 The Act provides for four different types of authorisation or permission, as follows:

- i. Premises licence – to use premises for licensable activities.
- ii. Club premises certificate – to allow a qualifying club to engage in qualifying club activities.
- iii. Temporary event notice – to carry out licensable activities at a temporary event.
- iv. Personal licence – to sell or authorise the sale of alcohol from premises which has a premises licence.

6.0.2 Applicants are advised that the application process for each type of authorisation or permission is set out in detail in the Act, the Regulations and the Guidance.

6.0.3 All applications must be made on the prescribed form and be accompanied by the prescribed fee.

6.0.4 All application forms, in both the Welsh and English language, are available to download from the licensing authority's website (www.denbighshire.gov.uk/en/business/licences-and-permits/entertainment-and-alcohol/entertainment-and-alcohol.aspx) or on request via telephone 01824 706342 Applicants may submit applications to the licensing authority:

- i. Online via the Denbighshire Licensing website - www.denbighshire.gov.uk/en/business/licences-and-permits/entertainment-and-alcohol/premises-licence.aspx
- ii. By email to licensing@denbighshire.gov.uk for scanned applications
- iii. By post to Denbighshire County Council, Caledfryn, Smithfield Road, Denbigh, LL16 3 for hardcopy applications.

Draft Statement of Licensing Policy – Licensing Act 2003

6.0.5 The licensing authority will issue bilingual premises licences, club premises certificates and personal licences.

6.1 Premises Licence

6.1.1 The prescribed application form for a premises licence contains the operating schedule where the applicant is required to specify amongst other information, the proposed licensable activities to take place at the premises, the times when the activities will take place, the time period the licence is required for, whether any alcohol that is to be sold is for consumption on or of the premises or both and critically, the steps they propose to take to promote the four licensing objectives.

6.1.2 A plan of the premises and a form of consent from the designated premises supervisor (for applications where the sale of alcohol will be a licensable activity) must be provided with the application.

6.1.3 Applicants are required to advertise their application in the prescribed way and within the prescribed period in accordance with Section 17 of the Act. An application for a premises licence may only be determined when the licensing authority is satisfied that the applicant has complied with these requirements.

6.1.4 Once a premises licence is granted further applications may be made in its respect, these include:-

- i. Application to vary a premises licence
- ii. Application for a minor variation to a premises licence
- iii. Application to vary a premises licence to specify an individual as a designated premises supervisor
- iv. Application to transfer a premises licence

Draft Statement of Licensing Policy – Licensing Act 2003

- v. Interim authority notice
- vi. Application for the review of a premises licence

Provisional Statements

6.1.5 The licensing authority recognises that in certain situations, businesses and developers need to have security that a premises licence is likely to be granted following construction of new premises or alteration of existing unlicensed premises. The licensing authority will issue provisional statements in accordance with the Act and Guidance.

Designated Premises Supervisors

6.1.6 All applications to appoint a person as the premises supervisor must be accompanied by a form of consent from that person. Applicants for new licences that authorise the sale of alcohol should include the prescribed information in respect of the individual who the licensee wishes to have specified in the Premises Licence as the premises supervisor.

6.1.7 Responsible Authorities will typically consider developing constructive working relationships with Designated Premises Supervisors, and the licensing authority expects this to be reciprocated to promote effective partnership working relations with the trade.

6.1.8 In exceptional circumstances, North Wales Police may object to the appointment of an individual as a Designated Premises Supervisor.

6.1.9 Where, following an objection by the police, the licensing authority is satisfied that the appointment of a person as a Designated Premises Supervisor would undermine the prevention of crime and disorder

Draft Statement of Licensing Policy – Licensing Act 2003

licensing objective; the policy is to refuse the appointment or to remove them as the DPS in circumstances where they are already in post.

Transfer of Premises Licence

6.1.10 The Act provides for any person who may apply for a premises licence, to apply for a premises licence to be transferred to them. An application to transfer a premises licence changes the identity of the holder of the licence and does not alter the licence in any other way.

6.1.11 North Wales Police must receive notice of the application in accordance with the requirements of the Act. If they believe the transfer may undermine the prevention of crime and disorder licensing objective, they may object to the transfer by giving notice to the licensing authority within 14 days.

6.1.12 Where the consent of the holder of the licence to transfer the premises licence is required but has not been obtained, the applicant must provide evidence to satisfy the licensing authority that ALL reasonable steps have been taken to obtain the consent. Reasonable steps includes allowing a reasonable amount of time for the holder of the licence to respond/give consent.

Draft Statement of Licensing Policy – Licensing Act 2003

6.2 Club Premises Certificate

- 6.2.1 The prescribed application form for a club premises certificate contains the operating schedule where the applicant is required to specify amongst other information, the proposed licensable activities to take place at the club premises, the times when the activities will take place, the time period the licence is required for, whether alcohol will be supplied to members and most critically, the steps they proposed to take to promote the four licensing objectives.
- 6.2.2 A plan of the premises and a declaration for a club premises certificate must be provided with the application.
- 6.2.3 Applicants are required to advertise their application in the prescribed way and within the prescribed period in accordance with Section 17 of the Act. An application for a club premises certificate may only be determined when the licensing authority is satisfied that the applicant has complied with these requirements.
- 6.2.4 Once a club premises certificate is granted further applications may be made in its respect, these include:-
- i. Application to vary a club premises certificate
 - ii. Application for a minor variation to club premises certificate
 - iii. Application for the review of a club premises certificate

Draft Statement of Licensing Policy – Licensing Act 2003

6.3 Requirement to advertise and display applications

6.3.1 When an applicant is required to publish a notice of their application in a local newspaper the licensing authority will require the applicants to provide a copy of that notice to the licensing authority as soon as is reasonably practicable after the notice is published.

6.3.2 When an applicant is required to display a notice in a prominent position at or on the premises where it can be conveniently read from the exterior of the premises; where practicable, the licensing authority will visit the premises during the consultation period to check that a notice is displayed prominently at or on the premises.

6.3.3 The licensing authority encourages all applicants to publish a bilingual notice of their application in the Welsh and English language.

6.4 Temporary Event Notices

6.4.1 A Temporary Event Notice, commonly referred to as TENs, is intended as a light touch process for the carrying on of temporary licensable activities. Unlike applications for Premises Licences and Club Premises Certificates, the licensing authority does not grant Temporary Event Notices. Instead, the premises user notifies the licensing authority of their intention to hold an event.

6.4.2 There are two types of TEN; a standard TEN and late TEN. A standard TEN is given no later than 10 working days before the event and a late TEN is given between 5 – 9 working days before the event. **A late TEN given less than 5 working days before the event will be returned as**

Draft Statement of Licensing Policy – Licensing Act 2003

void and the activities to which the notice relates will not be authorised.

- 6.4.3 There are a number of limitations imposed on the use of TENs including the number of times a premises user may give a TEN, the number of times a TEN is given for a particular premises, the maximum duration of an event, the maximum number of people that may attend the event at any one time.
- 6.4.4 The role of the licensing authority is to check that the limitations specified in the Act are being observed. When a TEN is not within the defined limits the licensing authority will issue a counter notice to the premises user. Otherwise, the licensing authority will just acknowledge the Notice, which may be done electronically.
- 6.4.5 North Wales Police and Environmental Health may object to a TEN within three working days of their receipt of the TEN. An objection can be made on the grounds of any licensing objective. Where an objection is made to a late TEN, a counter notice will be issued and the TEN will not be valid. Where an objection is made to a standard TEN the objection notice will be considered at a hearing of the Licensing Sub-Committee.
- 6.4.6 Modifications may be made to a standard TEN following consultation and agreement with North Wales Police AND Denbighshire Council's Environmental Health team; however **there is no scope under the Act to modify a late TEN.**

Draft Statement of Licensing Policy – Licensing Act 2003

- 6.4.7 Although temporary events are not subject to the same degree of control as premises which are the subjects of premises licences, premises users are encouraged to organise the event in such a way that supports all the licensing objectives.
- 6.4.8 A TEN does not relieve the premises user from any requirement under planning law for appropriate planning permission where it is required.
- 6.4.9 Ten working days is the minimum notice period for a standard TEN, however in the interest of open consultation, the licensing authority encourage 20 working days' notice to be provided.
- 6.4.10 A copy of a modified standard TEN should be given to the licensing authority by North Wales Police or Environmental Health as proof of the agreement with the premises user, North Wales Police and Environmental Health.
- 6.4.11 The process for applicants is outlined in the flow chart in Appendix 5

6.5 **Personal Licence**

- 6.5.1 A Personal licence allows the holder to sell alcohol on behalf of any business that has a premises licence or a club premises certificate. The personal licence is designed to ensure that anybody running or managing a business that sells or supplies alcohol will do so in a professional manner.

Draft Statement of Licensing Policy – Licensing Act 2003

- 6.5.2 A personal licence holder can act as the designated premises supervisor (DPS) for any business that sells or supplies alcohol.
- 6.5.3 Applications must be sent to the licensing authority for the area where the applicant lives, and not to the authority in which the licensed premise is located.
- 6.5.4 Where an applicant has an unspent conviction for a relevant or foreign offence, the licensing authority will give a notice to North Wales Police. If the police object to the application on crime prevention grounds, the applicant is entitled to a hearing before the licensing authority. If the police do not issue an objection notice and the application otherwise meets the requirements of the Act, the licensing authority must grant it.
- 6.5.5 Personal licences remain valid unless surrendered, suspended, revoked or declared forfeit by the courts.
- 6.5.6 The holder of a premises licence is required by the Act to notify the licensing authority of any changes to their name or address, any convictions for relevant offences and any convictions for a foreign offence.
- 6.5.7 The requirement to renew a personal licence was removed from the Act by the Deregulation Act 2015. While personal licences issued before the Deregulation Act 2015 have expiry dates, these licences will remain valid and such dates no longer have an effect.

Draft Statement of Licensing Policy – Licensing Act 2003

7. Operating Schedule

- 7.1 The licensing authority strongly encourages applicants to discuss proposed applications with a licensing officer and responsible authorities at an early stage and prior to the submission of the application itself. This should identify potential problems and help to build good partnership working. It may also reduce the need for a hearing at a later stage.
- 7.2 When considering how to develop their operating schedules applicants are advised to contact the responsible authorities for guidance.
- 7.3 Applicants are encouraged to make themselves aware of any relevant planning and transport policies, tourism and cultural strategies and local crime and disorder strategies, and to take these into account, where appropriate, in the formulation of their operating schedules.
- 7.4 The licensing authority will expect all applicants to specify the methods by which they will promote the four licensing objectives in their operating schedules, having regard to the type of premises, the licensable activities proposed, the operational procedures, the nature of the location and the needs of the local community.
- 7.5 The authority considers that a well-drawn, specific operating schedule indicates that an applicant understands and is prepared to meet the responsibilities of a licence holder under the Act.

Draft Statement of Licensing Policy – Licensing Act 2003

- 7.6 The authority considers that a blank or sparsely completed operating schedule may give the impression that the applicant has given inadequate thought to the responsibilities of a licence holder.

Draft Statement of Licensing Policy – Licensing Act 2003

8. Hours of Operation

8.1 The licensing authority recognises that widespread fixed closing times in certain areas can lead to peaks of disturbance and disorder, when large numbers of people come onto the streets at the same time, potentially causing friction at late night food outlets, taxi ranks and other late night services. Therefore, the licensing authority recognises that flexible licensing hours may be an important factor in reducing such problems.

8.2 Each application will be determined on its own merits, but the hours requested by the applicant will normally be approved where the applicant can show to the satisfaction of the licensing authority, that the proposals would not adversely affect the environmental quality, residential amenity and character of any particular area.

8.3 When considering applications, the licensing authority will take into account applicants requests for terminal hours (the close of business) in light of the

- i. Environmental quality
- ii. Residential amenity
- iii. Character or function of a particular area and
- iv. The nature of the proposed activities to be provided.

The terminal hours will normally be approved where the applicant can show that the proposal would not adversely affect any of the above.

8.4 Where alcohol is sold, applications should include both the times at which sales of alcohol will cease and the time when the premises will close.

Draft Statement of Licensing Policy – Licensing Act 2003

- 8.5 Shops and supermarkets will generally be permitted to sell alcohol during the normal hours they intend to open, but individual premises, which are a focus for disorder and disturbance may, subject to representations, be subject to limitations.
- 8.6 Where late hours are requested, particularly involving entertainment, earlier terminal hours may be set and the imposition of conditions may be appropriate to achieve the licensing objectives, should relevant representation be received.
- 8.7 No general limitation on hours, in any area, is imposed by this policy.

Draft Statement of Licensing Policy – Licensing Act 2003

9. Enforcement, Reviews and Powers

9.1 Enforcement

- 9.1.1 The licensing authority has established a joint-enforcement protocol with North Wales Police to ensure efficient and targeted enforcement. Meetings are held to monitor compliance with licensing requirements and to ensure appropriate and proportionate action is taken. See Appendix 4.
- 9.1.2 In general terms, action will only be taken in accordance with agreed enforcement principles and in line with the Planning and Public Protection Service Enforcement Policy. To this end the key principles of consistency, transparency and proportionality will be maintained.
- 9.1.3 An amendment to the Licensing Act 2003 under the terms of the Violent Crime Reduction Act 2006 enables the Licensing Authority, on the application of a Senior Police Officer, to attach interim conditions to licences pending a full review of the licence.
- 9.1.4 Once licensed, it is essential that premises are maintained and operated so as to ensure the continued promotion of the licensing objectives and compliance with the specific requirements of the Act.
- 9.1.5 The licensing authority will make arrangements to monitor premises, undertake inspections and take appropriate enforcement if it deems necessary to support and promote the licensing objectives.

Draft Statement of Licensing Policy – Licensing Act 2003

9.1.6 Where conditions have been imposed on a licence, an authorised person of the licensing authority may inspect the premises at any reasonable time for the purpose of checking that those conditions are being complied with.

9.1.7 The licensing authority will consider an appropriate level of enforcement action to a licence holder specifying recommended improvement within a particular period of time if it deems necessary to support and promote the licensing objectives.

9.2 Reviews

9.2.1 At any time following the grant of a premises licence or a club premises certificate, a **responsible authority** or any **other person** may ask the licensing authority to review the premises licence or club premises certificate because of a matter arising at the premises in connection with any of the four licensing objectives.

9.2.2 The review process represents a key protection for the community where problems associated with the licensing objectives occur at a premises or club.

9.2.3 The licensing authority must review a licence if the premises to which it relates was made the subject of a closure order by the police or if the police have made an application for summary review on the basis that the premises are associated with serious crime and/or disorder.

Draft Statement of Licensing Policy – Licensing Act 2003

- 9.2.4 In every case, an application for a review must relate to a particular premises or club and must be relevant to the promotion of one or more of the licensing objectives.
- 9.2.5 The licensing authority will reject an application for a review if the applicant fails to provide evidence that one or more of the licensing objectives are not being met or if the reason for the review does not relate to the licensing objectives.
- 9.2.6 The licensing authority will also reject an application for a review if it is considered frivolous, vexatious or repetitious.
- 9.2.7 The licensing authority considers it good practice for all authorised persons that have concerns about problems identified at premises to give licence holders early warning of their concern and the need for improvement, and where possible they should advise the licence holder of the steps they need to take to address those concerns.

9.3 Powers

- 9.3.1 The Act provides a range of statutory powers to the licensing authority which it may exercise on determining applications or following the receipt of a notice.

Suspension for non-payment of annual fees for Premises Licences and Club Premises Certificates

- 9.3.2 Holders of a premises licence or club premises certificate must pay the licensing authority an annual fee, the amount of which is determined by

Draft Statement of Licensing Policy – Licensing Act 2003

the non-domestic rateable value of the premises. The annual fee becomes due and payable each year on the anniversary of the date of the grant of the licence/certificate.

- 9.3.3 The fee is payable irrespective of whether the holder of the current licence intends to close the business at some point during the coming year or has taken over mid-year.
- 9.3.4 The licensing authority is required to suspend the Premises Licence or Club Premises Certificate if the annual fee has not been paid.
- 9.3.5 If there is a dispute relating to the amount of the fee and/or a genuine administrative error (made by the holder, the licensing authority or anyone else) before or at the time the fee becomes due, a Statutory Grace Period of 21 days will be given for the dispute to be determined.
- 9.3.6 If the dispute or error is not resolved during the 21 day period then the licensing authority MUST suspend the licence and no licensable activities will be able to take place.
- 9.3.7 The licensing authority will notify the holder of the suspension in writing and specify the date on which the suspension will take effect. The effective date of the suspension will be at least 2 working days after the day the notice of suspension is given.
- 9.3.8 Once payment is received the suspension can be lifted. The suspension ceases to have effect on the day the licensing authority receives payment of the outstanding fee.

Draft Statement of Licensing Policy – Licensing Act 2003

- 9.3.9 The licensing authority will share information on suspensions (and their subsequent lifting) with North Wales Police.

Draft Statement of Licensing Policy – Licensing Act 2003

10. Licensing Process

10.0.1 Applicants are advised that the application process for each type of authorisation or permission is set out in detail in the Act, the Regulations and the Guidance.

10.0.2 All applications must be made on the prescribed form and be accompanied by the prescribed fee.

10.0.3 All application forms, in both the Welsh and English language, are available to download from the licensing authority's website (www.denbighshire.gov.uk/en/business/licences-and-permits/entertainment-and-alcohol/entertainment-and-alcohol.aspx) or on request via telephone 01824 706342 Applicants may submit applications to the licensing authority:

- iv. Online via the Denbighshire Licensing website - www.denbighshire.gov.uk/en/business/licences-and-permits/entertainment-and-alcohol/premises-licence.aspx
- v. By email to licensing@denbighshire.gov.uk for scanned applications
- vi. By post to Denbighshire County Council, PO Box 62, Ruthin, LL15 9AZ for hardcopy applications.

10.1 Application Pathway

10.1.1 It is considered that the majority of the licensing function will be administrative in nature, i.e. applications and notices will have few areas of contention. In the interests of speed, efficiency and cost effectiveness, these authorisations will, for the most part, be carried out by officers.

Draft Statement of Licensing Policy – Licensing Act 2003

10.1.2 For representations to be relevant they must

- i. relate to the promotion of one of the four licensing objectives;
- ii. be made by a responsible authority or other person within the prescribed period;
- iii. not been withdrawn; and
- iv. in the case of representations made by a other persons, that they are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

10.1.3 Where there are no relevant representations to an application the licence will be granted provided that the application is made in accordance with the requirements of the Act.

10.1.4 Where **relevant representations** on an application is made and the application has been made in accordance with the requirements of the Act, the application will be determined in accordance with the requirements of the Act.

10.1.5 Representations may be positive as well as negative but if only positive representations are received it is highly unlikely that a hearing will be necessary.

Draft Statement of Licensing Policy – Licensing Act 2003

10.2 Mediation

10.2.1 Where a relevant representation concerning the licensing objectives is made by a responsible authorities or other person, the licensing section will decide whether the representation is relevant.

10.2.2 Where the licensing authority find the representation to be relevant a **mediation meeting** between the relevant parties will be arranged to try and find a reasonable compromise.

10.2.3 If this informal process is successful and all parties agree to conditions then the application will still need to be determined by the licensing committee or sub-committee at a dispensed hearing and the details of that decision will be circulated to the parties concerned.

10.2.4 If this informal process is unsuccessful a hearing before the licensing committee will follow. All relevant parties will be notified.

10.2.5 The determination of the application will be made by the licensing committee or sub-committee and the details of that decision will be circulated to the parties concerned.

10.3 Conditions

10.3.1 The conditions attached to a premises licence or club premises certificate are important in setting the parameters within which premises can lawfully operate.

Draft Statement of Licensing Policy – Licensing Act 2003

- 10.3.2 There are three types of condition that may be attached to a licence or certificate; proposed, imposed and mandatory. See Appendix 6 for current Mandatory Conditions to be included in every licence and/or club premises certificate in the circumstances specified.
- 10.3.3 The licensing authority acknowledges that where no representations are made to it by responsible authorities or interested parties about an application, its duty is to grant the licence or certificate subject only to conditions which are consistent with the applicant's operating schedule, and any mandatory conditions prescribed by the Act.
- 10.3.4 With regard to proposed conditions, the licensing authority will not simply replicate the wording from an applicant's operating schedule. The licensing authority will interpret the condition in accordance with the applicant's intention and compose the condition in accordance with the licence conditions principles shown below.
- 10.3.5 The licensing authority will not impose any conditions unless its discretion has been engaged following the making of a relevant representation and it has been satisfied at a hearing of the necessity to impose conditions due to the representations raised. It will then only impose such conditions which are appropriate and proportionate to promote the licensing objectives arising out of the consideration of the representations.
- 10.3.6 When imposing conditions the licensing authority will use wording such as "must", "shall" and "will" and will have regard to the following licence conditions principles.

Draft Statement of Licensing Policy – Licensing Act 2003

Licence conditions principles:

- i. Must be appropriate for the promotion of the licensing objectives;
- ii. Must be precise and enforceable;
- iii. Must be unambiguous and clear in what they intend to achieve;
- iv. Should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation;
- v. Must be tailored to the individual type, location and characteristics of the premises and events concerned;
- vi. Should not be standardised and may be unlawful when it cannot be demonstrated that they are appropriate for the promotion of the licensing objectives in an individual case;
- vii. Should not replicate offences set out in the Act or other legislation;
- viii. Should be proportionate, justifiable and capable of being met;
- ix. Cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff, but may impact on the behaviour of customers in the immediate vicinity of the premises or as they enter or leave; and
- x. Should be written in a prescriptive format.

10.3.7 When imposing conditions to a licence, the licensing authority will be aware of the need to avoid, as far as possible, measures which might deter live music, dancing or theatre through the imposition of substantial indirect costs.

10.3.8 The licensing authority will endeavour to ensure that, if a decision is made which is contrary to the statutory Guidance, the applicant will be given a full explanation of that decision.

10.3.9 The licensing authority acknowledges the Guidance in that the views of local minorities must be balanced with the general interests and wider cultural benefits of the community.

10.3.10 If representations are made concerning the potential for limited disturbance in a particular neighbourhood, the licensing authority's

Draft Statement of Licensing Policy – Licensing Act 2003

consideration will be balanced against the wider benefits to the community.

- 10.3.11 Where amendments or additions are made to the mandatory conditions under the Act they will be treated as if they were included in existing licences or certificates on the date that they come into force. The licensing authority is not obliged to re-issue licences or certificate to include the revised mandatory conditions but will do so where the opportunity arises.

Draft Statement of Licensing Policy – Licensing Act 2003

11. Delegation, Licensing Committee and Decision Making

- 11.1 The Act provides that the functions of the licensing authority, including its determinations are to be carried out by its licensing committee (except those relating to the making of a statement of licensing policy). At Denbighshire Council this committee contains 11 members.
- 11.2 The licensing committee may delegate these functions to sub-committees or in appropriate cases, to officials supporting the licensing authority.
- 11.3 The Licensing Committee of Denbighshire Council have appointed a Licensing Sub-Committee to deal with
- i. Applications where there are relevant representations
 - ii. Applications for a personal licence with unspent convictions
 - iii. Applications to review premises licence/club certificate
 - iv. Decision to object when the licensing authority is a consultee and not the relevant authority considering the application
 - v. Determination of an objection to a temporary event notice.
- 11.4 The majority of decisions and functions will be largely administrative in nature with no perceived areas of contention. In the interests of speed, efficiency and cost effectiveness, these will, for the most part, be carried out by officers.
- 11.5 The licensing authority will delegate licensing matters to be dealt with by the Licensing Sub-Committee and to Officers in accordance with the latest recommended Delegation of Functions specified in guidance issued by the Secretary of State, under Section 182 of the Act.

Draft Statement of Licensing Policy – Licensing Act 2003

11.6 Wellbeing of Future Generations Act 2015

This Act requires Local Authorities in Wales to think about the long-term impact of their decisions, to work better with people, communities and each other, and to prevent persistent problems, such as poverty, health inequalities and climate change. The Act clearly supports and actively promotes the licensing objectives. This Act links specifically to the prevention of crime and disorder and public nuisance. It recognises that there is a need to create appropriate soundscapes – the right acoustic environment in the right time and place. The Local Authority will consider the management of noise and soundscapes and in particular the five ways of working contained under this Act namely,

i) Long term – the importance of balancing short-term needs with the needs to safeguard the ability to also meet long-term needs,

ii) Integration,

iii) Involvement,

iv) Collaboration and

v) Prevention. Welsh Government has produced a 'Noise and Soundscape Action Plan for 2018-2023' <https://gov.wales/sites/default/files/publications/2019-04/noise-and-soundscape-action-plan.pdf>

11.7 The Licensing Authority will also have cognisance to the following legislation when it decides to discharge its responsibilities under the Licensing Act. This list is not exhaustive:-

i. Environmental Protection Act 1990 which deals with noise and nuisance

Draft Statement of Licensing Policy – Licensing Act 2003

- ii. Regulatory Reform Order 2005 which deals with fire safety
- iii. Highways Act 1980 which deals with pavement café licences.

- iv. such other information as may be prescribed by regulations.

12.2 The information contained in the licensing register will be made available for inspection by the public during office hours, free of charge, and a copy of that information may be supplied on request (for a fee).

12.3 A summary of the information contained in the licensing register is available to view online at www.denbighshire.gov.uk.

12.4 Any person wishing to view the licensing register in person should contact the licensing authority by email licensing@denbighshire.gov.uk or via telephone 01824 706342 to arrange an appointment.

12.5 To ensure that the information contained in the register is presented in an appropriate format, any person wishing to view the register in person will be requested to clarify which part of the register they wish to have available during the appointment.

Community and Ancillary Sellers Notice

The following sections are yet to come into force.

S67 – Sale of alcohol: community events etc and ancillary business sales

Draft and/or secondary legislation has not yet been finalised for CAN's (Community and Ancillary Sellers Notice) but it is envisaged that there will be an ability for community groups and small business accommodation providers to provide/sell limited amounts of alcohol to apply for a CAN. The CAN would last for a three year term with the possibility that Environmental Protection service and the Police could object from the outset.

Options possibly contained in the legislation may include the following

Alcohol may be sold between 7am and 11pm

Notice will be given to the licensing authority

The prescribed fee will be paid

Police, Environmental Health Authority and licensing authority can object if a CAN will undermine the licensing objectives. Where problems arise, the police and environmental health authority can object, with the result that the CAN may be revoked.

Police and licensing authority officers will have rights of entry to investigate where users are in breach of the CAN conditions.

No right to a hearing or appeal if a CAN is revoked

Appendix 3: Alcohol and Health in Wales

Alcohol use and its consequences remain a major public health challenge in Wales, the UK and elsewhere. The harmful use of alcohol ranks among the top five risk factors for disease, disability and death throughout the world.

- i. The proportion of adults drinking alcohol above the weekly guidelines (average weekly consumption above 14 units) has remained at a similar level since 2016. Data published by Public Health Wales Observatory in 2019 reveals that 19 percent of adults (aged 16 years and over) drink above the weekly guidelines compared to 20 percent in 2016.
- ii. Rates of alcohol consumption by gender show that 25.8 percent of men drink above weekly guidelines compared to 12.7 percent of women and people aged 45 to 65 drink more frequently than any other age group (Public Health Observatory, 2019).
- iii. Since 2009-10, the percentage alcohol specific hospital admissions involving individuals over the age of 50 has risen by almost 23 percent (Public Health Wales, 2020).
- iv. Alcohol hospital admissions are strongly linked to deprivation. The proportion of all patients admitted for alcohol-specific conditions living in the most deprived areas was 2.7 times higher than those from the least deprived areas (Public Health Wales, 2020).
- v. Mortality from alcohol specific conditions has steadily increased since 2013. However, the number of admissions fell by 7 percent in 2019 compared to the year before (Public Health Wales, 2020).

Alcohol plays an important and positive role in social and family life and contributes to employment and economic development locally. However, social traditions and economic benefits should not mask the fact that alcohol is a toxic substance that can have a detrimental effect on physical and mental health and wellbeing.

Drinking Levels and Patterns

There's no guaranteed safe level of drinking, but drinking below the recommended daily limits, means the risks of harm to health are low. Even drinking less than lower risk levels is not advisable in some circumstances. It is not only the amount of alcohol consumed that increases the risk of harm.

Binge drinking, which refers to a pattern of drinking in which a person consumes at least twice the daily recommended amount of alcohol in a single drinking session, can cause acute intoxication and lead to problems such as accidents, injury and violence. Most common in younger age groups, binge drinking is often associated with 'pre-loading'. Preloading is a term that relates to people, particularly young people, drinking alcohol at home or in streets before going on to pubs and clubs. It has been associated with higher

Draft Statement of Licensing Policy – Licensing Act

2003

overall alcohol consumption and a greater likelihood of being involved in a violent incident. People pre-load on alcohol because it's much cheaper to buy in the supermarket or other off licence than in a pub or bar.

The Licensing Authority can consider representations from health bodies acting as responsible authorities. The health bodies can provide information that is relevant to the promotion of the licensing objective of public safety, which includes the prevention of accidents and injuries and other immediate harms that can result from alcohol consumption such as unconsciousness or alcohol poisoning. For example, drunkenness can lead to accidents and injuries from violence resulting in attendances at emergency departments and the use of ambulance services. In some cases, these will also involve breaches of the crime and disorder licensing objective. In respect of the protection of children from harm there is a duty to protect them from moral, physical and psychological harm and therefore there is lots of potential for health bodies to add value. Under 18 alcohol-related A&E attendances may relate to the objective to protect children from harm and underage or proxy sales of alcohol will have implications for both the crime and disorder and protecting children from harm objectives. Health teams can provide supporting evidence, for example in relation to the effects that drinking alcohol has on the adolescent body. In some areas, the main barrier to health bodies acting effectively as a responsible authority is that the evidence that they need to support a representation is not routinely collected or available in their area.

Wrexham Council and its partners, Wrexham Maelor Hospital, North Wales Police, Welsh Ambulance Service and Betsi Cadwaladr University Health Board are currently working on a pilot project to improve data collection and sharing. It is intended to implement this across the whole of North Wales. The data collected should assist greatly in targeting enforcement where it is needed, informing licensing policy and contributing to the licensing decision making process.

Draft Statement of Licensing Policy – Licensing Act 2003

Appendix 4: Joint Enforcement protocol with North Wales Police

A Memorandum of Understanding exists between North Wales Police and all North Wales licensing authorities regarding the operational procedures and a joint enforcement protocol under the Licensing Act 2003.

The purpose of the joint enforcement protocol is to

- i. ensure efficient and targeted enforcement,
- ii. facilitate co-operation between enforcement agencies, and
- iii. underpin the mutual operational support required to tackle problem licensed premises.

This joint enforcement protocol describes how North Wales Police and the licensing authority will deal with problems arising at premises or club in relation to any of the four licensing objectives. It also describes when commencement of the review process may be deemed necessary.

Enforcement Ladder
