J Abbott

## Introduction

The Housing & Homelessness Strategy and accompanying Action Plan were adopted by the Council in December 2020 and are an amalgamation of all of our actions concerned with housing, homelessness and housing related support. As a result, the implementation of the Strategy is being undertaken by several different departments, in many instances working with partner organisations.

The relevant actions have been included in each service business plan as appropriate and are monitored by the relevant Lead Members and Heads of Service through the Housing & Homelessness Strategy Delivery Group, chaired by Lead Member Cllr Rhys Thomas. The Housing & Homelessness Strategy is based around 6 key themes, and the Action Plan is structured around these themes, setting out the key actions required to deliver the desired outcomes for each key theme:

1. More homes to meet local need and demand
2. Creating a supply of affordable homes
3. Ensuring safe and healthy homes
4. Preventing & ending homelessness in Denbighshire
5. Homes and support for vulnerable people
6. Promoting and supporting communities

	Major issues - action stalled or will not meet targets
	Minor Issues - some slippage but actions taken to address
	No issues - action on track
	Action now complete or part of Business As Usual work

<b>Promoting &amp; supporting communities</b>	6.01	Implement Tenant Engagement Strategy	It is vital for Denbighshire Housing to work closely with our tenants and households, so we understand their needs and aspirations.
