However, they will need to demonstrate that their representations relate to the promotion of one or more of the licensing objectives.

4.7 Relevant Representations

Representations that have been deemed to be relevant by the Head of Planning, Public Protection and Countryside Services have been received within the statutory 28-day period:

- 4.7.1 13 written representations were originally received from Other Persons in response to the public notice, however, as a result of mediation one individual has withdrawn their representations. The remaining representations relate to mainly possible disturbance from noise and antisocial behaviour, details of which can be seen at Appendix B.
- 4.7.2 The applicant has engaged with North Wales Police and the Council's Environmental Health section and agreed to include a number of conditions as part of his re-submitted application, which can be found at Appendix C. These conditions now form part of the application and do not need Member consideration to append to the operating schedule should the application be granted.
- 4.7.3 North Wales Police have also submitted a representation in support of the application, which can be found at Appendix D.
- 4.7.4 As a result of the representations received, mediation was offered to all parties, and at the time of writing this report no formal agreement has been reached. As part of mediation the applicant has offered to amend

his application relating to alcohol hours and has submitted a response to all Other Persons who submitted representations with a hope to address some of the concerns raised. The applicants' response can be found at Appendix E.

- 4.8 It is important that Members note when suggesting the option of mediation or negotiation to Other Persons and applicants, officers are careful to emphasise that members of the public should not feel obligated to take part in mediation. Likewise, applicants should not feel pressurised to accept changes to their operating schedule if they feel it more appropriate for the application to be determined by Members.

 The relevant representations engage the licensing objectives.
