Incident Location	Accident Type	Injury	Accident Incident Reference	Detail
Denbighshire Leisure Limited	Major	Crush / Impact	2022/0018050	Lee was using the Tanita machine, and had his right hand leaning on the frame and in-between the opening of the office door and as the entrance doors opened it sent a draft through forcing the office door to close on his fingers, Lee sustained injury to his right middle finger with a deep cut and significant bleeding.
		Fracture	2022/0018120	Edward was attending a soft play party on the 22.10.22 at Prestatyn Nova and at approximately 11.30am fell from the soft play ramp that leads children up from ground floor to first floor of structure. The full height of the ramp is approximately 7 feet. Edward was visibly in pain and it is reported that the injury was immediately visible with one shoulder was lower than the other. Edward was unable to lift his shoulder at all, only move his fingers. Two parents at the party (nurse and GP) offered advice whilst another parent requested an ice pack from staff on the soft play reception. No one from the staff attended the injury. No request was made by the parents for first aid assistance with exception to the request for an ice pack. The accident was witnessed by Edwards big brother - Will Harrington, Edward stayed for a further 15 minutes but was then taken directly to Glan Clwyd Hospital where he was assessed and found to have fractured his arm.
