Appendix 4 Major Capital Projects Update

Rhyl Coastal Defence

Budget	£8.246m Phases 1 & 2
Funding	WAG Grant
Expenditure to Date	£7.677m
Comments	This coastal defence scheme will reduce the flood risk to over 2000 properties and 500 businesses in West Rhyl.
	Phases 1 & 2 are the works to the inner harbour and river training wall. These works are anticipated to be fully complete by early July. Feedback on the scheme has been very positive.
	Final costings suggest costs are £100k over the contract target. The contractor is liable for 50% of this cost. It is hoped that the Welsh Government (WG) will also fund £50k.
	Meetings have been held with WG in relation to phase 3 – works from Sydenham Avenue to the Drift Park. It is hoped that with the necessary funding, works can commence in 2013/14.
	In an effort to build the defences as originally planned, which provides both coastal defence and enhances the amenity of the promenade, a bid for additional funding has been submitted to WG. This could potentially add £1m to the indicative WG allocation of £2.25m
Forecast Expenditure 12/13	£569k

Highways Programme Works

Budget	£3.650m
Funding	£3.650m Prudential Borrowing
