

LUF 3 VALE OF CLWYD revised application breakdown - includes provision for programme management

LUF3 Projects	Description	Levelling Up Funding Allocation
<b>Project 1: Rhyl</b>		
Rhyl Public Realm	Public realm enhancements and green infrastructure improvements to Rhyl Town Centre.	
Central Promenade	Re-connecting the town centre with the promenade and beach. A phased approach to public realm improvements incorporating a greener / natural public realm, active travel opportunities and unifying public realm between the town and the promenade.	
Gateway	Demolition and redevelopment with a quality public	
Queens Market public realm	Improve the impact of Queens building through enhanced external elements, incorporating hard landscape, suitable street furniture and soft landscaping.	
Sub-Total		£12,748,282
<i>*potential active travel contribution</i>		
<b>Project 2: Inner Denbighshire</b>		
Former North Wales Hospital	Enabling works to support restoration of the Grade 2* listed former hospital building	
Sub-Total		£3,000,000
<b>Project 3: Prestatyn</b>		
Prestatyn public realm	Public Realm enhancements and green infrastructure improvements on the High Street. Improved town centre accessibility.	
Prestatyn Nature Walk	Repurpose the disused railway line to create a nature walk connecting the recently invigorated nature reserve. Acquire the signal box for future development (either by the Council or the Community).	
Sub-Project		£4,225,000
<b>TOTAL /APPLICATION VALUE</b>		<b>£19,973,282</b>
