

## Appendix 2 – Proposed Fee Structure - Mandatory Licensing Scheme for Special Procedures

1.1 Each local authority is required to approve fees as per the following table. Total fees for practitioners and premises are divided into application fee and compliance fee which is payable once the application has been granted. The application fee covers the cost of processing the application, inspection and issuing documentation. The compliance fee is a reasonable contribution to the running of the licensing scheme, advising licence holders, following up complaints, additional inspections, and ongoing support.
