Electoral Ward	Polling District	Address of Polling Place / Station	Returning Officer Original Proposal	Respondent
Tremeirchion	BKB	Waen Parish Hall, Waen	No change.	Acting Returning Officer, Clwyd East Parliamentary Constituency
Tremeirchion	BKC	Waen Parish Hall, Waen	No change.	Acting Returning Officer, Clwyd East Parliamentary Constituency
Tremeirchion	BKD	Waen Parish Hall, Waen	No change.	Acting Returning Officer, Clwyd East Parliamentary Constituency

Summary of Response	For Parliamentary elections, to combine the 3 polling stations using Waen Parish Hall, Waen, into a single polling station for the three polling districts BKB, BKC and BKD. The electorate is low and (by combining the stations) would save having 3 polling stations in the one building. The Acting Returning Officer understands that the polling districts may need to have separate polling stations for local elections.
Returning Officer Comments	Agreed. The combining for parliamentary elections of the 3 polling stations located within Waen Parish Hall would be a manageable and efficient change that would not impact upon the voters. For elections involving more than 1 of the 3 community council wards the Returning Officer will consider retaining the existing separation of the polling stations in the building into their constituent polling districts. Should suitable buildings in convenient locations within each of the 3 polling districts be identified, their use as polling stations will be considered.
