Denbighshire was ranked 12<sup>th</sup> in Wales for the Core Subject Indicator (CSI) in 2012 for KS2, a drop of 6 places compared with 2011 and equal to the ranking in 2010. Although this compares favourably with our free school meal ranked position this is disappointing as it is the LA's aspiration for all key indicators to be within the top 10 performing Authorities in Wales. However, as with the approach to assessment in the Foundation Phase there is no National verification of the Teacher Assessment at KS2.
