

Route Map for Further Development of Area Plans

How do we move from Town to Area Plans?

Output from discussions with Town Plans Co-ordinating Group, 26/2/13

Where we are

- 7 Town Plans
- Short, medium and longer term priorities for each Town
- An identified budget – revenue and capital
- Some concerns about community support for and buy-in to the Plans
- Some concerns about the level of ambition and strategic links
- Some concerns about links between the Plans and Service plans

Where we want to be

- Broader Area plans covering the whole County area
- Owned by the local community and reflecting their priorities
- Full engagement of local private and third sector (plus other public sector?)
- Ambitious and with clear links to Denbighshire's corporate priorities
- Guiding documents for service planning and funding decisions
- Referenced by Grant funders to identify local support and priority for external grant funding applications
- Living documents that change as need and priorities change

What we need to do

Phase 1 work

Town to Area

1. Agree what an 'Area' is for planning
2. Agree the boundaries
3. Capture local priorities
4. Local consultation and engagement
5. Write and approve new plans

Phase 2 work

Raising the Ambition

6. Evaluate existing priorities in Town Plans against local profiles, strategic priorities/vision etc
7. Facilitate further local discussion

Making connections

8. Evaluate Service etc plans against Area Plans and align priorities
9. Raise profile of Area Plans with funding bodies
